Upper School Learning Specialist

Full-time • 2019-20 School Year

We are seeking a talented individual to join our upper school teaching team as a learning specialist.

Are you...

- A curious and creative teacher excited to bridge intellect and imagination in your classroom?
- A compassionate and collaborative educator and role model for students and adults?
- Passionate about working with variable learners and developing curriculum informed by Universal Design for Learning (UDL)?
- An enthusiastic community member eager to collaborate and build relationships?

Yes? Then read on!

Qualifications

- Masters and/or Graduate certification as a Learning Specialist, Resource or Educational Therapist preferred
- Minimum of 3-5 years teaching in a school setting (preferably upper elementary - 8th grade)
- Experience working with adolescents with learning differences; knowledge of specific intervention/remediation/accelerated programs and assistive technology
- Strong background in mathematics and STEM-related curriculum
- Experience collaborating with teachers, administrators, and families

Responsibilities

- Partner closely with colleagues (US learning specialist counterpart, US counselor, and K-4 learning specialist team)
- Monitor the progress of students with identified learning differences, including advanced learners. Assist in developing personalized learning plans and oversee implementation of learning strategies so that all students can access the curriculum
- Assist teachers, families, and students in broadening their understanding of the learning process and UDL
- Facilitate regular lunchtime/after-school study centers, team teach with faculty, teach study skills in learning lab to include flexible groups, whole-class, and small group instruction
- Consult with teachers, attend student support meetings, and conduct student observations

At San Francisco Day School...

We believe that when intellect and imagination are intertwined, our students delight in the discovery of connection: in their academic and creative pursuits, in their relationships, and in all that they experience here. Every day we help our students emerge as flexible and resourceful learners. Because when we do, our students light up with the call and capacity to take on the complexities of their day and of a diverse world.

SF Day At a Glance:
