

# ROCORI CHILDCARE CONTRACT OPTIONS

## KID CARE & SPARTAN SPOT

### Consistent Schedule

*(Spartan SPOT & Kid Care)*

To be used if your child will be coming the same days of the week, every week.

*\*4 free days per season for absence from program*

Examples:

1. After school every day
2. Before school, Mon/Tue every week
3. Wednesday every week

\*As long as the schedule is the same/consistent from week to week, this is the schedule option to choose.

### Pick Your Days

*(Spartan SPOT)*

To be used if your child will be coming various days. (You know when you will need care, but it isn't a consistent schedule.)

*\*2 free days per season for absence from program*

Examples:

1. Tuesday this week; Wednesday next week, etc.
2. Tuesday this week; Thursday and Friday in two weeks (essentially 1 week off)

### Drop-In Days

*(Spartan SPOT)*

Every family has the option for Drop-In Days (even if on a consistent or pick-your-day schedule). These are used if you need care for your child *occasionally*, or on a day that is not already part of your contract.

Example:

1. We have a consistent schedule for Mon/Tues, but next week we need help on Wednesday.

\*Drop-In Days can be used to request care for a day that has already been invoiced. Drop-In care can also be a separate contract.

### Non-School Days

*(Spartan SPOT & Kid Care)*

Non-School Days (ie: MEA Break Days) are NOT automatically part of any contract and require pre-registration. A family needs to create this contract in order to register for non-school days.

Email notifications will be sent prior to each non-school day to remind families to register for those days. You may register for all non-school days at one time (charges for those days do not occur until closer to the non-school day).

Registration for non-school days will not be open until September 23<sup>rd</sup>.
