INSTRUCTIONS TO BIDDERS

PROPOSALS

1. The Troy School District will receive firm, sealed bids for furnishing, delivering and installing Food Service Wireless Temperature Monitoring System Equipment, in accordance with the attached specifications.
2. Proposals will be submitted only on the forms provided, will be enclosed in a sealed envelope marked with the name of the bidder, the title of the work and must be delivered to the Purchasing Department, Troy School District, 4400 Livernois, Troy, Michigan 48098, no later than 2 p.m., Monday, August 25, 2014, at which time all bids will be publicly opened and read aloud immediately thereafter. Bid proposals received after this time will not be considered or accepted. Oral, telephone, fax or electronic mail bids are invalid and will not receive consideration. Submit one original and one copy.
3. Proposals will be made in conformity with all the conditions set forth in the specifications. All items of furniture and equipment must conform to the specifications.
4. All questions regarding the bid specified, or the bid terms and conditions will be accepted in writing ONLY and subsequently answered through an addendum to all interested parties. Any questions must be received no later than noon, Monday, August 18, 2014, at no other time prior to the bid opening will questions/concerns be addressed or accepted and may be faxed to: 248.823.4013, or emailed as a Word document to: PurchasingOffice@troy.k12.mi.us.
5. References in the specifications to any article, product, material, fixture, form or type of construction, etc., by proprietary name, manufacturer, make or catalog number will be interpreted as establishing a standard quality of design and will not be construed as limiting proposals.
6. The Troy Board of Education reserves the right to accept or reject any or all proposals either in whole or in part; to waive any irregularities and/or informalities; and in general to make awards or cancel this proposal, if deemed to be in the best interests of the owner.
7. A completed Familial Disclosure and an Iran Economic Sanctions form must be included with each proposal submitted or the proposal will not be accepted, please note these forms must be notarized.

SCOPE

This specification includes furnishing, delivering and installing a wireless Web-based monitoring system able to remotely and accurately measure and link continuous real-time temperature, operational data from freezers, coolers, milk boxed, storerooms and dishwashers, through the use of temperature sensors in accordance with the attached specifications. The awarded Vendor must follow the manufacturer recommended installation guidelines, test and provide training for all new products.

CONTRACT AWARD

The contract will be awarded in the form of PURCHASE ORDERS mailed to the Vendor(s) selected. It is the intent to award the bid on September 2, 2014 at the regular monthly meeting of the Board of Education.

WITHDRAWAL OF BIDS

Any bidder may withdraw their bid at any time prior to the scheduled time for receipt of bids. No proposal may be withdrawn until after 45 days after bid opening

INSURANCE

Satisfactory Workers' Compensation coverage of at least \$2,000,000.00 and General Liability and Property Damage Insurance of at least \$2,000,000.00 per occurrence and \$3,000,000.00 in Aggregate must be carried and paid for by the contractor(s) who undertakes the work on this contract. Insurance coverage must also include automobile insurance of at least \$2,000,000.00. Bid number and Troy School District as additional insured must be noted on the insurance certificate. Certificate holder will be Troy Schools.

BID GUARANTEE

Bidders must submit with their proposal a bid bond or certified check for not less than five percent of the bid. Failure to include a five percent bid guarantee will result in the rejection of your bid.

GUARANTEE BONDS

Prior to the issuance of a purchase order authorizing commencement of this project, and in all cases before beginning work under the contract, the Vendor/Contractor(s) selected will qualify for, sign and deliver to the Purchasing Office, an executed performance bond and executed labor and materials payment bond secured by the surety company. Each bond will be in the amount of 100 percent of the contract. Troy Schools requires that the bonding companies be limited to those listed on the U.S. Department of Treasury Circular 570, and must be licensed in the State of Michigan. The U.S. Department of Treasury Circular 570 can be viewed at the following web site: <http://www.fms.treas.gov/c570/c570.html>. Certificates of such insurance and bonds will be filed with the Purchasing Office within five working days of notification of bid award and before any work begins.

DELIVERY

All shipments will be F.O.B. delivered, Troy School District, to each specific school location.

WARRANTY

All material and equipment will be guaranteed to be free from defects in both workmanship and materials for no less than one year from date of receipt/installation. If manufacturer warranty exceeds this minimum requirement, the manufacturer warranty will prevail. Any item(s) found to be defective will be replaced or repaired within seven working days at Vendor(s) expense.

PERMITS

All necessary permits, tests, inspections and approvals will be procured by the contractor(s) and will be included in the proposal.

PAYMENTS

Payment in full will be due and payable within thirty days after delivery, providing all goods are approved and accepted by the Board of Education and the contract having been fully performed.

MSDS

COPIES OF MATERIAL SAFETY DATA SHEETS FOR ALL HAZARDOUS MATERIALS MUST BE INCLUDED WITH YOUR INVOICE.

MATERIAL SAFETY DATA SHEETS
Troy Schools expects MATERIAL SAFETY DATA SHEETS for all appropriate materials ATTACHED TO THE INVOICE and to appropriately label all products delivered according to Section 14 of Act 154, of the Public Acts of 1974 as amended. Any appropriate products not labeled will be refused and the vendor will be responsible for additional freight charges. Payment may be withheld until MSDSs are received by the school district.

Troy School District
BID 9796
Wireless Temperature Monitoring System
Specifications

Temperature Management System: wireless Web-based system able to remotely and accurately measure and ink continuous real-time temperature, operational data from freezers, coolers, milk boxes, storerooms and dishwashers, through the use of door and temperature sensors.

1. Wireless digital display sensor hardware to incorporate temperature and door sensors with the ability to monitor temperatures at any time/step in the flow of food process. Provide 24/7/365 temperature data logger with the ability to store data for 30 days in case of network failure and communications hardware to wirelessly collect sensor hardware data for Ethernet communications and display on standard web browser.
2. Ability to integrate and display temperature, operational, and door data from equipment in satellite kitchens to a central location.
3. Ability to display real-time online numerical and graphical data on access on any mobile phone, tablet, laptop or PC device and generate and send alarms when temperature is out of range.
4. Ability to perform temperature readings and checklists for HACCP compliance to prevent HACCP violations and corrective actions for critical temperatures prompted and documented. All HACCP parameters stored and transmitted back to central website. Manage and deploy HACCP and inspection programs to include web-based solutions to allow easy wireless deployment to remote areas in the field.
5. Ability to customize temperature parameters and provide customization of menu items, including flow of food.
6. Compatible with most major web browsers, including: Internet Explorer, FireFox, Google Chrome and Safari.
7. Ability to supply initial and monthly visits to each school location to provide training and support.

DUE: 2:00 p.m., Monday, August 25, 2014
PROPOSAL: BID 9796 Food Service Temperature Monitoring System
 Equipment and Installation

We propose to furnish and all labor, materials, equipment for installing Food Service Wireless Temperature Monitoring System Equipment, in accordance with this specifications;
