Bid will be awarded to lowest cost bid that satisfactorily completes the Troy School District evaluation. Evaluation will be performed as follows:

- At Bid opening, each sample will be assigned a random sample number
- Bids will be tabulated and ranked in order of lowest to highest cost
- Starting with the lowest cost bag, a weight will be placed into the provided sample. Each bag will be stress tested to determine breaking point. Consideration will be given to stretchability of each bag.
- Testing will be done on a “blind basis” (i.e. testers will not know which respondent’s bag is being tested). This will be done to insure all samples are fairly treated.
- No less than three (3) Troy School District employees will witness each test.
- As soon as a bag passes the weight/stretch test, the testing will be concluded and that bag will be awarded the bid. Higher cost bags will not be tested if a lower cost bag passes the test.
- Decisions made by Troy Schools with regard to testing and subsequent passage will be final.
- Respondent, by submitting a bid for this product acknowledges and accepts these terms without qualification.
