Just In-Time Consolidated Purchasing

CUSTODIAL CHEMICAL AND EQUIPMENT SUPPLIES

Purpose and Scope of Proposal

It is the intent of Troy School District to incorporate a *Just In-Time Consolidated Purchasing* of Custodial chemical and equipment supplies as listed to a **Single-Source** Supply Agreement. This will encompass all facilities of Troy School District, and any applicable products that may be provided under the terms of the Agreement.

Supplier shall maintain all records for a period of five (5) years from the date the record is made. Supplier shall give Troy School District, or its authorized representative, the privilege of inspecting, examining and auditing without notice, during normal business hours, Supplier business records that are relevant to this agreement. The cost of such inspection, examination, and audit will be at the sole expense of Troy School District.

Upon entering into a contract with Troy School District, the successful Supplier(s) shall not assign or delegate any obligation to another Supplier without written consent of Troy School District. All subcontractors supplying products must be identified within the proposal including name, address, phone number and products to be supplied.

Unless specifically authorized in writing by the Troy School District Purchasing Department on a case by case basis, the successful Supplier shall have no right to use, and shall not use, the name of Troy School District, or its officials or employees; (a) in advertising, publicity, or promotion; nor (b) to express or imply any endorsement of the Supplier products or services.

The handling and delivery of all products shall be in accordance with all Federal, State, Local and Troy School District requirements.

While present on the Troy School District grounds, the Supplier, including all employees and agents, agrees to abide by, and comply with all Troy School District, federal, state and local policies, regulations, and laws that pertain to sexual harassment and non-discrimination. The Supplier shall be proactive in assuring that applicants, employees, and customers are treated fairly without regard to, or in discrimination of their race, religion sex, national origin, marital status, age, sexual orientation, veteran status, or disability. Supplier further agrees that Supplier employees and agents while on Troy School District's premises shall comply with and observe all applicable rules and regulations concerning conduct which are imposed upon Troy School District's employees and agents. All Troy School District facilities are smoke-free.

The Troy School District requires that the supplies used and/or purchased with respect to this proposal be manufactured in the United States. It is the bidder's responsibility to show such supplies are manufactured in the United States. If the supplies provided by the bidder are not manufactured in the United States, the bidder must show that one of the following is true: (1) The supplies required to comply with the proposal are not manufactured in the United States in a reasonably available quantity to make a competitive proposal. (2) The price of the supplies required to comply with this proposal exceeds the price of comparable supplies available outside the United States by an unreasonable amount. (3) The quality of the supplies required to comply with this proposal is substantially less than comparably priced supplies available outside the United States. The Troy School District may require the successful bidder to provide documentation of the stated reasons why U.S.-manufactured supplies were not used or purchased.

CONTENT AND PREPARATION OF PROPOSAL

1. The response to the RFP must be prepared simply and provide a concise description of the Supplier(s)' ability to meet the requirements. Troy School District reserves the right to request clarification of responses received.
2. Emphasis should be on accuracy, organization completeness, and clarity of content. Proposals must be clear, and easily readable. Any erasures, changes or strikeovers must be initialed in ink by the signatory. Errors or omissions may be grounds for rejection, or may be interpreted in favor of Troy School District.
3. Where a conflict or discrepancy exists between the proposal and the included promotional literature, the proposal information will be accepted as accurate.
4. Failure to provide all information as requested within this RFP may be cause for proposal rejection as non-compliant.
5. Troy School District shall not be held responsible for proposal cost incurred during the preparation of Proposals.

Notwithstanding any other provision of this RFP, Troy School District expressly reserves the right to:

1. Waive any insignificant defect or informality in any proposal/quotation procedures.
2. Make all decisions, without limitation, as to whether a proposal does or does not comply with the requirements of this RFP.
3. Accept, reject, or negotiate terms of any proposal, or any parts thereof, for the purpose of obtaining the best and final offer. During this period, Troy School District will not disclose any information derived from proposals submitted or from discussions from other Suppliers.
4. Only the Purchasing Department is authorized to negotiate on behalf of Troy School District with respect to this RFP.
5. Re-issue a Request for Proposal or cancel the Proposal process

SUPPLIER PRESENTATIONS & VISITATIONS

Troy School District reserves the right to request Supplier presentations and further clarification of responses received. The submission of a proposal does not guarantee a Supplier the opportunity of providing a presentation. Scheduling of presentations will be done by the Troy School District Purchasing Department.

SUPPLIER PRESENTATIONS & VISITATIONS – CONTINUED

Troy School District may wish to visit Supplier(s)' facilities, warehouse(s), or user facilities and may use the visitation as a basis for accepting or rejecting proposals. Supplier(s) shall, upon request and at no charge, accompany Troy School District personnel.

CONFIDENTIALITY

All information provided through this request and ensuing process will be held in confidence and will not be revealed nor discussed with any competitor until final execution of the contract. At that time, all documents of this process shall become public (excluding proprietary or financial information as determined by Troy School District) regardless of statements contained within submittal to the contrary. Furthermore, all material submitted shall become the property of Troy School District and may be returned only at Troy School District's option.

Troy School District reserves the right to use any and all concepts presented in any reply to obtain the most beneficial and effective contract. Selection or rejection of submittal does not affect this right.

DELIVERY OF PROPOSAL

Suppliers shall furnish one original and four submittal copies. Bids are due by 3:00 PM on Thursday, June 2, 2011 Troy School District, Purchasing Dept., 1140 Rankin, Troy, Michigan 48083.

Facsimile or electronic transmissions of the proposals are not acceptable.

INQUIRIES

All inquiries, requests for clarifications or interpretation relating to this RFP should be received by Troy School District prior to the bid closing date. All inquiries must be received by Troy School District no later than five (5) days prior to the proposal due date. Questions pertaining to this request must be directed to Kenneth D. Miller 248 823-4050, kmiller3@troy.k12.mi.us

REQUIRED SUPPLIER INFORMATION

All Suppliers submitting proposals must:

1. Provide name of clients, address, contact person, phone number and annual contract dollar amount of current contracts similar in scope to this request.
2. Identify all lost or terminated contracts of similar scope within the last three years as well as reasons for termination.
3. Describe facilities that would furnish product to Troy School District and indicate the hours of operation.
4. Describe customer service program as it relates to customer satisfaction and emergency response for handling shipping errors, shortages and expedited deliveries.
5. Provide full description of products and services offered.
6. Identify all manufacturers, major wholesalers and brokers with which you are affiliated.
7. Describe any product **education programs**, ancillary training or workplace safety programs.
8. Describe return policy and how returns and credits would be processed, including hazardous chemicals and products that become spoiled or dangerous over time.
9. Indicate next day fill rate of items, and percentage error rate per line item complete.
10. Identify recycled products and percentage of recycled material; also include any environmentally friendly alternatives to current products.
11. Provide proof of liability insurance coverage of \$300,000 or more.

Suppliers not furnishing the above requirements need not respond to the Request for Proposal

SUPPLIER RESPONSES AND SUPPORTING INFORMATION

Please respond to each of the following items, in the order presented, and provide supporting information that demonstrates compliance or intent to comply with the stated requirements.

Terms and Conditions of Awarded Contract:

1. This contract will be for the period of three (3) years. Either party, without penalty, may terminate the contract for cause with a 90-day written notice.
2. The successful bidder will be required to warehouse all items awarded from the Bid Form listing and ship on an as needed basis to Troy School District. By signing this bid, the Supplier is indicating that the items listed herein will be readily available to Troy School District within two (2) business days of receipt of order. If not, the Supplier will notify the Director of Operations promptly with an explanation. The Owner then reserves the right to purchase the item from any available source and charge any difference to the Supplier awarded this bid. Repeated stock-outs may result in the termination of the bid agreement.
3. Troy School District reserves the right to cancel the contract at any time the Supplier performance is, in the opinion of the school district, deemed unsatisfactory. In such event, however, Troy School District shall give written notice of the unsatisfactory performance and expected remedies for same. The Supplier shall be given thirty (30) days to remedy the problem(s) and an additional fifteen (15) days termination notice if conditions do not meet the Troy School District's approval. Troy School District shall only be obligated for those goods delivered and services rendered and accepted prior to the effective date of a cancellation.
4. All deliveries will be made to the building ordering the product. Deliveries are expected within two business days; indicate the latest time that an order could be placed to meet the two-day delivery schedule. Because Troy School District may not have docks at some of the buildings, verify that you will hand unload and deliver inside the building.
5. A simple efficient and fast mechanism of processing orders is required. Supplier will provide an electronic means by which Troy School District may access your inventory for item information, MSDS information, availability, shipment information and order placement. Unless otherwise specified in bid response, pricing is to remain firm for the duration of contract.
6. Troy School District expects to participate in all promotional and incentive programs offered to Supplier. Outline all rebate programs, incentives, or other special programs and describe how Troy School District will participate.
7. Management reports will be required. Supplier will provide monthly, quarterly and annual usage reports broken down by product and building. Supplier will provide a self-evaluation report to track overall fill rate performance, contract fill rate, average days to ship inventory accuracy, and merchandise returns. Please furnish samples of management reports.

SUPPLIER RESPONSES AND SUPPORTING INFORMATION – CONTINUED

8. Troy School District may wish to phase out existing inventory. Can you provide a program to accomplish this if requested? If so, describe.
9. Describe, in detail, accounting and invoicing procedures. Troy School District wishes to receive minimal invoicing yet provide order and location detail. Furnish sample of invoices and accounting forms. Supplier would be expected to provide additional detail as requested. Provide payment terms including any applicable discounts.
10. An inside sales person must be assigned to handle Troy School District's account. This person must be readily accessible by telephone during normal business hours. Describe how coverage for this person will be handled throughout the calendar year, and the training on this account the person will receive.
11. The successful Supplier must provide a sales representative that shall visit Troy School District and be responsible for answering questions, providing information, handling emergency needs, and resolution of customer service problems regarding products and services. The sales representative shall also be responsible for identifying new products and integrating those items into the contract and devote as much time as is necessary to effectively meet the needs of Troy School District as it relates to any contract resulting from the RFP. Enumerate the availability of the representative to Troy School District, their capabilities, industry education, years of service, and training background.
12. Supplier must provide training and safety programs for Troy School District. Illustrate in detail the scope and makeup of these programs.
13. Supplier shall not require a minimum order or order size.
14. Detail the return process. Troy School District will not accept restock charges for merchandise returns.
15. For any product that would require a change in dispensing systems from current use, please describe in detail your program for the pricing and installation of the dispensers. Provide a detailed cost-in-use analysis to support this system over one currently in use.
16. Supplier must provide the products quoted for the duration of the contract. Substitutions for the convenience of the Supplier will not be accepted, and will be cause for termination of the contract or re-submission of the RFP. Products discontinued by the manufacturer, supplanted by improved formulations, or in tight supply due to market conditions will not apply but will only be accepted upon notification to Troy School District.

PRICING

1. The attached List (Exhibit A) represents a market basket of items currently used by Troy School District but does not cover all items uses, i.e. parts, low volume materials/chemicals. If you do not carry the exact item listed, a substitute may be offered. However, the substitute must be clearly identified on the price list and samples provided if requested. Each page of the price list must be initialed.

All prices shall remain fixed for contract duration unless a maximum price increase is specified within bid response. Cost Analysis will be based on actual quoted pricing plus maximum annual increase if applicable.

PRODUCTS

Suppliers are strongly encouraged to bid on chemicals and supplies as indicted on the following pages. Alternate products may be bid providing the following are strictly adhered to:

1. Products not marked as “No” under the alternate’s column must be equal to or superior to indicated item; Samples may be required at the request of the Director of Operations.
2. Supplier must provide samples of each alternate if requested by Troy School District. Samples must be furnished within (5) business days of request.
3. Complete material safety data sheets must be included with bid on all alternate chemicals proposed.
4. Alternate products must be clearly indicated as such on bid response.

DISPENSING EQUIPMENT

Vendor awarded this bid will be responsible for cost and installation of dispensers for the following:

- A. Hand soap dispensers
- B. Glass cleaners
- C. Heavy duty cleaner
- D. General purpose cleaner
- E. Degreaser
- F. Disinfectant
- G. Non-acid cleaner
- H. Carpet cleaner

Vendors are charged with the responsibility to provide dispensers, which incorporate the same features as the recommended product (i.e. safety valves, backflow preventors, regulators, etc.). Demonstration of alternate dispensing system must be provided if requested by the school district.
