

BLUE RIBBON PRODUCTS CO.

2410 WEST McDONOUGH STREET • JOLIET, ILLINOIS 60436
(815) 725-5000

A DISTRIBUTOR OF QUALITY BEERS SINCE 1934

Standard Position Descriptions

Delivery Helper-Assist the driver with the delivery and stocking of beer products including collection of payment or invoice vouchers, product display and rotation as well as basic merchandising activities.

Route Salesperson (Pre-Sell)-This position is accountable for pre-sale of draft and/or package products as well as merchandising activities in a specific account base within an assigned geographic area. Effective communication with proprietors, store owners and store managers is essential.

Merchandiser-This position is accountable for building displays, hanging permanent and non-permanent point-of-sale materials in on premise and off premise accounts as well as implementing cooler resets within the distributor's geographic territory.

Shelf Restocker-This position is accountable for restocking beer products in high-volume, off-premise accounts. In smaller distributorships, this position would be synonymous with a merchandiser and the same person would perform all functions.

Graphic Arts-This position is accountable for creating and designing graphic arts, logos, banners, posters, price cards and table tents utilizing graphic design software (Corel Draw).

Warehouse Worker- This position is accountable for a variety of warehouse duties including removing trash, sweeping floors and repackaging damaged product for resale. During peak business times, warehouse workers will also help fork lift operators with the storage and shipment of inventory in the warehouse facility.
