

## Smith Middle School

### *School Closing Information*

If the decision is made to close the schools, that information will be phoned in to the television and radio stations prior to 7:00 a.m. Please DO NOT CALL the Central Office, radio stations, Smith Middle School or school officials' homes. Such calls merely tie up the phone lines and prevent school officials from reaching each other and the radio stations. Please listen to the television or radio to see if Troy is mentioned.

The Troy School District "Newslines" (823-4000) will have a recorded message relative to school openings and closing from 8:00 p.m. to 8:00 a.m. and during the weekends. If for any reason it is necessary to close school during the day while students are in attendance, the same procedure will be followed. During an emergency, Smith Middle School has a telephone fan-out system which will be initiated if it is deemed necessary.
