Hunters Creek Elementary School

PAT Charge

The goal of the PAT is to ensure that parents, staff and community members have the opportunity to take part in the planning and design of the new school.

The PAT members will serve as communicators to and from the community during the schematic design and design development phases of the project and participate in discussions that will lead to recommendations. The PAT concludes its work once construction begins.

All recommendations must be in alignment with the District's Educational Specifications and Design and Construction Standards.

Hunters Creek Elementary School

PAT Charge (continued)

The PAT will **reach a proposed recommendation through consensus**.

Any concerns identified by the PAT members should immediately be brought to the attention of the SBISD Project Manager.

These **recommendations will be presented** by the project's architects:

1. to the **Superintendent of Schools**, and based on approval from the Superintendent,
2. to the **Board of Trustees** for their approval.

The Board of Trustees may act upon the recommendations developed with PAT input by approving, amending, altering or not approving all or any part of the recommendations.
