

**Billings School District 2**

**STUDENTS**

Part-Time Attendance

The District will review requests for part-time enrollment on a case-by-case basis, with a building principal making a final decision.

Criteria for accepting students for part-time enrollment are the following:

1. accepting a student will not create excess student enrollment in a requested class
2. accepting a student will not create need for an additional staff member
3. accepting a student will not cause a new section of a course to be created.

The District will accept on a first-come, first-serve basis students wishing to enroll in the same course. Whenever the enrollment position of a part-time student is needed for a regular, full-time student during the year, a full-time student has priority for the position beginning with the next semester.
