

TROY SCHOOL DISTRICT
CUSTODIAL SERVICES
REQUEST FOR PROPOSAL #9594

**ADVERTISEMENT FOR BIDS
CUSTODIAL SERVICES
Troy School District**

The Board of Education of the Troy School District is accepting firm, sealed proposals for a three (3) year contract for **CUSTODIAL SERVICES**. Proposals should be submitted for a three year period, encompassing the 2009/10, 2010/11 and 2011/12 fiscal years.

Specifications and proposal forms may be obtained online at http://www.troy.k12.mi.us/purchasing/items_out_for_bid.htm. Click the left column on tab labeled "Bid 9594 – Custodial Services".

Your Proposal **MUST** be submitted in a sealed envelope (box) and **CLEARLY** marked "Custodial Services, BID #9594". The Troy School District requests six (6) copies (one of which must be clearly marked "Original"). All proposals must be delivered no later than 3:00 P.M., Tuesday, April 14, 2009 to: Purchasing Department, Troy School District, 1140 Rankin, Troy, MI, 48083. All Proposals will be publicly opened and read aloud immediately thereafter. Proposals received after this time will not be considered or accepted. Facsimile and other electronic bids are not acceptable.

A Mandatory Pre-Proposal conference has been scheduled for Thursday, March 12, 2009, at 8:00 A.M. at the Troy School District, Administration Building, 4400 Livernois, Troy, Michigan 48098. The purpose of this mandatory meeting will be to answer any questions regarding the RFP specifications and the current custodial operations.

All Proposers submitting Proposals must provide a sworn and notarized statement disclosing any familial relationship that exists between the owner or key employee of the Proposer submitting a Proposal and any member of the Troy School District Board of Education or the Troy School District Superintendent. The District will not accept a Proposal that does not include this sworn and notarized disclosure statement.

The Board of Education reserves the right to accept or reject any or all Proposals, either in whole or in part; to award contract to other than the low Proposer, to waive any irregularities and/or informalities; and in general to make awards in any manner deemed to be in the best interests of the School District.

I. OVERVIEW

1.1 Submission Deadline and Requirements

The date and time for receipt of Proposals is:

Tuesday, April 14, 2009 at 3:00 p.m. EST

- 1.1.1 Proposal Envelope:** An opaque envelope containing your Proposal must be marked in the lower left hand corner as follows:

SEALED PROPOSAL ENCLOSED
CUSTODIAL SERVICES RFP # 9594
[Proposer's Name]
[Proposer's Address]
[Proposer's Telephone Number]

The envelope must also be addressed and delivered as follows:

TROY SCHOOL DISTRICT
PURCHASING DEPARTMENT
Attention: Frank E. Lams
1140 Rankin Street
Troy, MI 48083

- 1.1.2 Late Proposals:** Each Proposer is responsible for submission of its Proposal. Proposals or Proposal revisions received after the date and time specified above will not be accepted or considered. The School District shall not be liable to Proposer for any delivery or postal delays.
- 1.1.3 Returned Proposals:** All Proposals received after the date and time specified above will be returned to the Proposer unopened.
- 1.1.4 Signed Original Proposal:** Each Proposal must be an original and hard copy, and signed by an authorized member of the Proposer's Firm. This member should be the highest-ranking officer at the local level. NO FAX or E-MAILED Proposals will be accepted. Each Proposal must be submitted on the Proposal Forms attached to this RFP. The original copy must be clearly indicated.
- 1.1.5 Copies of Proposal:** The Proposer shall also submit with the signed original of its Proposal six (6) complete copies of the signed original Proposal.
- 1.1.6 Opening of Proposals:** At the specified location, date and time stated above, all submitted Proposals shall be publicly opened and dated. Any interested parties may attend. No immediate decision will be rendered.

- 1.1.7 E-Mail Clarifications:** The School District intends to communicate with Proposers via e-mail (e.g., RFP clarifications and Addenda) and through posting on the School District's purchasing website. Except for the delivery of the Proposal itself, references in this RFP to "written" form of communications, include e-mail.
- 1.1.8 Intent To Respond:** Each Proposer who intends to submit a Proposal in response to this RFP shall submit an "Intent To Respond" via e-mail to Frank E. Lams at flams2@troy.k12.mi.us on or before 12:00 PM on March 17, 2009. The Intent To Respond shall include the name of the Proposer, the name of a contact person and that person's e-mail address.
- 1.1.9 Additional Requests For Clarification:** Prospective Proposers may request that the School District clarify information contained in this RFP. All such requests or questions regarding this RFP must be received no later than noon, Thursday, March 19, 2009. Questions must be submitted via email to: flams2@troy.k12.mi.us, or to the attention of Frank E. Lams at 1140 Rankin, Troy, MI 48083 in writing, or via the purchasing office fax telephone 248.823.4077. **No response will be made to oral questions.** All questions and answers will be posted on the School District's website. It is the Proposer's responsibility to check the website prior to the RFP due date.
- 1.1.10 Restrictions On Communication:** From the issue date of the RFP until a Contractor is selected and selection announced, a prospective Proposer shall not communicate about the subject of the RFP or a Proposer's Proposal with the School District, its Board of Education, or any individual member, administrators, faculty, staff, students, or employees, except for Pre-Proposal Meeting/Facility Walk-Through, or additional Requests for Clarification in accordance with Paragraph 1.1.9 above.
- 1.1.11 Addenda to the RFP:** If it becomes necessary to revise any part of the RFP, notice of the revision will be e-mailed in the form of an Addendum to all parties that submitted an Intent To Respond or attended the Mandatory Pre-Proposal Meeting. Addendum shall also be posted on the School District's purchasing website. All Addenda shall become a part of the RFP. Each Proposer must in its Proposal, to avoid any miscommunication, acknowledge all Addenda which it has received, but the failure of a Proposer to receive, or acknowledge receipt of, any Addendum shall not relieve the Proposer of the responsibility for complying with the terms thereof.
- 1.1.12 RFP/Proposal Information Controlling:** The School District intends that all Proposers shall have equal access to information relative to this RFP, and that this RFP contains adequate information. No information communicated, either verbally or in writing, to or from a Proposer shall be effective unless confirmed by written communication contained in this RFP, an Addendum to this RFP, a Request For Clarification or other written response thereto, or in the Proposal.
- It is the policy of the School District to not release Request For Proposals in a changeable format (i.e. Word or Excel files). Accordingly, neither this RFP nor subsequent addenda, if any, nor any Responses to Questions will be released in other than hard copy or .pdf format.

- 1.1.13 Good Faith Deposit:** Each Proposal must be accompanied by a bid bond or certified check in an amount of 5% of the first year's total cost of the Contract, as a guarantee of Proposer's good faith on the part of the Proposer. If a bid bond is posted by a Proposer, it shall be from a surety licensed to do business in the State of Michigan and the attorney-in-fact who executes the bid bond on behalf of the Proposer shall attach a certified, current copy of its power of attorney. In the event a certified check is submitted, it shall be made payable to "Troy School District." The School District shall not be liable for any interest earned thereon. The good faith deposit shall be forfeited as liquidated damages, and not as a penalty, if the Proposer withdraws its Proposal after the due date for submission of Proposals or, upon acceptance of its Proposal by the School District, Proposer fails to execute the form of Contract acceptable to the School District, substantially evidencing and incorporating this RFP and its Proposal and fails to provide the required performance bond, if any, and the required insurance certificates, within fifteen (15) days of an award of a Contract to the Proposer. Good faith deposits shall be returned to all Proposers within a reasonable time after the award of a Contract and execution of a Contract by the successful Contractor.
- 1.1.14 Finality of Decision:** Any decision made by the School District, including the Contractor selection, shall be final.
- 1.1.15 Reservation of Rights:** The School District reserves the right, in its sole discretion (for this provision and all other provisions contained in this RFP), to accept or reject, in whole or in part, any or all Proposals with or without cause. The School District further reserves the right to waive any irregularity or informality in the RFP process or any Proposal, and the right to award the Contract to other than the Proposer submitting the best financial Proposal (low bidder). The School District reserves the right to request additional information from any or all Proposers. The School District reserves the right to negotiate with the Proposers concerning their Proposals. The School District may select one or more Firms to perform the Custodial Services on behalf of the School District.
- 1.1.16 Release of Claims:** Each Proposer by submitting its Proposal releases the School District from any and all claims arising out of, and related to, the RFP process and selection of a Contractor.
- 1.1.17 Proposer Bears Proposal Costs:** A recipient of this RFP is responsible for any and all costs incurred by it or others acting on its behalf in preparing or submitting a Proposal, or otherwise responding to this RFP, or any negotiations incidental to its Proposal or this RFP.
- 1.1.18 Irrevocability of Proposals:** Proposers may withdraw their Proposal, if so desired, anytime before the date and time for receipt of Proposals. All Proposals submitted shall not be withdrawn and shall be irrevocable for a minimum period of one hundred eighty (180) calendar days following the date and time for receipt of Proposals set forth above.

1.1.19 Collusive Bidding: The Proposer certifies that their Proposal is made without any previous understanding, agreement or connection with any person, firm or corporation making a Proposal for the same project and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action.

1.2 Objective of RFP

The objective of this RFP is to offer experienced professional Firms the opportunity to present a thoroughly detailed Proposal of their expertise and qualifications to the School District. The Proposal will detail the Proposer's experience and expertise in assisting school districts of similar size and scope as the Troy School District with their Custodial Services outsourcing process.

This Proposal specifically requests that all Proposers present their **qualifications** and **experience** in Custodial Services management (please see Proposal Requirements and Proposal Format).

The School District will select the Proposal, if any, that it deems most qualified to serve the best interests of the School District, in its sole discretion.

1.3 Purpose

The purpose of this RFP is to establish a contractual relationship with an experienced and qualified Firm to provide Custodial Services to the School District in the most efficient and cost-effective manner possible while, at the same time, maintaining the same quality of service currently being provided, safety and reliability. The School District may select one or more experienced and qualified Firms to proceed with the negotiation process from those submitting Proposals. The process will include the review and evaluation of methods and procedures used to provide Custodial Services within the scope of this RFP. Past experience will also be judged by the references of each Proposer. A major portion of the negotiations will include the financial terms of the Contract. Proposers should be prepared to make a presentation to a committee of the School District, not to be more than one hour in length (time for questions and answers will be addressed within that one hour time period).

1.4 Term of Contract

It is the intent of the School District to award a contract to one or more Contractor(s) for Custodial Services for all School District Facilities. The Contract is expected to begin on July 1, 2009 for a period of three (3) years, with an option for the School District to extend the Contract by up to three (3) additional years on a year-to-year basis subject to approval by the School District's Board of Education, in its sole and absolute discretion. Nothing requires the School District to agree to extend the Custodial Services Contract beyond the initial three (3) year term. As specified elsewhere in this RFP, the Contractor is required to provide a three (3) year price guarantee.

If the Contractor seeks to have the Contract extended beyond the initial term, the Contractor must provide the upcoming fiscal year's fee schedule at least one hundred twenty (120) days before the Contract anniversary date.

If conditions warrant, and if mutually agreeable between the School District and the present Contractor, the Contract may be temporarily extended for an additional ninety (90) days in order to provide Custodial Services to the Facilities until a new contract is awarded. The Contract is for 12-months-per-year and requires Custodial Services to be performed during school breaks and during the summer.

1.5 **Selection Timeline**

1.6 **School District Profile**

This RFP contemplates and is intended to procure Custodial Services under the form of Contract included in the RFP for Troy School District (the "School District"). The School District is located in the City of Troy, in the County of Oakland, Michigan. Please refer to the accompanying information for demographic profiles of the School District (Attachments A and B).

1.7 Proposal Requirements

This outlines the information that must be provided by the Proposer and the required format for the Proposal. Any Proposal not providing the required information, or not conforming to the format specified, may be disqualified. Please refer also to the SUBMISSION DEADLINE AND REQUIREMENTS Section (Section 1.1) of the RFP for additional Proposal requirements.

Proposals must demonstrate an understanding of the scope of work and the ability to accomplish the tasks set forth herein and must include information that will enable the School District to determine the Proposer's overall qualifications. Each Proposal shall also include any other information that the Proposer feels is significant with respect to the School District making an informed decision relative to the Proposal.

Any exceptions to the terms and conditions contained in this RFP or the attached form of Contract or any other special considerations or conditions requested or required by the Proposer MUST be specifically enumerated by the Proposer and be submitted as part of its Proposal, together with an explanation as to the reason such terms and conditions cannot be met. Each Proposer shall be required and expected to meet the RFP and Contract requirements in their entirety, except to the extent exceptions are expressly noted in its Proposal. All Pricing factors must be clearly indicated in the Proposer's Proposal Form provided as part of its Proposal.

Each Proposer shall submit its Proposal for a three (3) year term. Each Proposal shall include a transition plan/implementation schedule. Each Proposal must be submitted on the Proposal Forms attached to this RFP.

Attached to this RFP is a form of Contract under which the Custodial Services requested hereunder shall be provided by the successful Proposer (the "Contract") (See Attachment H to this RFP). The Contract contains details relative to the Custodial Services for the School District, the terms and conditions under which the Custodial Services shall be provided by the successful Proposer, and should be reviewed carefully by each Proposer prior to submitting a Proposal. Any exceptions to the terms and conditions contained in this RFP or the attached form of Contract or any other special considerations or conditions requested or required by the Proposer relative to the Contract shall be enumerated by the Proposer and be submitted as part of its Proposal, together with an explanation as to the reason such terms and conditions cannot be met or other special conditions or considerations.

1.8 Proposal Format

1.8.1 Proposers must provide information, which will serve as an introduction of your company/Firm on business letterhead.

1.8.2 Proposers must provide background and qualifications of the personnel who will be involved with the School District. Describe the chain of command and reporting relationships. Include a proposed organization chart. This organization chart must reference where a School District liaison would be placed.

1.8.3 Exceptions, including explanations, to the RFP and/or the Contract.

- 1.8.4** Proposers must provide detailed evidence that they are currently providing Custodial Services for other K-12 school districts. This should include school districts of similar size and scope as the Troy School District.
- 1.8.5** Describe any other similar public K-12 school districts in which your Firm has contracted to provide Custodial Services.
- 1.8.6** Proposers must provide a Bid Bond in the amount equal to 5% of the 1st year total amount of the Contract.
- 1.8.7** Proposers shall provide evidence of ability to provide adequate insurance coverage to protect the interests of themselves and the School District. Proposer must provide evidence of insurance in the amount of \$10,000,000.00.
- 1.8.8** Proposers shall provide documentation of sufficient financial resources to provide Custodial Services for a School District of this size and complexity.
- 1.8.9** Proposers must fully describe, and provide evidence and scope of, their formalized in-service training and educational programs for all employees.
- 1.8.10** Proposers shall meet all regulatory laws, codes, and requirements of Local, State, and Federal law that apply to Michigan public school districts and Custodial Services, including, but not limited to, the Michigan Revised School Code (MCL 380.1 et seq.).
- 1.8.11** Proposer must describe any other resources to be provided by your Firm, not listed above, which would result in a safe and efficient Custodial Services.
- 1.8.12** References – Proposers must provide K-12 public school references, including contact name, address, phone number and scope of services.
- 1.8.13** List all litigation or regulatory proceedings, for the past five years, within the State of Michigan, or if more than 85% of the Proposer's Custodial Services contracts are performed outside the State of Michigan, the State(s) where 85% or more of the Proposer's Custodial Services contracts are performed. These litigation and regulatory proceedings are to be limited to contract disputes and negligence actions for: (i) school districts in which the Proposer has been a party providing any type of custodial services; (ii) supplies, equipment or services of the type which are the subject of the proposed Contract; (iii) non-compliance of the Proposer's supplies, equipment and services or the Proposer's working conditions and employment practices with the Occupational Safety and Health Act and other applicable state and federal requirements; or (iv) any suits whereby an employee of the Proposer was found to have mistreated students in any manner. Therefore, it is contemplated under this RFP that workers' compensation and unemployment proceedings are not to be deemed part of this requirement.
- 1.8.14** Proposers must include with their Proposal an audited financial report for the three (3) most recent fiscal years.
- 1.8.15** Proposers must include a schedule indicating the wages and benefits to be offered to employees of Contractor.

1.8.16 Proposers must submit a letter setting forth its agreement to be bound with the terms and conditions of this RFP and the Contract.

1.8.17 Proposers must complete the Proposal Form provided herein.

1.8.18 Proposers must complete the Familial Disclosure Affidavit attached hereto as Attachment I and submit the same along with its Proposal.

1.9 Proof of Qualifications

The School District will ensure compliance with the above by checking references listed in the Proposals, and conducting on-site visitation as deemed necessary by the School District as well as other sources.

1.10 Employees

It must be understood that this RFP provides for the selection of a professional company/Firm to provide Custodial Services. However, as noted above, the School District will maintain a liaison to facilitate administration of the Contract and communication between the Contractor and the School District

Moreover, each Proposer shall understand that the School District's current custodians work under an organized labor union agreement. Selected portions of the labor agreement(s) as it pertains to the affected employees is attached as part of the School District's operational information included within Attachment C sections 4 and 5 to this RFP.

1.11 Company's Responsibility

All experienced and qualified Proposers are requested to submit a Proposal based on its experience and capabilities. The School District will select the Proposer(s), if any, deemed to serve the best interests of the School District to proceed with the negotiation process. The School District, in its sole discretion, reserves the right to request post-Proposal interviews from all, some or none of the Proposers.

1.12 Oral Interview

The School District may require qualified Proposers to participate in an oral interview and negotiation process to discuss their Proposal and to answer any questions the School District may have regarding the RFP and Proposer's Proposal. In that case, the School District will notify the Proposer's contact name as listed in its Proposal. In accordance with the RFP selection timeline, interviews will be scheduled during the week of April 20, 2009.

1.13 Evaluation of Proposals

Each Proposer submitting a Proposal should understand that the nature of the School District's Custodial Services is so complex that each and every facet of the operation may not be detailed in this RFP. The Proposer must document their expertise, experience, and approach based on their grasp of School District's requirements. The mandatory Pre-Proposal meeting will give the Proposer an opportunity to ask the necessary questions regarding this RFP and the Custodial Services. The Proposal must be complete, clear and concise. The following categories, not listed by rank, are the principal criteria by which Proposals will be evaluated:

- ◆ **Management Capability** as shown by detailed evidence of Proposer's expertise, experiences, and references.
- ◆ **Business Stability** checked through various sources as well as the Proposal.
- ◆ **Human Resources Management** as determined by references, and by checking other sources.
- ◆ **Cost** as indicated in the Proposal and through the negotiation process.
- ◆ **Miscellaneous:**
 1. Ability to meet all applicable federal and state wage and safety requirements
 2. Experience and past performance – Presented documentation of building cleaning experience including at least five (5) years of experience of cleaning of a minimum of 500,000 square feet of facilities per day
 3. Experience providing cleaning service in public and/or private school environments
 4. Experience helping public employers transition from in-house staff to privatized staff
 5. Project manager/account supervisor's qualifications and experience
 6. Project personnel - Adequacy of staff in size, availability, and experience to perform the proposed Custodial Services
 7. Proposer's attendance at Pre-Proposal Meeting and Facilities Walk-Through.
 8. Corporate support
 9. Cost control – Previous record of meeting budgets and the proposed plan for controlling costs on projects.
 10. Full and proper completion of the Proposal Forms
 11. Guarantees – Any cost savings guarantees provided for by the Proposal.
 12. Hazard Communication Program – Documentation of a Hazard Communication Program (HCP) that includes but is not limited to, the following:
 - Blood-borne Pathogen Training Program
 - Employee Training Program
 - Personal Protection Equipment
 - Right-to-Know (and Material Safety Data Sheets)

 13. Quality of the oral presentation to the applicable committee
 14. Quantity and nature of exceptions to the RFP and Contract Specifications
 15. Submission of required alternates, if any
 16. Training program – The education and training programs to be provided to staff.

17. Work history/performance as reported by references (names, addresses, and telephone numbers of principle parties)
18. Supplemental relevant information submitted by the Proposer
19. Any comments from the Proposer regarding information submitted as part of this RFP information.
20. Any other information the School District's proposal review team determines to be pertinent
21. First hand walk through evaluation of a current facility under contract with Proposer (the Proposers must provide School District with a list of sites that, at our choosing, we can visit and walk through for performance evaluation).

The School District will evaluate the Proposals, based on the above criteria as well as other methods. The School District will select the Proposer that it deems most qualified to serve the interests of the School District to proceed to the negotiation process.

1.14 Form of Contract

This RFP contemplates and is intended to provide Custodial Services under the form of Contract included in this RFP in **Attachment H**.

II. GENERAL PROVISIONS

2.1 Contract Duration and Characteristics

2.1.1 Term: This is a Request For Proposal only. Proposals will be treated as offers to enter into a Contract with the School District. The award of a Contract by the School District shall constitute a Contract, subject to the execution of a formal written Contract to the satisfaction of the School District, which Contract shall incorporate this RFP and the successful Proposer's Proposal. The final Contract shall be subject to the review and approval by the School Districts' legal counsel. Notwithstanding the above, the School District shall have the right to make all final determinations regarding the final form of Contract. The Custodial Services shall commence July 1, 2009.

2.1.2 Renewal Provisions: The School District intends to award a Contract to the successful Contractor as a result of this RFP for a term of three (3) years with each School District having the option to renew its Contract, on a yearly basis, for up to three (3) additional years, upon the successful annual review of Contractor's performance at the sole and absolute option of the Board of Education of the School District.

2.1.3 Cost Indexing: Compensation for the Custodial Services described in this RFP MUST be fixed for years one (1), two (2) and three (3) of the Contract. Moreover, the Contractor, by submitting its Proposal, agrees to convene bi-annually with representatives of the School District, for the purpose of evaluating the efficiency of the performance of the Contract, so that further efficiencies may be uncovered and implemented into the Contract. As part of this process, and by submitting their Proposal, the Contractor agrees to pass along any savings to the School District.

Any extensions shall be negotiated by the parties. Notwithstanding the foregoing, compensation for each renewal term of the Contract shall be adjusted by the percentage increase or decrease, if any, between the index number, as established by the Consumer Price Index, All Items, for the Detroit Metropolitan Area, published by the United States Department of Labor, Bureau of Labor Statistics. Any such increase, however, shall not exceed three percent (3%) in any subsequent year of the said Contract.

2.2 DISTRICT-CONTRACTOR COMMUNICATIONS

The Contractor shall designate a liaison to be available to communicate with the School District at all times.

2.3 DEFINITIONS OF THIS RFP AND SUBSEQUENT CONTRACT:

<u>"Contract"</u>	"Contract" means the negotiated contract resulting from the School District's acceptance of the Contractor's Proposal, to the satisfaction of the School district, which incorporates this RFP and the Contractor's Proposal.
--------------------------	---

<u>“Contractor”</u>	“Contractor” shall mean the Custodial Services Firm(s) awarded a Contract to provide Custodial Services for the School District in accordance with this RFP and the successful Proposer’s Proposal.
<u>“Custodial Services”</u>	All labor necessary to perform the cleaning services and/or minor maintenance services and/or specified grounds services (i.e., lawn care, grounds services and snow removal) to be provided in accordance with the requirements set forth in this RFP for the School District at all of its Facilities.
<u>“Proposal”</u>	“Proposal” means a response to the RFP submitted by a Proposer.
<u>“Proposer”</u>	“Proposer” means any Custodial Services Firm submitting a Proposal to the School District by the specified due date in accordance with this RFP.

2.4 General Conditions

2.4.1 Within fourteen (14) days after receiving formal notification that the successful Contractor was awarded the Contract, the Contractor shall furnish the following to the School District:

2.4.1.1 Performance Bond: A Performance Bond in the full amount of the first year’s total cost of the Contract, by a qualified surety **naming the School District as an Obligee**, to ensure faithful performance of all provisions of the Contract. The Surety Company shall be authorized to do business in the State of Michigan and must be approved by the School District. All sureties providing bonds on this project must be listed in the Department of Treasury’s Circular 570, entitled “Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies” with the bond amounts less principal, and by a surety that is licensed in the State of Michigan. The form AIA Document A312 (1984 Edition) must be used for this project. If, at any time, after acceptance of the Contractor’s bond, the surety fails to meet the criteria stated in this Section, the Contractor must, as a precondition to continuing Work and receiving further payments, replace the bonds with bonds from a surety that meets the stated criteria. New Performance Bonds must be submitted annually to the School District unless the School District, in writing to the Contractor, opts to waive this requirement in accordance with Section 2.4.1.3 below. However, in the event that the School District deems the Contractor a limited risk, the School District may, in its sole and uncontrolled discretion, agree to not require the Contractor to provide the Performance Bond required hereunder. In that event, the School District shall receive a credit in each year where such bond is not required in the amount of the cost of said Performance Bond. The Proposer shall indicate in their Proposal the annual credit which the District would be entitled if the District chooses, in its sole discretion, to waive the requirement of a Performance Bond. The decision to require the Performance Bond rests in the sole discretion of the School District.

2.4.1.2 Insurance Certificates: An Insurance Certificate evidencing all insurance coverage required by the General Conditions of this RFP.

2.4.1.3 Failure To Provide Bonds and Insurance: If the Contractor refuses or fails to submit the Performance Bond and/or Insurance Certificates within the 14-day period, the School District will consider the Contractor to have abandoned all rights and interests in the Contract award. Consequently, the Bid Bond may be declared forfeited to the School District as liquidated damages, and the work may be awarded to another Contractor who submitted a Proposal in response to this RFP.

2.4.2 Federal, State and Local Law Compliance, and School District Policies: The Contractor shall comply with any and all laws, rules, ordinances, policies and regulations, including any licensing and permitting requirements, applicable to providing the Custodial Services anticipated in this RFP including, but not limited to, pesticide applicator license, pool operator license, chauffeurs license, drivers licenses, etc. The Contractor, including its employees and agents, shall be responsible for knowing the School Districts' policies concerning appropriate behavior of persons in its Facilities and, on its properties, including for example, the prohibitions of sexual harassment and smoking, and shall comply with all such policies. The School District shall use its best efforts, as reasonably requested by the Contractor, to assist the Contractor to comply with any and all applicable federal, state or local laws, rules and regulations. The Contractor by providing its Proposal to the School District represents and warrants that it shall at all times be in compliance with any and all applicable federal and state laws, rules, ordinances, policies and regulations and licensing and permitting requirement applicable to providing the Custodial Services anticipated in this RFP. The Contractor shall in the performance of such Custodial Services pursuant to this RFP, its Proposal and the Contract, fully comply with any and all applicable federal, state, or local laws, rules and regulations, and shall indemnify, defend and hold the School District harmless from any liability from its failure to so comply.

2.4.3 Governing Law: The Contract shall be governed by and construed in accordance with the laws of the State of Michigan. The parties hereby agree to the exclusive jurisdiction and venue of courts sitting in Oakland County, Michigan.

2.4.4 Taxes: Contractor is responsible for sales taxes and any other applicable taxes related to the Custodial Services provided under the Contract.

2.4.5 Repairs to Property Damage: Damage to any School District Facilities or properties caused by the Contractor, its agents or employees shall be repaired so that Facilities or properties are in as good condition as before entering into the Contract. All repairs shall be accomplished at no cost to the School District.

2.4.6 OSHA Compliance: All services to be furnished by the Contractor and the Contractor's working conditions and employment practices shall comply with all applicable state and federal requirements, including, but not limited to, the Occupational Safety and Health Act.

2.4.7 Insurance Requirements: The Contractor shall maintain the following insurance in force at all times during the term of the Contract, with an "A" rated Best insurance carrier acceptable to the School District. Each School District shall be named as additional insured for the minimum limits listed below.

<u>Policy</u>	<u>Minimum Limits</u>
(a) Workers' Compensation	Statutory
(b) Comprehensive General Liability	
(1) Bodily Injury Liability	\$1,000,000 each person \$1,000,000 each occurrence \$2,000,000 aggregate
(2) Property Damage Liability	\$1,000,000 each occurrence
(c) Comprehensive Automobile Liability	
(1) Bodily Injury Liability	\$1,000,000 each person \$1,000,000 each occurrence
(2) Property Damage Liability	\$1,000,000 each occurrence
(d) Excess Umbrella Liability	
Combined Single	\$10,000,000 each occurrence
Limit Bodily Injury and/or Property Damage	\$10,000,000 aggregate
(e) Employer's Liability	\$500,000 each occurrence

Note: Comprehensive Liability to include, but not limited to:

- i) Contractual obligations.

The insurance carrier must notify the School District and the Contractor thirty 30 days prior to the expiration, termination or material change of such insurance coverage.

These coverages and limits are to be considered minimum requirements under the Contract and shall in no way limit the liability or obligations of the Contractor under the Contract.

The successful Contractor shall not commence operations under the Contract until the Contractor has obtained all insurances stated in these requirements, all insurances have been reviewed and approved by the School District and the Certificates of Insurance have been provided to the School District.

2.4.8 Indemnification:

2.4.8.1 Contractor shall indemnify, defend and hold harmless the School District, its Board and its Board Members in their official and individual capacities, its employees and agents, from and against all claims, counter-claims, suits, debts, demands, actions, judgments, liens, liabilities, costs, expenses, damages, and actual attorney fees and actual expert witness fees arising out of or in connection with Contractor's performance of its services pursuant to the Contract and/or from Contractor's violation of any of the terms of the Contract, including, but not limited to: (i) the negligent acts or willful misconduct of the Contractor, its officers, directors, employees, agents and subcontractors; (ii) any breach of the terms of this Agreement by the Contractor; (iii) any violation of applicable state and/or federal law, rule, ordinance, policy or regulations and/or licensing and permitting requirement applicable to providing the Custodial Services; or (iv) any breach of any representation or warranty by the Contractor under the Contract. The Contractor shall notify the School District by certified mail, return receipt requested, immediately upon knowledge of any claim, suit, action, or proceeding for which it may be entitled to indemnification under the Contract.

2.4.8.2 Throughout the Initial Term, or any Renewal Term of the Contract, Contractor shall not permit itself or any third party to use, generate, handle, store or dispose of any Hazardous Substances in, on, under, upon or affecting any School District Facility in violation of any applicable law or regulation. Without limiting any other provisions of the RFP specifications or the Contract, Contractor shall indemnify, defend and hold harmless the School District from and against all liabilities, claims, losses, costs and expenses (specifically including, without limitation, attorneys', engineers', consultants' and experts' fees, costs and expenses) arising from (i) any breach of any representation or warranty made in this paragraph and/or (ii) environmental conditions or noncompliance with any applicable law or regulation that result, in the case of Contractor, from operations or Custodial Services in or about any School District Facility or property by Contractor or its agents or employees. As used herein, the term "Hazardous Substances" shall mean (i) any hazardous or regulated substance as defined by all federal, state and local environmental laws, including, but not limited to, Federal Water Pollution Control Act (33 U.S.C. §§ 1251 et seq.) ("Clean Water Act"), the Resource Conservation & Recovery Act (42 U.S.C. §§ 6901 et seq.) ("RCRA"), Safe Drinking Water Act (42 U.S.C. §§ 300f-j-26), Toxic

Substances Control Act (15 U.S.C. §§ 2601 et seq.), Clean Air Act (42 U.S.C. §§ 7401 et seq.), the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. §§ 9601 et seq.) ("CERCLA"), the Emergency Planning and Community Right to Know Act, 42 U.S.C. §§ 11001 et seq. ("EPCRA"), the Michigan Natural Resources and Environmental Protection Act (MCL § 324.101 et seq.) the administrative rules and regulations promulgated under such statutes, or any other similar federal, state or local law or administrative rule or regulation of similar effect, each as amended and as in effect and as adopted as of the date of execution of this Lease, (ii) any other pollutant, contaminant, hazardous substance, solid waste, hazardous material, radioactive substance, toxic substance, noxious substance, hazardous waste, particulate matter, airborne or otherwise, chemical waste, medical waste, crude oil or any fraction thereof, radioactive waste, petroleum or petroleum-derived substance or waste, asbestos, PCBs, radon gas, all forms of natural gas, or any hazardous or toxic constituent of any of the foregoing, whether such substance is in liquid, solid or gaseous form, or (iii) any such substance the release, discharge or spill of which requires activity to achieve compliance with applicable law. This paragraph shall survive the expiration or earlier termination of the Contract.

2.4.9 Contract Assignment or Sub-Contract: The Contract shall not be assigned, transferred, or sublet, in whole or in part, by the Contractor without the prior written consent of the School District.

2.4.10 Independent Contractor: It is expressly agreed between Contractor and the School District that Contractor will act as an independent contractor in the performance of its duties under the Contract and under no circumstances shall any of the employees of one party be deemed the employees of the other for any purpose. Accordingly, Contractor shall meet all of its obligations and responsibilities for payment of all taxes including Federal, State and Local taxes arising out of Contractor's activities in accordance with the Contract, including by way of illustration but not limitation, Federal and State income tax, Social Security tax, Unemployment Insurance taxes, Workers' Compensation Insurance and any other taxes or business license fees as required. The Contract shall not be construed as authority for either party to act for the other party in any agency or other capacity or to make commitments of any kind for the account of, or on behalf of, the other party, except to the extent, and for the purposes, expressly provided for and set forth herein, and no partnership or joint venture is created hereby.

2.4.11 Relationship Between Parties: Contractor is retained and engaged by the School District only for the purposes and to the extent set forth herein. Contractor shall not be considered an employee of the School District, nor is Contractor entitled to participate in any plans, arrangements, or distributions by the School District pertaining to or in connection with any fringe, pension, bonus, profit sharing, or similar benefits, or any medical, dental, life or disability insurance plans. Further, the School District will not withhold or pay any State, Federal or Local taxes, FICA, FUTA, MESC Insurance or Workers' Compensation Insurance and Contractor will indemnify, defend and hold the School District harmless for the payment

of such sums, interest, penalties, or cost of collection of same, including reasonable attorney fees. Nothing in the Contract shall be construed to interfere with or otherwise affect the rendering of services by Contractor in accordance with its independent and professional judgment. The Contract shall be subject to Contractor's performance of its services substantially in accordance with generally accepted practices and principals. No tenure or other rights/benefits typically arising out of an employee-employer relationship shall arise out of the Contract on behalf of Contractor.

2.4.12 Force Majeure

In the event Contractor is unable to provide Custodial Services herein specified because of any act of God, civil disturbance, fire, flood, riot, war, picketing, strike, lockout, labor dispute, oil or fuel shortage or embargo, governmental action or any condition or cause beyond the Contractor's control, the District shall excuse the Contractor from performance under this Contract.

The District shall have the right to take over the Custodial Services if the Contractor is prevented from operating for the reasons described above, and may provide such Custodial Services with school employees or other persons, as the District may deem appropriate until Contractor is able to resume its regular operations and the School District shall receive a credit from Contractor for the days the Contractor failed to provide such Custodial Services on a pro-rata basis.

Notwithstanding the foregoing, in the event of a strike, the Contractor shall procure replacement personnel necessary to perform the Custodial Services. If the Contractor does not procure such replacement personnel, the District may procure the same and deduct the associated costs and expenses from the amounts owed to the Contractor, or terminate this Contract.

A change in market conditions does not constitute force majeure.

2.5 NONDISCRIMINATION

2.5.1 Nondiscrimination in Employment

The Contractor shall comply with Equal Employment Opportunity and Affirmative Action requirements as stipulated in Executive Order 11246 and Executive Order 11375 and all subsequent amendments thereto and superseding orders.

2.6 TERMINATION

2.6.1 Termination For Cause:

In the event the Contractor fails, at any time, to comply with, fully perform and strictly adhere to any covenant, condition or representation contained in the Contract, all requirements contained in the RFP and the Contractor's Proposal,

whether it be performed by the Contractor, its agents or employee, the School District shall have the right to give written notice to Contractor of such failure. If such failure, is not cured to the School District's satisfaction within ten (10) business days from the time of receipt of such notice the School District shall have the right to terminate immediately without the requirement of a further written notice. If the Contract is terminated in accordance with any of the provisions contained herein, all rights of the Contractor under the Contract shall cease.

2.6.2 Termination for Convenience:

Notwithstanding Section 2.6.1, the Contract may be terminated by the School District without cause upon six (6) months advance written notice to Contractor. If the Contract is terminated in accordance with any of the provisions contained herein, all rights of the Contractor under the Contract shall cease.

IV. CONTRACTOR'S OBLIGATIONS

4.1 Proposer's Requirements

- 4.1.1 The Proposer's Firm must have been in business for at least the past five years.
- 4.1.2 The Proposer must demonstrate the ability to secure the necessary quantity(s) and quality of manpower to perform the Custodial Services within the timeline provided for herein.
- 4.1.3 The Proposer must demonstrate the necessary organizational abilities needed to successfully implement the transition from our current service to the new Custodial Services operation within the proposed time line provided for herein.
- 4.1.4 The Proposer must currently clean at least 500,000 square feet daily and provide satisfactory evidence that it can perform the Custodial Services specified in this RFP.
- 4.1.5 The Proposer must have the human and financial resources necessary to perform the Custodial Services.

4.2 School Safety Initiative Legislation.

The Contractor and all of its employees and agents providing Custodial Services for the School District shall meet the requirements of the School Safety Initiative Legislation, being MCL 380.1230, 380.1230a, 380.1230c, 380.1230d and 380.1230g. The Contractor acknowledges and agrees that unless the School District notifies the Contractor that it is not subject to the provisions of Michigan Public Act 84 of 2006, as amended, the Contractor will have any and all of its agents, employees or representatives who will be on any School District Facility or property to carry out the Custodial Services contemplated by the RFP specifications and the Contract, fingerprinted and subjected to criminal history and background checks through the Michigan State Police and Federal Bureau of Investigation, as detailed in Public Act 84 of 2006, as amended, prior to commencing any work under the Contract by presenting themselves, or any of its agents, employees or representatives, for proper fingerprinting and criminal backgrounds checks, as directed by the School District, or provide written notification to the School District that Contractor or its employee(s) has previously completed fingerprinting and a criminal history and background check in connection with contracting or working for another Michigan school district, intermediate school district, public school academy or nonpublic school (each an "Agency") and consents to the sharing or transferring of the appropriate fingerprinting and criminal history background report from the other Agency. If Contractor wishes to receive a copy of any report, it shall have the employee provide written consent to the School District acknowledging its consent to provide Contractor with a copy of the report at the time fingerprinting and background checks are initiated. Additionally, unless notified it is not subject to Michigan Public Act 84 of 2006, as amended, the Contractor represents and warrants to the School District that it will at all times during the Initial Term or any Renewal Term of the Contract be in compliance with the provisions of Michigan Public Act 84 of 2006, as amended, including, but not limited to, reporting to the School District within 3 business days of when any of its agents, employees or representatives who will be on the School District's Facilities or property to carry out the Custodial Services contemplated by the RFP specifications and the Contract, is/are charged with a crime listed in Section 1535a(1) or 1539b(1) of the Revised School Code, being MCL 380.1535a(1) and 380.1539b(1), or a substantially similar law, and to immediately report to the School District if that person is subsequently convicted, plead guilty or plead no contest to that crime. The Contractor shall indemnify, defend and hold the School District, its employees, Board of Education, and each member thereof, agents and consultants,

harmless from and against any and all claims, counter-claims, suits, debts, demands, actions, judgments, liens, liabilities, costs, expenses, including actual attorneys fees and actual expert witness fees, arising out of or in connection with any violation of, or the Contractor's failure to comply with, the requirements of Michigan Public Act 84 of 2006, as amended, or this paragraph. The Contractor shall be responsible for all costs and expenses associated with the above-required fingerprinting and background checks. The Contractor shall supply all necessary data and information, as requested by the School District, to enable the School District to properly submit Contractor and its employees and agents for inclusion in the State of Michigan Department of Education's list of "registered educational personnel."

4.3 Familial Disclosure.

All Proposals must be accompanied by a sworn and notarized affidavit disclosing any familial relationship that exists between the owner and/or any employee of the Proposer and any member of the School District's Board of Education or the superintendent of the School District. Any Proposal not accompanied by said sworn and notarized affidavit will not be considered or accepted by the School District. The Affidavit of Bidder Familial Relationship Form is attached to this RFP as **Attachment I.**

4.4 Debarment

Submission of a signed Proposal in response to this RFP is certification that your Firm (or any subcontractor) is not currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any State or Federal department or agency. Submission is also agreement that the School District will be notified of any change in this status.

V. CONTRACT SPECIFICATIONS.

5.1 Absenteeism

Employee absenteeism can significantly and adversely affect the quality of services received by the School District. The Contractor must maintain a pool of trained and qualified substitutes with the required background checks, available at short notice, to ensure that the School District is adequately staffed in the event of illness or injury.

The Contractor is required to inform the building principal and the District's designee when there will be a change of employees for absence purposes. If the absence is expected to last more than three consecutive work days, the Contractor is also required to inform the School District's designee.

If the Contractor's supervisor/project manager is unavailable under the Contract for any substantial period of time (i.e., more than three consecutive work days), the Contractor shall immediately inform the School District's designee of the absence, the reason for the absence, and how the Contractor will ensure completion of the supervisor's/project manager's work.

The School District reserves the right to audit payroll records and/or time cards of the Contractor and its employees.

5.2 Employee Compensation

Contractors shall provide hourly pay rates (or pay rate ranges) and a list of benefits offered to all employees that would be placed to work in the School District.

5.3 Employee Expectations

All of Contractor's employees are to present themselves in an appropriate manner and attire consistent with the School District's Board policies and the School District's administrative guidelines. The School District reserves the right to seek removal of any employee of the Contractor whose moral conduct, behavior, health habits or appearance are unsatisfactory. Such employee will be removed as soon as possible upon being brought to the Contractor's attention. The School District's decision shall be final. The School District agrees not to use this right arbitrarily or capriciously.

All of the Contractor's employees assigned to the School District must meet the following requirements:

They must be...

- Able to read, write, and speak English fluently, and to use courteous language.
- Able to inspect, see, and report maintenance needs to the Contractor's supervisor/project manager and/or to the District's designee.
- Able to interact positively and appropriately with students, school employees, and the public. This shall especially apply to the head custodians.
- Able to productively work with minimal supervision.
- Able to handle special duties or situations as they arise.
- Competent persons who are well trained in the area of work assigned.
- Cooperative with School District staff and with other Contractors' employees.
- Alcohol and drug free when arriving for and while on duty. Contractor's employees are prohibited from the manufacturing of, being in possession of; using, distributing, or dispensing of any controlled substance, including alcohol, while on School District property.
- Punctual.
- Well groomed and in uniform.

Contractor shall maintain attendance records which indicate "log" in at the beginning of their shift and "log" out at the end of their shift each day in a designated location. This requirement is to enable School District staff to determine which of the Contractor's staff is in each Facility at any given time. This requirement shall not apply to the supervisor/project manager who is performing inspections and/or moving from building to building.

At no time shall the Contractor's personnel do any of the following:

- Allow custodial closets to stand open and unattended
- Congregate or have food/drink in unauthorized areas
- Copy, distribute or loan any key to School District Facilities
- Disturb papers on desks, open drawers or cabinets, use or tamper with personal property owned by the School District or its employees
- Leave custodial products and/or equipment unattended
- Leave custodial carts unattended in corridors for more than a few minutes (for safety, security, and aesthetic reasons)
- Leave lights on or doors open in unattended sections

- Play radios, or other similar devices, at a volume that is audible in other areas of the building
- Use any School District equipment (i.e.: telephones, computers, copiers, TV's, VCR's) that is not required to perform duties as detailed in this RFP or Contract
- Smoke or use any tobacco products on School District property
- Use or remove any School District owned equipment or supplies outside of Troy School District owned Facilities
- Transport any School District owned equipment or supplies to another School District owned Facility without prior express permission from District's designee

No visitors, spouses or children of the Contractor's employees will be allowed at the work site during working hours unless they are bona fide employees of the Contractor or they receive prior approval from the School District's designee.

5.4 Employee Personnel Files

The Contractor awarded the Contract will be required to provide the School District's Human Resources Department with a copy of the employees' files for all of the Contractor's regular employees assigned to the School District. This requirement is primarily intended to ensure that all required employee background checks have been completed, and to provide results of training and drug testing.

Some examples of required documents are as follows:

- Application
- Drug screening results
- I-9 form along with a copy of the employee's driver's license and Social Security Card
- Results of FBI and state police record checks
- Proof of initial and follow-up training

As is the case with the School Districts' own employee personnel files, this information will be held in the strictest confidence.

5.5 Employee Selection

All of Contractor's employees will be required to have a criminal background check prior to working on at any Facility of the School District. The School District's designee will be the final authority as to whether such employee may provide services to the School District based upon the results of such background check. The School District reserves the right to interview all custodial candidates before placement in our Facilities.

The Contractor shall, at a minimum, perform the following pre-employment screening procedures before recommending the placement of all regular and substitute employees in School District Facilities:

- Employee background and reference checks
- Drug and Alcohol testing as approved by the School District
- FBI and State Police record checks – Any felony convictions will disqualify personnel from placement in District.

All applicants being considered for employment must meet the criteria set forth by the United States Department of Immigration and Naturalization.

5.6 Employee Placement

The Contractor shall supply the School District a list of all employees assigned to each Facility and their assigned areas of responsibility and this list shall be updated as employees are hired or terminated.

The Contractor must inform the School District designee and the building principal at least 48 hours before new employees are placed in any school/Facility in the School District. Notification to the School District's designee shall include the name, current address and former employer information of the proposed employee. The School District reserves the right to perform independent background checks on all of the Contractor's employees consistent with applicable laws.

5.7 Sexual Harassment

The School District is committed to providing a positive environment for all students and staff. Sexual harassment, whether intentional or not, undermines the quality of this educational and working climate. The School District has a legal and ethical responsibility to ensure that all students and staff can learn and work in an environment free of sexual harassment.

Consistent with state and federal laws, this right to freedom from sexual harassment has been defined in School District policy by the Board of Education. Failure to comply with this policy could result in termination of the Contract without advanced notice. Further information regarding this policy is available.

5.8 Smoking

The School District prohibits the use of tobacco in school buildings or on school grounds. This prohibition applies to all contractors and workers on school grounds and to all forms of tobacco products. The Contractor shall be responsible for the implementation and enforcement of this requirement.

5.9 Staffing Requirements

5.9.1 General Information

The Contractor shall provide an adequate staff of experienced personnel, capable of and devoted to the successful accomplishment of the Custodial Services to be performed under the Contract. The Contractor shall perform the services set forth in the Contract at time periods as approved by the School District's designee. Safety of students and staff and unimpeded delivery of the instructional programs will determine the authorized work periods.

5.9.2 Staffing Levels

A detailed work schedule of the School District's current custodial operation, by position, is included in **Attachment C section 2**. This personnel information is provided for the

purposes of detailing the School District's current operations. These are not requirements as to how the Contractor must staff its operations.

Regardless of the minimum specified hours, it is the Contractor's responsibility to maintain the standard of cleanliness specified in this RFP and the Contract by adhering to the guidelines attached to this RFP. It is the responsibility of the Contractor to provide sufficient personnel to ensure that the requirements are met and that each Facility is effectively cleaned and all other duties are performed on a daily basis.

Contractor shall provide employees possessing a Certified Pool Operator (CPO) license at all School District locations maintaining a swimming pool. A CPO shall be assigned to those Facilities during all hours for which the building is open and the pool is operating (including weekends). Contractor shall maintain a suitable number of properly trained and certified substitute employees to cover these locations in the event of absence of the regularly assigned person(s).

The Contractor shall employ only competent and satisfactory personnel and shall provide a sufficient number of employees to perform the required services efficiently and in a manner satisfactory to the School District.

Extra Curricular, Sports, and Facility Rental Activity Summary (not including weekends)
The Contractor will be responsible for furniture setup and take-down (when appropriate) for extracurricular activity needs, sporting events, or rental agreements that occur at School District Facilities. At the High Schools, Middle Schools and Elementary Schools, these events are numerous and may occur after student hours.

The Contractor shall consider all current School District personnel who are interested in employment with the Contractor, but the Contractor shall be free to hire those individuals which it deems to be best qualified, in its sole discretion.

5.9.3 Weekend Extra Curricular, Sports, and Facility Rental Activities

Scheduled use of the Facilities on the weekend may occur. This is relatively common for the high school Facilities. The Contractor will be responsible to open and prepare the Facilities for scheduled use on a Saturday or Sunday. These scheduled events may be related to School District rental agreements, sporting events or administrative and staff needs.

Periodic special events will require the Contractor to modify the cleaning schedule to accomplish set up and breakdown of those special events (parent teacher conferences, ice cream socials, a play in the auditorium, home basketball game, etc.). The Contractor may choose to schedule support clean up on the day after the event if the delaying of the clean up does not detract or interfere with the overall look or environment of the school facility.

5.9.4 After School and Weekend Activities

Services provided for activities that are billable beyond the regular base Contract must be approved in advance by the School District's designee. Itemized bills should include the date of the service, hours worked, the employees who worked and who approved the service. Such billing must be submitted under separate invoices but at the same time as the base Contract invoice for the month within which the service was provided.

The Contractor's employees are to be scheduled in such a way that:

1. In the elementary schools, any space, used for an after-school activity, shall be cleaned after the end of that activity, provided it ends by 9:00 p.m.
2. In the Middle School and the High School, any space, used for an after-school activity, shall be cleaned after the end of that activity, provided it ends by 10:00 p.m.
3. Spaces that are to be used for after-school activities are cleaned and set-up at the scheduled times, and efforts are made to ensure that the routine cleaning of the remainder of the building does not interfere with the scheduled activity.

The Contractor will make every effort to provide clean buildings for each school day to begin.

The Contractor will be responsible for upkeep of grass areas and weed beds directly adjacent to the buildings. This will include edge trimming, small bush & tree pruning, weed whipping, leaf & debris removal. Where equipment is assigned, Contractor staff will be responsible for the operation of powered lawn and related equipment. The School District will provide grounds services, including field mowing and parking lot plowing, separate from the services contemplated within this RFP.

The Contractor will sometimes be required to provide extra or special coverage on Saturdays and/or Sundays with very short notice. The hourly rate for this service will be requested on the Proposal Form. The Contractor may invoice the School District at the agreed upon rates for this extra work.

The School District would entertain creative staff schedules to include Saturday and Sunday hours at all locations in order to staff the events without the use of overtime.

5.9.5 Schedule Changes

The School District reserves the right to change any and all of the Custodial Services schedules with advance notice to the Contractor.

The Contractor shall notify the School District immediately of conditions, which will limit hours or decrease the daily work crews, such as illness or injury. In addition, the Contractor shall notify the School District's designee in advance of any condition or situation, which will affect the performance of the work under the Contract. In either case, the Contractor shall communicate how the affected work will be rescheduled.

5.9.6 Scheduled Breaks and Summer Cleaning

Scheduled breaks and summer cleaning shall be coordinated with the School District's designee. The schedule is to be developed with the goal of minimizing interference with any scheduled instructional activities or with contracted work being performed by others.

5.9.7 Two Schedules

The School District has two custodial work schedules, one for during-school periods, and one for break periods (i.e., winter break, mid-winter break, spring vacation, and summer vacation). **Attachment B** includes only the "during school" work schedules. During break periods, including the summer (mid-June to Labor Day weekend), the School District's designee and the Contractor shall jointly agree upon an appropriate schedule of cleaning and other duties. Refer to Attachment C section 2 for current regular work shifts and Attachment D section 6 for current summer work shifts. In any event, evening

activities particularly in the High Schools and Middle Schools will require staffing later than 6:00 p.m. at these schools during break periods.

5.10 Substitute Scheduling

The Contractor will recruit, background check, employ, train, pay, and supervise all substitute custodians for the Contract.

5.11 Supervisor/Project Manager

The Contractor shall consider providing competent and sufficient supervision as necessary to satisfy the specifications and requirements and of this Request For Proposal and Contract.

The Contractor shall provide the School District with a list of all supervisory personnel including the telephone numbers where each person may be reached at all times. In addition, the Contractor will provide the Contract supervisor/project manager assigned to the School District with a cell phone.

A resume for the supervisor/project manager must be provided as part of the Proposal. All key personnel assigned by the Contractor are subject to concurrence of the School District's designee.

Once assigned to work under the Contract, the Contractor shall not remove or replace the supervisor/project manager without written concurrence of the School District's designee.

The supervisor/project manager will be required to answer each call from the School District's designee within thirty (30) minutes of the time the call is placed. Failure to answer the call/page within thirty (30) minutes will be considered non-compliance and will be assessed a penalty as provided for in the "Deductions and Penalties" section of this RFP.

The supervisor(s)/project manager(s):

- must be able to fluently communicate in English,
- must be able to use a computer for minor tasks, be able to access and use the School District's computerized work order and facility scheduling system and use e-mail for communication
- can be a working supervisor,
- must be authorized by the Contractor to act as the Contractor's agent in all communications with the School District's designee,
- must have experience supervising cleaning and maintenance staff
- is to have full authority from the Contractor to schedule working hours, custodian's assignments, and cleaning procedures,
- shall cooperate fully with School District administrators, and
- shall be available for inspection of the Facilities at times other than during working hours when requested

If requested by the Contractor, the School District will provide office space for the Contract supervisor/project manager, at a location specified by the School District.

5.12 Training Requirements

The School District maintains that a formal training program with regularly scheduled sessions, individual tests for competency and training records is a necessary ingredient in the delivery of effective Custodial Services. The Contractor is to have, in-place, an on-going, effective and documented training program that consists of two parts, each of which provides all local, state and federally mandated training and contains, at a minimum:

5.12.1 Orientation program before placement in the School District:

Asbestos Hazard Emergency Response Act (AHERA)	Recycling Program Review
Infection Control	Ladder/lift Safety
Asbestos Floor Tile Care	Personal Grooming
Basic General Cleaning Procedures	Right-to-Know including Material
Blood-borne Pathogens	Safety Data Sheets (MSDS)
Carpet Care	Safety
Handbook Review	Sexual Harassment
Hard Floor Care	
Lock-out/Tag-out Procedures	
Methicillin-resistant <i>Staphylococcus aureus</i> (MSRA) Sanitizing	

The Contractor shall provide written documentation of Contractor employees who have attended such a program, including date and time, to the School District's designee within 30 days after the hire date of the employee.

5.12.2 Ongoing training program after placement in the School District:

The Contractor will provide at least sixteen (16) hours of job-related training per year to each employee. Recommended topics are as follows:

ADA	Infection Control
Asbestos Floor Tile Care	Job Preparation and Clean up
Auto Scrubbing	Ladder Safety
Basic Restroom Cleaning	Lifting Techniques
Blood-borne Pathogen	Lock-out/Tag-out Procedures
Carpet Extraction	Material Safety Data Sheets
Carpet Spot Removal	Office Cleaning
Carpet Vacuuming	Personal Grooming
Ceiling/Wall Washing	Restroom Cleaning
Chemical Safety	Right to Know
Cleaning Standards	Safety
Confined Spaces	Sexual Harassment
Daily Restroom Cleaning	Slips/Trips/Falls
Damp/Wet Mopping	Spray
Dust Mopping	Buffing
Equipment Checks	Spray Cleaning Hard Surfaces
Equipment Usage	Stripping/Refinishing of Floors
Ergonomics	Team Building
Fabric/Upholstery Cleaning	Transportation Safety (for driver)
Furniture Cleaning	Window Blind Cleaning
Handbook Review	Window Washing
Hazardous Substances (MSDS)	

The Contractor must show proof that it has provided blood-borne pathogen training and sexual harassment prevention training to its personnel as required by applicable codes and standards.

The Contractor will provide the School District's designee with training logs and, if requested, training verification.

5.13 Uniforms and Identification

The Contractor will provide, and all of the Contractor's employees are required to wear uniforms, approved by the School District on all work days. Logo's and names on uniform shirts will be required. Uniforms will be provided by the Contractor and must be worn by all regular and substitute employees while working in the School District's Facilities and on the School District's grounds. The uniforms must be kept neat and clean looking to provide a professional appearance at all times.

The uniforms must be as follows:

- Collared shirts are required for men and women. The shirts may be short sleeve or long sleeve. Shirt colors and styles should be the same for all employees.
- Pants are required, and should also be the same (or coordinating) color and style for all employees.
- Knee length shorts may be permitted ONLY during summer break period
- Tee-shirts are not considered acceptable by the School District

In addition to uniforms, all Contractor personnel are also required to wear a Contractor issued ID badge, approved by the School District. The ID badge is to be clearly visible, while performing work at the School District. ID badges are to be worn above the waist.

VI. CUSTODIAL SERVICES

6.1 Asbestos

Like many older schools, the School District's Facilities include some asbestos containing building materials. Some of the most common locations include old floor tile, old HVAC pipe wrap, some old ceiling tile, and some old glue holding chalkboards to classroom walls.

Each Facility has, and the School District's designee has, a copy of the School District's asbestos management plan for each school. These are available for public inspection.

All of the Contractor's employees assigned to the School District should familiarize themselves with the various sources of asbestos in the Facilities to which they are assigned. Some of the asbestos management restrictions are as follows:

- Do not remove or otherwise disturb asbestos wrapped pipes
- Do not grind or remove asbestos containing floor tile.
- Do not disturb asbestos containing ceiling tile.
- Do not remove chalkboards without the School District's designee's pre-approval, for some of these have asbestos glue.
- Do not disturb any other asbestos.

6.2 Billing/Payments

6.2.1 Billing

Custodial Services are to be billed in equal installments as agreed upon by both parties prior to signing of the Contract.

Invoices must itemize charges for labor, equipment, if any, and supplies, if any, for each Facility.

Invoices shall be submitted to: Troy School District, Accounts Payable, 4400 Livernois, Troy, Michigan, 48098

6.2.2 Payments

Payment will be made after Contractor's submittal of invoice. One check will be issued per month. Payment of undisputed amounts in each invoice shall be made within 30 days of receipt of the invoice. Disputes regarding amounts contained in any invoice will be communicated to the Contractor by the School District, in writing, within ten (10) business days of the receipt of the disputed invoice. Payments of disputed amounts will be delayed unless Contractor is able to resolve the matter to the School District's satisfaction within ten (10) business days prior to payment due date.

6.2.3 Additional Charges

Any work outside the scope of this Request For Proposal must be approved in advance by the School District's designee.

Invoices for additional work must include the date and times of the work, the name of the school, the type of the work performed, the number of hours worked, and the name of the authorized School District person who approved the work to be performed. They are to be sent directly to the established billing address along with the regular monthly billing for processing and are not to be included on the regular monthly invoice.

6.3 Facility Alarm Codes

The School District shall provide the Contractor with alarm codes for each Facility. A set of security codes for all Facilities shall be issued to the Contract supervisor/project manager. Alarm codes must not be traded between or shared among employees. Previously assigned alarm codes must not be forwarded by the Contractor to new employees. Notification to the School District shall be immediate with the reassignment or termination of any individual who has been assigned an alarm code.

6.4 Facility Opening and Closing

Exterior doors are to be unlocked and locked at the times specified by the School District's designee.

The Contractor is responsible for the security of the Facility during the cleaning operation. The Contractor shall secure the Facility at the end of each shift and set the alarm (secure all doors, turn off all but designated lights, turn off ceiling fans, and close all windows).

Office, classroom, and other doors are to be unlocked or opened only during the time that cleaning is actually being done and all are to be relocked as soon as the service has been

completed. For the safety of students and the public at large, storage and custodial closet doors are to be kept shut and locked when not in use.

If the Contractor fails to properly secure any Facility, a non-compliance penalty as provided in the "Deductions and Penalties" section of this RFP shall be applied and shall be deducted from the next month's payment.

6.5 Required Duties

Please refer to Attachment D to this RFP for required duties and protocols.

6.6 Communication

6.6.1 Work Orders

Contractor's employees will be required to access the School District's Express Maintenance work order system to send and receive maintenance type work orders which may require action by Contractor's employees.

6.6.2 Communication with Principals

To ensure customer satisfaction, the Contractor's employees will be required to maintain regular, open communication with the principals.

6.7 Contractor Protection Clause

Neither party hereto will negotiate with or hire personnel employed by the other, during the Term of the Contract, without written permission of the other party.

6.8 School District's Designee

The School District's "designee" referred to throughout this RFP shall refer to the Director of Operations or his/her designee. The School District's Superintendent is authorized to modify this designation at any time upon written notification to the Contractor.

6.9 Emergency Contacts

Communication is critical when maintaining multiple Facilities. The Contractor will be responsible to provide the School District's designee with an emergency contact person and telephone number for each set of Facility employees.

If the need arises for the School District's designee to contact one of the Contractor's employees at a large site, there must also be a system in place to accomplish this task. Therefore, the School District will require a cell phone system, a radio system, or other acceptable communication system to be in place to contact personnel at all School District Facilities.

6.10 Emergency Service

The Contractor agrees to respond to any emergency requests for water pick-ups and/or mop-ups made necessary by rain, plumbing failure, leaks, or accidents; 24 hours per day, 7 days per week, 365 days per year. Hourly pricing for this after-hours, emergency service will be requested on the Proposal Form.

Any additional services of this nature must be pre-approved by the School District's designated administrator on call. Any invoice for this type of service must include the school, date, area(s) affected, scope of work performed, hours expended by contract personnel, and name of person authorizing the work.

6.11 Energy Conservation

Every effort shall be made to conserve energy whenever possible throughout the cleaning schedule. Only areas in use shall have lights on and doors and windows shall remain closed whenever the heating or cooling systems are operating.

6.12 Government Regulations and School District Policies

The Contractor must have a complete working knowledge of, and must comply with, all of the following:

- Asbestos Hazard Emergency Response Act (AHERA) regulations
- All other applicable federal, state, and local laws, codes, and regulations
- All applicable School District Board policies and administrative guidelines

6.13 Hazardous Substances

The Contractor will ensure that any Hazardous Substances will be properly labeled and delivered or used in a way that does not violate state or federal laws.

6.14 Holidays

The School District is closed on, and the Contractor is not required to provide Custodial Services on the following holidays; however, work crews are to be scheduled in such a way as to ensure that all Facilities are clean and ready to open the next business day:

New Years Day
Good Friday
Memorial Day
Independence Day
Labor Day
Thanksgiving Day
Friday following Thanksgiving
Christmas Eve
Christmas Day
New Years Eve

The School District reserves the right to require some work on any and all of these holidays. If such work is requested by the School District's designee, the Contractor may bill the School District for this work at the hourly rate quoted on the Proposal Form.

6.15 Holiday Breaks

The Contractor will be required to provide Custodial Services in all School District Facilities during all break periods.

6.16 Keys

Keys to the Facilities will be supplied by the School District. All keys will be issued to, and must be signed out by, the Contractor's supervisor/project manager.

6.16.1 Initial Furnishing of Keys

The School District will provide the Contractor's supervisor/project manager with appropriate keys for all Facilities.

6.16.2 Copying of Keys

At no time shall copies be made of any keys issued. If additional copies are needed, the Contractor must obtain keys from the Director of Operations.

6.16.3 Key Replacement

There will be a \$50.00 charge for the replacement of any lost or stolen key and a \$25.00 charge to re-issue entrance keys to a new supervisor/project manager.

6.16.4 Key Inventory

The School District reserves the right to inventory the Contractor's keys at any time.

6.16.5 Lost Keys

All lost keys assigned to the Contractor or to any of the Contractor's employees, (whether interior or exterior keys), must be reported, via the School District's lost key report form, to the School District's designee within 24 hours of discovery of the loss.

6.16.6 Re-keying of Locks

If the School District deems it necessary to re-key any locks due to inadequate key control/management by the Contractor, the cost will be deducted from the monthly payment.

6.16.7 Security of Keys

The Contractor is prohibited from lending School District keys to anyone. The Contractor and its employees are also prohibited from leaving key rings in janitor closets or from lying on custodial carts, or otherwise out of their possession. Each instance of School District-observed noncompliance will result in non-compliance penalty of \$50.

6.16.8 Termination of Contract

All keys assigned to a Contractor's employee shall be returned to the School District's designee when his/her services in the assigned Facility end.

All keys shall be returned to the School District's designee at the termination of the Contract.

6.16.9 Trading of Keys

Keys shall not be traded between employees nor forwarded to new employees; instead, the keys must be returned to the School District to be re-issued.

6.17 Maintenance Work

Contractor, and particularly the head custodians, will be required to occasionally perform minor maintenance tasks as needed. These tasks can typically be performed with a hammer, screw-driver (manual and powered), small drill, pliers, or adjustable wrench. Refer to Attachment D for specific examples of these duties.

6.18 Manufacturers' Recommendations

The Contractor shall ensure that all applicable equipment manufacturers' recommendations on usage and maintenance are followed. Contractor shall also ensure compliance with manufacturers' recommendations for usage of all chemicals, materials and supplies.

6.19 Prices

The prices proposed by the Contractor on the Proposal Form shall include all charges for labor, insurance, taxes, overhead, profit, and other applicable costs. The prices in the Contractor's Proposal must be based on the RFP and Contract Specifications.

The School District may periodically request the Contractor to perform work that is not specified in this RFP or in the Contract. Any such work will be classified as extra work and will be billed according to the rate specified in the Proposal Form. Any additional work for which additional charges will be billed to the School District must be pre-approved in writing by the School District's designee.

6.19.1 Price Increases

The prices proposed by the Contractor shall remain firm for the first three (3) years of the Contract. If the Contract is extended beyond three (3) years, the Contractor agrees not to increase labor at a rate that is higher than the change in the Consumers Price Index – All Items for the Detroit Metropolitan Area Consumers published by the United States Department of Labor, Bureau of Labor Statistics (any such increase, however shall not exceed three (3%) percent in any subsequent year of the Contract):

The School District will not consider any price increases during the Term of the Contract (excluding extensions), unless one or more of the following occur:

- The School District requests a change in the scope of the project, the cost of which exceeds five percent (5%) of the total Contract price
- When the School District significantly increases the cleaning frequency requirements

If this occurs, the Contractor will have the option to negotiate the amount necessary to cover the increased payroll costs.

The Contractor shall notify the School District in writing at least sixty (60) calendar days before any price increase is to start.

6.19.2 Price Reductions

If the School District reduces the scope of the Custodial Services by more than 30,000 square feet School District-wide during the Contract Term, the Contract price shall be reduced proportionally. Additionally, the School District reserves the right to negotiate reductions in frequency and or scope to reduce costs if it deems necessary. Such reductions shall be agreed upon by both parties.

6.20 Quality Control/Inspections

The Contractor's supervisor/project manager, the School District's designee and other personnel as deemed appropriate by the School District's designee will perform periodic inspections of each Facility to: (1) ensure tasks are completed according to the Custodial Operational Guidelines (Attachment D), (2) ensure that the quality of Custodial Services is satisfactory, and (3) to ensure the Contractor's compliance with other terms of the Contract.

An inspection of all Facilities will be conducted prior to the start of each school year. An inspection may also be conducted in conjunction with the School District's insurance carrier during the course of the year. This requirement is not intended to limit the Contractor's responsibility to inspect or control his own work, nor does it limit the School District's right to inspect any Facility at any time.

Inspections are to be conducted with the School District's designee and other personnel as deemed appropriate by the School District's designee. The Contractor's supervisor(s)/project manager(s) will use the required inspection forms or pre-printed forms mutually agreed upon between the School District and the Contractor. Upon completion of each inspection, the Contractor will provide a copy of the inspection form to the School District administrator(s) present during the inspection before leaving the Facility.

Failure to complete any required inspections (and failure to re-schedule and complete the inspection within three business days) will result in the issuance of a non-inspection penalty as provided for in the "Deductions and Penalties" section of this RFP.

Additional inspections may be requested at the discretion of the School District's designee. Prior notification of inspections may or may not be furnished to the Contractor.

The School District's Superintendent, the School District's designee, and the principals may also periodically inspect the Facilities and may report any deficiencies and all unsatisfactory performance to the Contractor. The Contractor will be granted a reasonable time to correct the deficiencies. Where it is necessary, in the School District designee's opinion, to correct unsatisfactory performance to conduct school activities in a clean and safe environment, all costs incurred by the School District to correct the deficiencies will be deducted from the monthly payment to the Contractor.

6.21 Record Keeping Requirements

6.21.1 MIOSHA

Before bringing any new chemicals onsite, the Contractor must provide one copy of the Material Safety Data Sheets (MSDS) to the School District's designee.

The Contractor must maintain a complete and up-to-date inventory of MSDS for all chemicals used in each Facility. This inventory must be stored in two duplicate notebooks labeled "MSDS", one stored in the principal's office and one stored in the custodial office area. In addition, a master MSDS notebook with a section for each Facility in the School District must be provided to and kept current for the Operations Department office.

The MSDS notebook must also include Michigan's Right-To-Know procedures.

6.21.2 Procedures

The Contractor shall maintain, in each Facility, a Procedures Manual, indexed and containing the following sections, specific for that building that shall include, at a minimum:

1. Contractor's standard policies and procedures
2. Daily routines or schedules for custodians assigned to the Facility
3. Emergency and safety procedures
4. List of equipment maintained in the Facility
5. Maintenance and use manuals for all custodial equipment in each Facility
6. List of all custodians assigned to each Facility (for contact purposes)
7. Standard cleaning procedures

6.21.3 Other

The Contractor shall report, in writing, any damage that occurs as a result of one or more of the Contractor's employees.

The Contractor shall inform the applicable principal (or in his/her absence, the School District's designee) of any vandalism, evidence of attempts to force entry, and all other damages to any Facilities.

The Contractor's employees shall report, in writing, any items that require maintenance or repair that are discovered during the Term of the Contract.

6.22 Safety

The Contractor shall be responsible for compliance with all applicable federal and state laws, codes, and regulations, including but not limited to MIOSHA and the Right-to-Know.

The Contractor shall be responsible and liable for the safety, injury and health of its personnel while its employees are performing the Custodial Service for the School District.

6.23 School Calendar

To help your Firm respond to this RFP, a copy of the School District's most recent school calendars are attached hereto as Attachment B sections 1 and 2.

6.24 School Closings

Contractor is required to work on all “acts of God days”. In addition to minor snow removal around school entrances, they will be required to perform select other tasks listed on the Cleaning Frequency Requirements. On acts of God days, the School District may permit the afternoon shift custodians to begin work at 12:00 PM. instead of their afternoon start time, with the approval of the School District’s designee.

Custodians are also required to work on all other days that school is closed due to other calamities such as inclement weather, boiler failure, electrical outages, etc. On these days, they should expect to work their regular schedule unless otherwise directed by the School District’s designee.

6.25 Snow and Ice Management

The Contractor will be responsible for clearing snow and ice, and for distributing ice-melt around doorway entrances and on all sidewalks on all School District Facilities.

When snow continues to fall after the snow removal crew has plowed, Contractor may be required to clear sidewalks leading to the Facility entrances as needed to assure maximum safety for Facility users.

Where available, assigned Contractor’s employees will be responsible for operation of powered snow removal equipment.

6.26 Renovations

During times of any construction, the School District’s designee may re-assign the custodial work normally performed in these areas.

6.27 Custodial Equipment, Tools and Supplies

6.27.1 Custodial Equipment and Tools

The School District will allow the Contractor to utilize School District-owned custodial equipment and tools currently in service and identified by the School District in Attachment E section 3 to provide the Custodial Services contemplated herein. Title to School District-owned equipment and tools shall remain with the School District. The Contractor shall use School District-owned equipment and tools only to provide the Custodial Services for the School District, unless otherwise provided for by law. The School District shall, prior to the commencement of the Initial Term of the Contract, provide a re-inventory of District-owned custodial equipment and tools, similar to Attachment E, that will be made available for use by the Contractor for the Custodial Services. The School District and Contractor will work to develop a schedule/plan to retire/remove School District-owned equipment and tools from service. Any new equipment or tools which are necessary for the provision of the Custodial Services for

the School District shall be purchased by, and title shall remain with, the Contractor. The School District shall have approval rights on the specifications for all equipment and tools purchased. All costs associated with the new equipment and/or tools, including purchase and maintenance/repair, shall be borne by the Contractor. All equipment and tools, whether provided by the School District or purchased by the Contractor, used to service the School District shall be maintained and inspected in strict accordance with the recommendations of the manufacturer of the equipment or tool.

All equipment and tools must be used exclusively in/on District Facilities. Movement of equipment or tools between School District locations may only occur with prior approval of School District's designee. The Contractor will be required to replace any such equipment or tools due to loss or theft by Contractor employees or by misuse at Contractor's expense.

6.27.2 Supplies

The School District will be responsible for the procurement of all chemicals, custodial paper, trash liners, mops and other supplies used for the Custodial Services. Contractor personnel are to manage these items efficiently and professionally. All supplied items are for exclusive usage in/on School District Facilities. Contractor is required to document usage, by School District location, when requested by the School District's designee. Contractor's employees shall requisition necessary supplies in accordance with procedures established by the School District.

The School District will, as voluntary alternative to the base cost of this RFP, entertain Contractor's Proposal to provide all necessary chemicals, custodial paper, trash liners, mops and other supplies. Contractors wishing to propose this alternate must 1) provide fixed costs for the duration of the Initial Term of the Contract; 2) provide itemized unit costs for each item, and 3) must match exactly the specifications for all supplies as currently used by the School District.

VII. DEDUCTIONS AND PENALTIES

7.1 Deductions for Temporary School Closures

If one or more Facilities are closed for more than three consecutive days for "acts of God", Facility renovations, and/or a problem with a Facility, the School District's designee may request that Custodial Services be temporarily suspended in the applicable Facility(s). If this occurs, the School District's bill for that month will be reduced by 1/20th for each day of work that Custodial Services are cancelled in the applicable Facility. If any such service reductions can be reasonably anticipated by the School District, the School District's designee will provide as much lead time to the Contractor as possible.

7.2 Penalties

The following financial penalties shall be applied, and will be deducted from the next monthly invoice.

7.2.1 Building Alarm Code Replacements

There will be a \$50 charge for the replacement or sharing of building alarm codes.

7.2.2 Equipment

All specified equipment must remain on site at all times. Failure to provide the equipment listed in Attachment E section 3 on the premises will result in a non-compliance deduction of \$100 for each occurrence.

7.2.3 Excessive Staff Turnover

Head custodian positions shall not be re-assigned to other Contractor accounts without prior written consent from School District's designee. A \$500 penalty per instance for staff turnover in the head custodian positions per School District Facility within the life of the Contract will result if the replacement is not requested by the School District. This penalty will be waived during the first ninety (90) days of the initial Contract.

7.2.4 ID Badges/Uniforms

If a Contractor is observed at the work site without wearing the **Contractor** issued ID badge, the Contractor will be in non-compliance with the contract and a \$25 deduction may be made on the monthly invoice.

7.2.5 Fines for MIOSHA Violations

If the School District is assessed any fines for MIOSHA violations arising out of these Custodial Services and attributable to the Contractor, the Contractor shall reimburse the School District for these fines by commensurately reducing the charges on the monthly invoice.

7.2.6 Improper Chemical Use

If the Contractor uses chemicals or methods that damage the School District's property, the Contractor shall pay for the property's repair or replacement determined by the School District.

7.2.7 Improperly Securing Buildings

If the Contractor fails to properly secure any Facility, a non-compliance penalty of \$250 per incident shall be deducted for the next monthly payment. If the police or fire departments are dispatched, the Contractor will be responsible for the false alarm fee, which will be deducted from the next monthly payment. Additionally, the Contractor will be responsible for any damage or loss to School District Facilities or equipment arising from failure to properly secure the building.

7.2.8 Keys

Please refer to the "Keys" section of this RFP – Section 6.16 (specifically, the "Security of Keys" and "Replacement" subsections).

7.2.9 Non Response to Contact

Calls placed by the School District's designee to the Contractor's School District Liaison that are not answered or returned within thirty (30) minutes after the call is placed will be assessed a \$25 penalty per incident. In the event of an emergency, any subsequent damage incurred to School District Facilities as a result of the failure of Contractor to supply adequate personnel to control such damage will be reimbursable by the Contractor. The deduction will be made on the next month's invoice.

7.2.10 Non-approved Personnel

If a Contractor's employee is observed working in the School District and has not been authorized by the School District's designee to work in the School District, the Contractor will be in non-compliance with the Contract and a \$50 deduction will be made on the monthly invoice. The unauthorized employee will immediately vacate School District property.

7.2.11 Non-inspection

Failure to complete any required inspections, as specified in the "Quality Control/Inspections" Section 6.20 of this RFP and failure to re-schedule and complete the inspection within three business days will result in the issuance of non-inspection penalty of \$100 per instance.

7.2.12 Unfilled Employee Absences

Whenever any custodians are absent from part or all of their School District assignment and a substitute is not provided by the Contractor, the Contractor must deduct the following amounts from the next invoice.

For each unfilled day shift on school days – a \$300 penalty per instance. For all other unfilled shifts – a \$100 penalty per instance. These penalties are intended to reflect the Contractor's labor savings by not providing eight hours of labor and to provide an "assured staffing" incentive. Any portion of an eight hour shift not covered by a Contractor substitute will be assessed a prorated penalty based on \$300 per eight hour shift.

The School District's designee has the authority to waive up to \$500 of penalties per Contract year.

Custodial Employees Contract
Article 22. Custodial**

Section 1. Days, Weeks, and Hours of Work. Employees will be scheduled eight hours per day, five consecutive days per week, for fifty-two (52) weeks per year.

Section 2. Vacation. Employees may cash out a maximum of three unused vacation days at the end of the school year.

Vacation Time	Upon Completion of
2 Weeks	1 Year
3 Weeks	5 Years
4 Weeks	10 Years

Section 3. Absence from a Paid Workday. When an employee needs to be absent from a paid workday, he/she shall contact the Custodial Services Supervisor before the start of his/her shift.

Section 4. Uniforms. Employees shall be provided with three uniforms annually and shall wear said uniforms while working as an employee. Employees are responsible for laundering their own uniforms.

The elementary head custodian, middle school head custodian, pool operators, and administrative head custodians shall be provided with a hooded winter jacket and bib overalls to wear during winter weather. The coat and overalls shall remain at the school and shall not be taken home. The jacket and overalls will be replaced once every four years.

High school parking lot guards will also be provided with a clothing accessory (such as a vest) to identify them as parking lot guards.

Section 5. School Closing. On days when schools are closed for students, for weather, safety or other reasons, all employees shall be required to report for work and perform whatever duties that may reasonably be assigned, including snow removal. Afternoon shift employees and midnight shift employees shall call the Custodial Services Supervisor for direction as to when to report for duty. If weather conditions make it extremely difficult for the employee to report on time, the employee shall nonetheless report as soon as possible and work the regular number of hours, i.e., if a full-time custodian is scheduled to report at 6:30 A.M. and does not arrive until 8:30 A.M., the employee shall work from 8:30 A.M. to 5:00 P.M.

Section 6. Inservice. Employees hired on or before July 1, 1998, who participate in Employer-approved in-service training shall receive \$5.00 per month for each 100 hours of training received, up to a maximum of 400 hours, i.e., \$20.00 per month.

Section 7. Clean-up Period. Employees shall be granted a five-minute personal clean-up period prior to the start of the lunch period and prior to the end of the workday.

Section 8. Shift Differential. All custodial employees in all classifications will receive a fifteen-cent (\$0.15) per hour differential for all work performed when a shift starts after Noon. For shifts commencing after 10:00 P.M., employees shall be eligible for a twenty-cent (\$0.20) per hour differential in addition to their base hourly straight time set forth in the Appendix.

Section 9. Trial Period for Transfers. A custodian awarded a transfer shall have a 15-working day trial period when school is in session or a 30-working day trial period when school is not in session. If a trial period is composed of days school is in session and not in session, the trial period shall be a maximum of 30-working days.

Verification of Eligibility (800) 221-4254

Call this number to verify eligibility for Plan benefits **before** the charge is incurred.

MEDICAL BENEFITS

All benefits described in this Schedule are subject to the exclusions and limitations described more fully herein including, but not limited to, the Plan Administrator's determination that: care and treatment is Medically Necessary; that charges are Usual and Reasonable; that services, supplies and care are not Experimental and/or Investigational. The meanings of these capitalized terms are in the Defined Terms section of this document.

Note: The following services must be precertified or reimbursement from the Plan may be reduced.

The attending Physician does not have to obtain precertification from the Plan for prescribing a maternity length of stay that is 48 hours or less for a vaginal delivery or 96 hours or less for a cesarean delivery.

Hospitalizations

Please see the Cost Management section in this booklet for details.

Please read the sections Alternate Treatment and Predetermination of Benefits in the Dental Plan. You will need to follow these sections or reimbursement from the Plan may be reduced.

The Plan is a plan which contains a Network Provider Organization.

PPO name:	PPOM
Address:	P.O. Box 2720 Farmington Hills, Michigan 48333
Telephone:	(248) 357-7766
Fax:	(248) 357-2418
E-mail:	www.ppom.com

This Plan has entered into an agreement with certain Hospitals, Physicians and other health care providers, which are called Network Providers. Because these Network Providers have agreed to charge reduced fees to persons covered under the Plan, the Plan can afford to reimburse a higher percentage of their fees.

Therefore, when a Covered Person uses a Network Provider, that Covered Person will receive a higher payment from the Plan than when a Non-network Provider is used. It is the Covered Person's choice as to which Provider to use.

Additional information about this option, as well as a list of Network Providers, will be given to Plan Participants, at no cost, and updated as needed.

Deductibles/Copayments payable by Plan Participants

Deductibles/Copayments are dollar amounts that the Covered Person must pay before the Plan pays.

A deductible is an amount of money that is paid once a Calendar Year per Covered Person. Typically, there is one deductible amount per Plan and it must be paid before any money is paid by the Plan for any covered services. Each January 1st, a new deductible amount is required. However, covered expenses incurred in, and applied toward the deductible in October, November and December will be applied to the deductible in the next Calendar Year as well as the current Calendar Year. Deductibles do not accrue toward the 100% maximum out-of-pocket payment.

A copayment is a smaller amount of money that is paid each time a particular service is used. Typically, there may be copayments on some services and other services will not have any copayments. Copayments do not accrue toward the 100% maximum out-of-pocket payment.

Required Duties

Operational Guidelines

Troy School District – Custodial Department

Updated 11/28/08

Absence Call-in Guidelines

All members of the department are required to call-in their absence to the Operational Coordinators (Mr. Wyse or Mr. Mlinac) If Mr. Wyse or Mr. Mlinac are not available the Director of Operations will act on their behalf. First shift personnel must call between **6:00am** and **6:15am**. First shift float crew members must call at **6:00am**. Second shift personnel must call between **12:00pm** (noon) and **1:00pm**. You are required to call the Maintenance & Operations office at 248 823-4050. Do not call the Director or Operation or the Coordinator's personal line for any reason, unless you have been instructed otherwise. Vacation Days and Floating Holidays are to be scheduled in advance on the proper document. Personal Business should be scheduled in advance when possible.

Work Schedule – Custodial Department

First Shift Float Crew: **6:15am to 2:45pm**

First Shift Personnel / Head Custodians: **6:30am to 3:00pm**

First Shift Split Personnel: **10:30am to 7:00am**

High School Assistant Head Custodians: **2:00pm to 10:30pm**

Middle / High School Second Shift Personnel: **2:30pm to 11:00pm**

Elementary Second Shift Personnel: **3:00pm to 11:30pm**

Before any changes to the normal work schedule will be allowed, all requests will need to reviewed and approved by the Director of Operations. The Head Custodians and Coordinators are the only personnel authorized to make the request, which must be in writing via e-mail (no telephone calls). The Director of Operations will expect the following information enclosed in the e-mail before any changes will be approved:

- Was the schedule change reviewed with the Principal or Assistant Principal and approved.
- Will the shift change affect the nighttime events, community groups and/or scheduled work that contracted services may be providing.
- Will the building be ready for the students and staff the next business day – Cleanliness / Safety Issues / Preventative Maintenance Service?
- What will your staff accomplish during the schedule change and how will this change be beneficial to the school and the district?

Note: The Troy School District is not obligated to change the work schedule based on past practice, breaks periods, no school days, etc. as outlined in Article 12 – Section 1 of the TESPBA bargaining agreement.

Material Requests

When requesting any materials and/or general supplies for the facility, the Head Custodian or Coordinator must follow the procedures listed below:

- Complete the proper documentation as required and obtain an authorized signature or approval via e-mail before placing any orders for Hardware, Paint, Building Materials and/or Custodial Equipment.
- Drop off or mail-in all receivers, invoices, shippers and request forms to the Maintenance & Operations department in a timely fashion.
- The Head Custodians and Coordinators are the only personnel authorized to place orders, pickup orders from supply houses or from the Custodial Warehouse stock. If a Head Custodian is on vacation or off on medical leave, the Assistant Head Custodian or the person acting in their behalf will be authorized.
- All materials obtained from the Custodial Warehouse stock or District Warehouse stock must be documented on the proper form. Make sure you check first before coming over to pick up materials.
- Orders filled from Custodial Warehouse stock must be picked up or will be delivered if time permits. Paper products and large trash bags from the District Warehouse will be delivered.
- Special Orders and small orders will be grouped and ordered twice a month. Large orders will be drop shipped to your facilities; small orders will be delivered to the Rankin facility. You will be notified when your order arrives.

Note: You are not to remove any stock or equipment from the Custodial Warehouse area unless authorized; many items left out are special orders from your co-workers. If you require something, follow the procedures.

Note: This department will operate within the Budget. If you are over stocking and/or misusing materials you will place yourself in an unfavorable position and will be dealt with. Your sites should not be used as warehouses.

Dress Code

Dress Code – All Custodial personnel are required to wear the proper Uniform while working, unless otherwise instructed by the Director of Operations. Clothing must be clean, proper fitting and safe to work in. No baggy jeans, stretch pants, etc are allowed at any time. Employees are responsible for laundering their own uniforms. Check with the school administrator about wearing hats inside the facility.

Note: Article 22 – Section 4.

Overtime

Overtime being charged to the **Operations Account** must be approved first by the Director of Operations or one of the Operation Coordinators. Emergency situations (power outages, flooding, security, manpower storage, etc) will not require approval, but will require a written report outlining the cause, solution, personnel involved and time spent. Type of charges that fall under the Maintenance and Operations department and how they should be handled:

- **Pre-scheduled Overtime** – Follow guidelines as outlined in **Article 14 (Overtime)** of TESP contract for custodial and maintenance personnel.
- **Emergency Situations** – If a substitute custodian is not available, overtime will be issued by the Operation Coordinators or Director of Operations. If no custodial crewmember at the facility is willing to work the emergency overtime, the Operational Coordinators will contact the Custodial Coordinators and Head Custodians (district wide) for a list of individuals who are on duty, capable and available to work the emergency overtime. No employee should be scheduled to work more than 12 hours straight at any given time.
- **Special events** – If an agreement is worked out between the Building Administration and the Director of Operations. The most cost effective method will be utilized as a standard practice when requesting addition support for special events held during the week. Note: If a substitute custodian is available, overtime will not be issued. If a substitute custodian is not available the crew assigned to the facility will have the first opportunity to work the overtime assignment. If no member of the crew is willing to work the overtime, the Operational Coordinators will contact the union (if time permits) for a list of individuals available to work at other sites to cover the overtime. Individuals selected to work the overtime must be qualified to handle the assignment as determined and agreed upon by management and the union. Overtime worked for events held during weekends, holidays and break periods are only to be filled by full time employees of the custodial and/or maintenance department.
- **Contracted services** – Construction, special installations, etc will be coordinated and approved through the Maintenance & Operations office.

Overtime authorized by the Principals, Athletics and Community Education should have a permit number and/or documentation to support the users claim. The custodial department will be responsible for ensuring the program is covered and the school is ready for the next business day. The following are the minimum required cleaning assignments that will be expected to be completed in the areas affected by the program:

- ✓ Rest room and Kitchen areas properly cleaned and stocked.
- ✓ Classrooms, corridors, office areas and conference rooms – trash removed, areas spot cleaned and organized.
- ✓ All areas are secured properly.

Communication Devices

The use of personal cell-phones, pagers and district phones (for personal business) during work hours is prohibited. You are not to place or take calls unless you are on an approved break period and have been authorized to use Troy School District communication devices. Personal cell-phone, pagers and other communication devices are to be left in your locker, vehicle, etc unless approved by District management. This policy will be enforced throughout the entire year.

Custodial General Duties & Cleaning Guidelines

Troy School District

Assignment Description: General Duties (Day Program)

Task	Guidelines	Frequency
Security	Security of the facility consists of only opening areas of the building the department is responsible for. Inspecting the facility for discrepancies and reporting your findings to your immediate supervisor, and correcting any safety issues that were identified during your rounds as you check and unlock your assigned areas. Security checks should be performed throughout the day and prior to your departure. Check with the building administration to determine what areas should remain open once the students arrive and secure all other areas immediately.	Daily
Inspection	The Head Custodians and Coordinators are responsible for the general cleanliness and upkeep of the entire facility. Ensuring that the mechanical systems (daily) are working properly and the cleaning program meets the basic guidelines outlined by management and the general needs of the customers and public visiting the facility are met. An inspection of the facility should be completed weekly. Communications with management and the building administration should take place on a weekly basis to help reduce potential problems that could occur.	Weekly
Event Setups	Event setups that require assistance from the custodial operations must be completed in a timely fashion. Programs that can't be setup or taken down by the Night Program must be performed by the Day Program. Make sure the equipment utilized during setups and/or teardowns is secured properly once the task is completed. Check the building schedule and/or on-line permit system daily to ensure events are covered in a timely manner. Make sure the building administration is aware of time delays and/or other activities that may hinder your ability to complete the task. Setup/cleanup for the lunch program is one of the key events that happen on a daily basis, this program has very little flex time available. Check with the building administration to verify all lunch schedules. Other events that normally take place i.e. band/orchestra setup, special events, market day, Care/Tot setups, staff meetings, etc need to be worked into your daily schedule. If there are conflicts, report them to the building administrators in a timely fashion.	Daily
Customer Service	Responsible for handling customer requests and complaints at the building. Receiving and distributing deliveries within the building only. Work Orders should be completed in a timely fashion. Make sure you document all work orders and/or requests performed daily. Note: The only time a member of the custodial staff will be authorized to leave the building is to assist Food Service due to a shortage, or if they receive approval from the Director of Operations or one of the Operation Coordinators. Make sure you check in with the main office before departing.	As Needed
Restroom Duties	Inspect and maintain the cleanliness of all Restrooms throughout the day, make sure dispensers are fully stocked. Make sure to clean and disinfect toilets, urinals, sinks, counters, stalls, etc if discrepancies are found. Remove graffiti immediately. If the restrooms or locker rooms are a part of the Day program work assignment; follow the guidelines listed under the section outlined for Restroom / Locker Room / Pool Area / Food Service Areas.	Daily
Service Areas	Responsible for maintaining the cleanliness (Sweeping / Mopping / Organizing) of all storage areas, mechanical rooms, custodial closets, storage units and the receiving area as part of the weekly routine. Make sure these areas are secured at all times. Do not leave equipment, chemicals, boxes, or trash unattended or within public reach or view.	Weekly

Assignment Description: General Duties (Day Program) Section II

Task	Guidelines	Frequency
Maintenance HVAC Requirements	Heating, ventilation, and air conditioning units should be inspected twice daily (minimum) to ensure proper operations. Preventative Maintenance (i.e. filters, greasing, belt replacement, fuses, etc) should be performed as needed. Follow all preventative maintenance program schedules issued by Maintenance & Operations. Inspect roof top units (coils and condenser), air intakes, cooling towers, etc for cottonwood, debris and/or any other material that could decrease the performance or cause the unit to fail. This schedule will vary from week to week or monthly, depending on the time of year and weather conditions. Report all discrepancies or repairs that you are not equipped to handle or that are beyond your expertise. Follow all reporting guidelines issued by the Director of Maintenance for service and/or parts. Gas meter readings are due every Monday morning or the first business day of the week to Roy Jansson – Energy Coordinator.	As Needed
Maintenance Plumbing Repairs	Responsible for general plumbing repairs. Toilet, sink, and drain clogs should first be handled by the custodial staff, unless specialized equipment is required. Replacement of gaskets, seals, o-rings, etc should be performed in-house. If a unit needs to be replaced, remounted, or completely rebuilt you need to contact the Maintenance Department for assistance. Follow all reporting guidelines issued by the Director of Maintenance for service and/or parts.	As Needed
Maintenance Electrical Repairs	Responsible for general electrical repairs; outlets, switches, and bulb replacements (HID, Fluorescent Lamps, Mercury, Incandescent, etc inside and outside of the facility. Repair and/or replace lighting fixtures clips, ballasts 120v to 277v , fuses, etc. You must have a clear understanding and knowledge of the tools and materials needed to complete the required tasks safely. Follow all safety precautions outlined in the Lock-Out / Tag-Out Compliance Manual. Make sure to report all discrepancies or repairs that you are not equipped to handle or that are beyond your expertise. Follow all reporting guidelines issued by the Director of Maintenance for service and/or parts. For lamps or replacement parts that are normally the responsibility of the custodial department, complete the proper documentation and send to the Operation Coordinators.	As Needed
Maintenance General Repairs	Responsible for general carpentry repairs. Mounting of bulletin boards, furniture and locker repairs and adjustments, assembly of new furniture, ceiling tile replacement, minor structural repairs, etc. Report all discrepancies or repairs that you are not equipped to handle or that are beyond your expertise. Follow all reporting guidelines issued by the Director of Maintenance for service and/or parts. For hardware supplies or replacement parts that are normally the responsibility of this department, complete the proper documentation and send to the M&O Office.	As Needed
Maintenance Grounds Requirements	Responsible for maintaining the grounds around the entire facility. Mowing and trimming must be performed weekly in areas not covered by the grounds department. Check the grounds for paper debris, glass, graffiti, and other discrepancies daily . Empty outside trash containers weekly or after events that generate large amounts of garbage. Grounds equipment repairs and preventative maintenance services will be handled by the grounds department. Repair requests must be documented on the <i>Express Work Order</i> system. For general supplies (2-Cycle oil, trimmer cord, etc) or replacement parts that are normally the responsibility of the custodial department, complete the proper documentation and send to the Director of Operations. You are responsible for getting gas for your grounds equipment from the assigned Gas Station. Print the facility's name and sign all gas receipts. Weeding of flowerbeds should be performed monthly as time permits . Weed control must be in compliance with IPM guidelines and performed throughout the spring, summer and fall. A visual inspection of the playground equipment should be performed on a weekly basis. Report all safety hazards immediately to the Director of Operations if you are unable to correct them. Complete the Playground Equipment Inspection form and mail it to the Maintenance & Operations department.	As Needed

Assignment Description: General Duties (Day Program) Section III

Task	Guidelines	Frequency
Maintenance Pest Management	Pest Management consists of prevention verses applying pesticides. Proper sanitation is the best practice for controlling pest populations. Events that introduce food or pops/juices into environment like classrooms and conference rooms must be cleaned up right away and not left overnight. If a problem arises the first step is to remove the debris or source (food in many cases), vacuum up the pests and clean all surfaces the insect has come in contact with. The second step is to document the problem in the IPM log book. The final step is to monitor the area and take corrective action if needed. If the problem is bees make sure you use only the products provided by the Maintenance & Operations department. Remove bees nests' around the facility, play structures and fencing once you see them being constructed. Checking for pest problems should be performed on a weekly basis. If the problem is out of control and can not be corrected in-house contact the Maintenance & Operations department. Elite Pest Management company will make monthly visits to your site, document all problems.	As Needed
Maintenance Equipment Upkeep / Repairs	Responsible for the general upkeep and minor repairs of vacuums, automatic scrubbers and riders, sweepers, power tools, custodial equipment, etc used on a daily basis. You are required to inspect each piece of equipment weekly (i.e. filters, hoses, squeegees, connectors, battery cells, etc) for defects, damage and/or if the units are operating correctly. Make sure electrical cords and plugs are not damaged or worn. Repairs beyond your ability must be documented on the " Equipment Service Request " form and fax or mailed to Maintenance & Operations. For equipment (i.e. wet/dry, burnishers, floor machines, carpet extractors, specialty machines, etc) that are not used on a daily basis you are required to inspect the equipment a minimum of two weeks prior to breaks to ensure the equipment is charged (if battery operated) and functioning within normal parameters. Once the tasks are completed all equipment must be cleaned and stored correctly. Report any discrepancies to the Maintenance & Operations.	As Needed
Maintenance Safety Equipment	Responsible for inspecting fire extinguishers, emergency lighting and exit signs. Make sure all equipment is in good working order. If a fire extinguisher is discharged or low on pressure contact Maintenance & Operations for a replacement and/or to have the extinguisher serviced. For buildings with sprinkler systems a visual inspection should be completed on a monthly basis; look for damaged, rusting and/or leaking heads. Check the sprinkler supply intake, valves and gauges to ensure system is operating correctly. Make sure you check the mechanical rooms, storage area and other areas that are not common spaces. Emergency lighting and exit signs that can not be repaired in-house complete an Express Work Order . Man-lifts, ladders and scaffolding should be inspected before utilizing. Facilities equipped with Generator are required to perform a monthly inspection. Follow procedures outlined in the operation manual for your make and model. Report all discrepancies to Maintenance & Operations.	Monthly
Maintenance Snow/Ice Removal	Responsible for snow/ice removal of sidewalks, pathways, entranceways and emergence exits. The Head Custodians, Custodial Coordinators, pool operators and all first shift custodians are responsible for reporting in two (2) hours prior (4:30am) to opening the facility at 6:30am for snow removal. If conditions only require treating areas for slip hazards or icy conditions the crew must report in one (1) hour prior to opening the facility. Do not discharge snow into parking lots, bus loops or drives if these areas have already been plowed and/or salted. Make sure snow blowers are inspected daily for proper fluid levels, guards are in-place, tire pressure, etc. Salt and snow removal equipment should be cleaned, fueled and properly stored prior to your shift ending. You are responsible for snow/ice removal throughout your entire shift, if weather conditions call for it. Make sure you focus on the entranceways, bus loops and walkways heavily traveled by students, staff and community.	As Needed

Assignment Description: General Duties (Day Program) Section IV

Task	Guidelines	Frequency																		
Maintenance Structural Requirements	<p>Responsible for inspecting the roof drains, surface and enclosures on a monthly basis. Once a month the Head Custodian or Coordinator is responsible for ensuring the drains are not blocked with debris, balls, leafs, etc. In the winter, inspect the roof to ensure the drains, downspouts and overflow ports are not dammed up with ice and debris. Make sure all drain guards are in place to ensure large debris and especially balls (i.e. tennis, baseballs, etc) are not blocking the flow of water.</p> <p>Responsible for checking exterior doors and emergency exits (window and doors) for proper operations. During the winter and extreme heat the doors could be difficult to open. Document and notify the Maintenance Department concerning all discrepancies.</p> <p>Visual inspection of the building should be performed monthly, which consist of looking for holes, cracks and gapping around window, doors, and roof-lines and in brick/block surfaces. Holes and cracks should be filled immediately to prevent pest infestation. If the infestation (primarily bees) is heavy, contact the Operation Coordinators to schedule Elite Pest Control to treat the area before correcting the problem. Cracks and gapping around window and doors should be filled immediately to prevent water infiltration. Report all discrepancies or repairs that you are not equipped to handle or that are beyond your expertise. Follow all reporting guidelines issued by the Director of Maintenance for service and/or parts (<i>Express Work Order</i>).</p>	Monthly

Assignment Description: Office Areas / Conference & Board Rooms / Classrooms

Day & Night Area Assignments – Section I

Task	Cleaning Guidelines	Frequency
Waste Removal	Empty all trash receptacle units and remove all boxes marked for disposal only. Do not discard boxes that are not marked as trash. If you are not sure, leave a note to verify. Replace liners in smaller receptacles as needed. Larger receptacle liners and liners which have food products disposed in them are to be replaced daily. One important step in preparing the area for servicing is to police the area and remove large debris or material that has been misplaced, when you are emptying the trash receptacle units.	Daily
Surface - Dusting	General dusting consists of areas that are not cluttered with paper, items that should not be moved, or items that will delay the cleaning process. When dusting, start with high surfaces first and work downward. If time permits, you should dust the computer equipment, televisions, and project screens first.	Weekly
Floor - Dry Mopping ↓	Dry mopping is to be performed as part of the daily routine. All traffic lanes and open areas should be serviced five days a week as part of the normal schedule, which will account for approximately 60% of the areas. In addition, a putty knife should be carried to remove gum and other debris from the floor surface.	Daily
Floor - Edge & Corner	To properly clean a hard surface floor, during a one-week period the entire floor (100% of the areas not obstructed) must be serviced. For edge and corner cleaning use an Angle Broom, Canister Vacuum, or Backpack Vacuum with the proper floor tool, if time permits.	Weekly
Floor - Wet Mopping	Wet Mopping normally consists of spot cleaning areas of the room that are soiled from spills or dirt that could not be removed by dry mopping. During your normal routine 100% of the unobstructed areas should be covered as part of the weekly operations. It is required that “ Wet Floor ” signs be posted to warn people of the slip hazards.	Daily
Floor - Vacuuming ↓	Vacuuming is to be performed as part of the daily routine. All traffic lanes and open areas should be serviced five days a week as part of the normal schedule, which will account for approximately 60% of the areas. In addition, you should carry Carpet Gum Remover to assist in the daily removal of all gum from carpet.	Daily
Floor - Edge & Corner	To properly clean a carpeted floor, during a one-week period the entire floor (100% of the areas not obstructed) must be serviced. For edge and corner cleaning, use a Canister or Backpack Vacuum with the proper floor tools. Spot / Stain removal should be completed during this process. Complete this task by vacuuming the entire area.	Weekly
Surface - Glass	General glass cleaning consists of spot cleaning glass surfaces, doors, surrounding glass, show cabinets, glass desktops, tabletops, etc. This process should be part of the daily cleaning program if time permits. This process is not part of the window-cleaning program, which requires a great deal of time and effort. It is only designed to remove the obvious handprints and smudges on larger windowpanes and other glass surfaces. Smaller areas like entrance doors and surrounding panes should be cleaned from top to bottom on a monthly basis.	As Needed
Surface - Spot Cleaning	General spot cleaning consists of cleaning around entranceways, light switches, doors, doorframes, and waste container units. Counters and sinks must be cleaned daily. Areas visited by the public on a regular basis should be spot cleaned daily (i.e. Main Office or Conference Rooms). When cleaning the kitchen counters, tables, and other surfaces use a Neutral Cleaner or Cleaner-Disinfectant if instructed.	As Needed
Surface – Other	Chalkboards and Whiteboards will be cleaned once a week at the Middle and High Schools on Wednesday night. To perform this task, boards should be cleaned with 18” or 24” micro-fiber flat dry mops. Custodians must also vacuum the area and wash out the pads several times during each shift and at the end of the day.	Weekly

Special Note: Any item classified as **personal** must not be touched or moved without authorization.

Assignment Description: Rest Rooms / Locker Rooms / Pool Areas / Food Service Areas

Day & Night Assignments – Section II

Task	Cleaning Guidelines	Frequency
Waste Removal	Empty all trash receptacle units. Replace liners in all small and large receptacles daily. Spot clean all trash receptacles daily. Police the area and remove large debris or material that has been misplaced, prior to sweeping and wet mopping.	Daily
Dispensers	Dispensers should be restocked daily (as needed) and checked for proper operations. Check and empty sanitary napkin receptacles and re-stock sanitary dispensers with wax bags in restrooms. These areas must be maintained by both the Night and Day program.	Daily
Floor - Dry Sweeping ↓	Dry Sweeping should be performed daily to maintain a sanitary and attractive floor appearance. All areas must be serviced daily as part of the normal schedule, which will account for 100% of the areas. Do not use a dust mop in areas that moisture is normally present.	Daily
Floor - Wet Mopping or Auto-Scrubber	Wet Mopping and/or auto-scrubbing in Restrooms, Locker Rooms, Pool Deck, Cafeteria and Kitchen areas consists of cleaning 100% of the areas not obstructed on a daily basis. Due to health and safety regulations, these areas must be cleaned daily with the products specified by the Director of Operations. Make sure mop water mixture is changed often to maintain a sanitary surface. It is required that “Wet Floor” signs be posted to warn people of the slip hazards.	Daily
Surface - Cleaning	General surface cleaning consists of Cleaning / Disinfecting all toilets, urinals, sinks, counters, stall areas, and dispensers daily in Restrooms and Locker Rooms. Allow the proper dwell time for your Cleaner / Disinfectant to work before rinsing the surface with clean water. Make sure all bright work is wiped out and dried. Cafeteria tables and all food service countertops maintained by the custodial department should be cleaned with a neutral cleaner or degreaser if specified. This program must be maintained by both the Day and Night Program; inspections should be performed throughout the day to insure that all discrepancies are corrected and to maintain a proper setting.	Daily
Surface - Spot Cleaning	General spot cleaning consists of cleaning around entranceways, light switches, doors and frames, etc. In addition to the spot cleaning process, graffiti should be removed from all surfaces daily.	Daily
Surface - Glass	Glass cleaning in Restrooms and Locker Rooms normally consists of mirrored surfaces. This task must be completed daily. Select the proper chemical for cleaning mirrors and glass surfaces. Spot cleaning of glass in Kitchens, Cafeterias, and Pool areas should be performed weekly or as time permits.	Weekly
Surface - Dusting	Dusting in these areas must be performed if time permits on a Weekly basis. When dusting, start with high surfaces and work downward. Dust air vents, ledges, stalls, and any other surface that may collect dust. Use a hand duster or vacuum only when a dust cloth is impractical or too time consuming.	Weekly

Day & Night Assignments – Section III

Task	Cleaning Guidelines	Frequency
Floor – Dust Mopping or Power-Sweeping ↓	Dust mopping and/or power sweeping is to be performed as part of the daily routine. All traffic lanes and open areas should be serviced four days a week as part of the normal schedule, which will account for approximately 85% of the areas. In addition, a putty knife should be carried to remove gum and other debris from the floor surface. Wet surfaces and coarse surfaces should be maintained by dry sweeping the area with a corner broom and/or push broom.	Daily
Floor – Edge & Corner	To properly clean any hard surface floor, during a one-week period the entire floor (100% of the areas not obstructed) must be serviced. For edge and corner cleaning, use an Angle Broom, Canister or Backpack Vacuum with the proper floor tool. Complete this task by sweeping or dry mopping the entire area.	Weekly
Floor – Wet Mopping or Auto-Scrubbing	Wet Mopping normally consists of spot cleaning areas that are soiled from spills or dirt that could not be removed by dry mopping and/or sweeping. During your normal routine the entire floor (100% of the areas not obstructed) should be covered as part of the daily (this may vary depending on weather conditions or building usage) operations, by mopping or utilizing an Automatic Scrubber for larger areas. It is required that “Wet Floor” signs be posted to warn people of the slip hazards.	Weekly
Floor – Vacuuming ↓	Vacuuming is to be performed as part of the daily routine. All traffic lanes and open areas should be serviced four days a week as part of the normal schedule, which will account for approximately 85% of the areas in most cases. In addition, you should carry Carpet Gum Remover to assist in the daily removal of all gum from carpet areas.	Daily
Floor – Edge & Corner	To properly clean a carpeted floor, during a one-week period the entire floor (100% of the areas not obstructed) must be serviced. For edge and corner cleaning, use a Canister or Backpack Vacuum with the proper floor tools. Spot / Stain removal should be completed during this process. Complete this task by vacuuming the entire area.	Weekly
Surface – Dusting	General dusting consists of maintaining all surfaces in the Corridors, Entranceways, and Lobby areas. When dusting, start with high surfaces and work downward. When dusting in any area, do about one forth of the area each day. This will ensure that the entire area will be cleaned once a week.	Weekly
Surface – Spot Cleaning	General spot cleaning consists of cleaning around entranceways, light switches, doors, door frames, and waste container units, etc. The Day Program must maintain this program in the Corridors, Entranceways, and Lobby areas. Use the proper cleaner for all surfaces.	Weekly
Surface – Glass	General glass cleaning consists of spot cleaning entranceways, doors, surrounding glass, show cabinets, office areas, fire extinguisher cabinets, etc. This process must be part of the daily cleaning program. This process is not part of the window-cleaning program, which requires a great deal of time and effort. It is only designed to remove the obvious handprints and smudges on larger windowpanes. Smaller areas like entrance doors and surrounding panes should be cleaned from top to bottom on a weekly basis.	Daily
Organization	One of the keys to cleaning the corridors, entranceways, and lobby areas properly is ensuring that the areas are left in an organized fashion and free of safety hazards. Make sure boxes, office supplies, etc. are removed immediately. Make sure chairs and tables (lobby furniture) are left in an organized fashion in the lobby and/or corridor areas.	Daily

Assignment Description: General Duties (Night Assignments)

Task	Guidelines	Frequency
Security	Security of the facility consists of locking down the entire building at the end of the work day. Inspecting the facility for discrepancies and reporting your findings to your Head Custodian or Coordinator and correcting any safety issues that were identified during your rounds as you check and lock up the facility. The first security check should be performed once the students depart for the day. Check with the building administration to determine what locations will be left open for general traffic. As you secure the facility (all members of the custodial staff) turn off lights in areas not utilized by staff, students, or community groups during your first round.	Daily
Inspection	The Assistant Head Custodians are responsible for the general cleanliness and upkeep of the entire facility during the afternoon shift. Ensuring that the mechanical systems are working properly, that the cleaning program meets the basic guidelines outlined by management, and that the general needs of the customers and public visiting the facility at night are met. An inspection of the facility should be completed weekly. Communicate any problems noted during your inspections to the Coordinator or Head Custodian.	Weekly
Event Setups	Event setups that require assistance from custodial operations must be completed in a timely fashion. Programs that can't be setup or taken down by the Day Program must be performed by the Night Program. Make sure the equipment utilized during setups and/or tear-downs is secured properly once the task is completed. Check the building schedule and/or on-line permit system daily to ensure events are covered in a timely basis. Make sure the building administration is aware of time delays and/or other activities that may hinder your ability to complete the task.	Daily
Customer Service	Responsible for handling customer requests and/or complaints at the building. Unlocking areas for events or scheduled activities. Making sure the area or areas are setup correctly and are ready in time for the event or program. You should verify that a permit has been issued for the event or that you have received confirmation from the building administration, Central office, or Maintenance & Operations Department.	As Needed

All Custodial Personnel

All custodial personnel must take care to insure that supplies, furniture or other items (especially flammables) are never stored in designated electrical closets or mechanical areas. All flammable items must be secured in approved flammable storage cabinets. All mechanical, electrical and air handling rooms must be kept free of obstructions at all times.

Note: This list is not intended to be all inclusive but rather to provide the general guidelines of work expected in these areas of all members of the custodial operations. This is not intended to cover tasks or specialized cleaning/service programs that are performed during break periods. Cleaning frequencies can be affected by special events, unforeseen conditions (emergencies, flooding, fire, inclement weather, etc) and the overall condition spaces are left in. If an unforeseen condition occurs the **Key** areas of major concern are restrooms, locker rooms, food service areas and main entrances. Sinks, water coolers and **unobstructed countertops** connected to sinks must be cleaned and all spaces should be left in an organized manner. As always, **Safety Issues** must be addressed without delay.

Custodial Preventative Maintenance Schedule

All Buildings

1. Motors, Pumps and Fan Bearings,
 - A. Motors are to be greased every two months sparingly to prevent grease from shorting the windings.
 - B. Pumps and Fan Bearings and Exhaust Fans are to be greased monthly.
2. Unit Ventilators
 - A. Unit Ventilators are to have the fan bearings and damper linkages oiled monthly.
 - B. Between April 1st and June 1st the outside grates and screens need to be kept clean of cottonwood seeds that impede the cooling operation.
3. Filters.
 - A. Filters in all Air Handling Fan units and Unit Ventilators should be inspected once per month and changed as necessary. Dirty filters impede the ability of the systems to function correctly and efficiently.
4. DX Coils.
 - A. All Head End Room DX coils as well as other roof top DX coils need to be cleaned weekly during the period of April 1st thru June 1st due to the cottonwood season. Monthly cleanings are required during the remainder of the year.
5. Buildings with Chillers.
 - A. Chilled and Condensing water systems need to be filled in April and drained in November when ordered by the Director of Maintenance.
 - B. Condensing water filter baskets need to be cleaned at least monthly or as needed to insure efficient operations of the cooling systems.
6. Boilers.
 - A. Boilers need to be inspected daily for leaks or problems during the heating season.
 - B. Also during the heating season, the boilers are required to be blown down (bottom drain opened for a few seconds) weekly to reduce the build up of sediment.
 - C. At the end of the heating season, the boilers need to be opened and cleaned and be made ready for State inspections.
7. Air Compressors.
 - A. In the buildings that still have Pneumatic controls for the ventilation system, the air compressor tanks must be drained of water daily. There is a hand valve provided for this purpose.

NOTE : When working on any of the equipment, standard safety procedures and practices must be followed including, but not limited to, lock-out, tag-out, confined spaces, AHERA, etc.

If graffiti is found (internal/external) on district property that depicts the four topics outlined below, the following procedures must be followed:

■ Violent Act

- Contact the Director of Operations immediately
- Contact Central Office immediately
 - Superintendent
 - Elementary Facilities – Asst. Supt. For Elementary Education
 - Secondary Facilities – Asst. Supt For Secondary Education
 - Support Facilities – Asst. Supt For Business Services
 - Director, Community Relations

■ Bomb Threat

- Contact the Director of Operations immediately
- Contact Central Office immediately
 - Superintendent
 - Elementary Facilities – Asst. Supt. For Elementary Education
 - Secondary Facilities – Asst. Supt For Secondary Education
 - Support Facilities – Asst. Supt For Business Services
 - Director, Community Relations

Note: Lockdown the area immediately, if you are unable to secure the area cover the graffiti without disturbing the surface and post a person to monitor the area until one of the contacts listed above arrives on scene. The Director of Operations and/or Central Office personnel will determine the involvement level, if any, of the Troy police Department. No action is to be initiated by custodial personnel unless otherwise instructed by the Director of Operations and/or Central Office personnel.

■ Racial, Immoral, Religion or Gang Related

- Contact Troy Police Department
 - Dispatch
- Photograph Graffiti
- Final step: Custodial personnel remove the graffiti. If they are unable to remove the graffiti they are to contact Maintenance and Operations for additional support.

■ General Graffiti

- Custodial personnel remove the graffiti. If they are unable to remove the graffiti they are to contact Maintenance and Operations for additional support.

TROY SCHOOL DISTRICT

SUMMER CLEANING GUIDELINES

Number 1: Listed below is the projected work schedule for the 2009 summer recess. Hours will vary for the facilities hosting Care/Tot programs or Community Education programs.

Management has the right to change the work schedule at any time to ensure the needs of the district are met:

- **June 18, 2009 thru June 30, 2009**
 - Elementary Schools: 6:30am to 4:30pm
 - Middle Schools: 6:30am to 4:30pm
 - High Schools: 6:30am to 11:00pm
 - Central / Service Center & Niles: 6:30am to 11:00pm
- **July 01, 2009 thru July 31, 2009**
 - Elementary Schools: 6:30am to 3:00pm
 - Middle Schools: 6:30am to 3:00pm
 - High Schools: Athens 6:30am to 10:30pm / Troy 6:30am to 11:00pm
 - Central / Service Center: 6:30am to 7:00pm
 - Niles Center: 6:30am to 11:00pm
- **August 03, 2009 thru August 21, 2009**
 - Elementary Schools: 6:30am to 4:00pm
 - Middle Schools: 6:30am to 4:00pm
 - High Schools: Athens 6:30am to 10:30pm / Troy 6:30am to 11:00pm
 - Central / Service Center: 6:30am to 7:00pm
 - Niles Center: 6:30am to 11:00pm
- **August 24, 2009** – All personnel return to their normal work schedule.
 - First Shift – 6:30am to 3:00pm
 - First Shift Split (High Schools Only) – 10:30am to 7:00pm
 - Second Shift – 2:30pm to 11:00pm (Support Facilities, High and Middle Schools)
 - Second Shift – 3:00pm to 11:30pm (Elementary Schools)

Reminder: If for any reason you need to modify the work schedule listed above, it must be approved by the Director of Operations. All requests must be in writing, define the reason for your request and must cover all events schedule in your facility without the use of overtime.

Number 2: The use of personal cell-phones during work hours is prohibited. You are not to place or take calls unless you are on an approved break period. Cell-phone should be left in your lockers, vehicle, etc unless approval from management. This policy will be enforced throughout the entire year.

Number 3: During the **summer recess period** the following guidelines listed below must be observed at all times if you are not wearing the district approved uniform:

- Shorts can not be higher than 2" above the knee and can not hang below the waist.
- Tennis shoes or work shoes only, no open toed footwear at any time.
- No **thin strap** sleeveless shirts. Wide band shoulder strap shirts, work shirts and tee shirts are approved during recess periods. Make sure shirt designs or logos do not depict or promote drugs, alcohol, violence and/or inappropriate language or sayings.
- Clothing should fit the body and not expose inappropriate body parts and/or undergarments.

Number 4: General cleaning standards to be followed for the 2009 summer recess period: When moving heavy furniture, stripping or scrubbing floors you should work with a partner, make sure to take the necessary precautions when using strippers or working around wet surfaces with electrical equipment. Check your equipment cords and extension cords to ensure they are in good condition:

Classrooms, Corridors, Entranceways, Media Centers, Conference and Office Spaces

1. Student desks and tables, Teachers Desks, Computer Desks and Office Furniture.
 - Remove the gum from the underside. **You can use Gum Remove and first freeze the gum and then wipe down the area with Spitfire.**
 - Remove labels and glue residue from the top surface. **Spitfire and a Scotch Brite (96) green pads to clean the top surface. Caution: You should use latex or rubber gloves when using Spitfire. The week before school starts all desks and table tops should be cleaned and disinfected with Crew Floor and Surface product.**
 - Dry wipe the inside and frame work on all desks and tables.
2. Spray and wipe down hard surface chair seats and backs, vacuum all cloth surfaces and dry wipe the legs and/or pedestals. **Spitfire and a Scotch Brite (96) green pad.**
3. Walls and Ceiling areas:
 - Dust all horizontal and vertical surfaces. Wash white and black boards. **Dry clean the boards first, and then use clean water or the recommended cleaner for whiteboards. Blackboards should only be cleaned with water.**
 - Clean the walls, doors and frame work. Clean 100% of the areas available. **Use Stride and clean towels. Avoid using spitfire and abrasive pads.**
 - Clean 100% of the glass inside and outside; Showcases, doors and windows. **Glance and a clean towel or rolled paper product on small areas and your window kit tools on larger areas. Do not use abrasive cleaning pads. Make sure to wipe down the frame work around windows, doors, showcases, etc.**
 - Dust down blinds, maps, projector screens, light fixtures, etc. Spray and wipe down all light len covers inside and out. Make sure all light fixtures are working correctly (bulbs, ballasts, etc).
 - Wash down counter tops and sinks that are not obstructed by large boxes, teaching aids, personnel items or student work. If you can not slide it to one side or the other with easy, work around it. **Stride for light cleaning or Spitfire for heavily soiled areas.**
 - Corridor lockers doors should be spray wiped and vacuumed out the inside. Do not spend a great deal of time trying to wash the inside of the lockers unless there is a potential problem with pests. **Stride or Spitfire and a clean towel, avoid using abrasive pads. Vacuum out the lockers and clean up any spills (food products, etc) that could be a potential problem.**
 - Ceiling vents, uni-ventilators and diffusers should be vacuumed out and wiped down. **Vacuum or use a soft bristle brush to clean the area surrounding the units.**
4. Floor Care and Restoration:
 - Vacuum and/or sweep all floor surfaces. Make sure all corners and edges are cleaned properly. Remove spots on all carpeted surfaces. **Use the General Purpose cleaner or the Majestic Triple Action. If you have petroleum base spot use the Citrus Gel Spotter. Always read follow the directions**
 - Carpeted surfaces should be extracted 100% in classrooms and corridors. Conference rooms and office spaces should be extracted only in the open areas and areas that spots existed. Do not remove filing cabinets, bookcases or large

- furniture that is not on casters. The key to keeping carpet clean is vacuuming. Extract carpet, runners and entrance mats with **Extraction SC** product.
- Hard surface floors should be lightly scrubbed and re-finished with two coats of the approved floor (**Vectra on VCT and Terrazzo surfaces**) product. If you are planning on stripping an area, you must first have approval from the Director of Operations or one of the Operation Coordinators. If the floor is stripped correctly you will need a minimum of 6 coats of the approved floor finish. **Stride and a Blue pad for scrubbing. Freedom and a Blue pad for surface stripping. If you have an area that requires a more aggressive stripper, Pro Strip and a Black pad are recommended.**
 - Make sure to remove debris along the edges, dry (dust) mop entire floor and clean all corners before applying the first coat of finish. **To remove old built up finish along edges and corners use the Bravo Power-Foam stripper.**
 - If time allows you should high-speed burnish corridors and large open areas after the finish cures. This will extend the life of the finish. **White Pad**
 - Areas that have already been re-surfaced once this year check with Coordinators or Director of Operations to determine next step to be completed.

Rest Rooms and Locker Rooms

5. There are no short cuts when cleaning Rest Rooms and Locker Rooms. It is vital that these areas are cleaned from top to bottom and all contact points are disinfected.
 - Dust all horizontal and vertical surfaces. Vacuum and wash all vent covers, light lens, and brush clean around all intakes and exhaust vents.
 - Clean and disinfect all counter tops, sinks, toilets, urinals, partitions, etc. **Crew Restroom Floor & Surface SC or Crew Shower, Tub & Tile Cleaner. Make sure you follow all instructions on handling these products and take all necessary safety precautions. Make sure to remove all graffiti (Graffiti Remover) and do not use any abrasive pads that could damage the paint or surface**
 - Clean and disinfect all shower stalls, wall areas surrounding toilets, urinals and sinks. **Crew Restroom Floor & Surface SC or Crew Shower, Tub & Tile Cleaner. Make sure you follow all instructions on handling these products and take all necessary safety precautions.**
 - Hard surface floor should be scrubbed and disinfected. Only apply finish on VCT surfaces. **Crew Restroom Floor & Surface SC or Crew Shower, Tub & Tile Cleaner. Make sure you follow all instructions on handling these products and take all necessary safety precautions. If the floor requires stripping follow the guidelines outlines above.**
 - Clean and disinfect all lockers inside and out. **Crew Restroom Floor & Surface SC. Make sure to remove all graffiti (Graffiti Remover) and do not use any abrasive pads that could damage the paint or surface.**

Cafeteria and Kitchen Areas

6. Like the rest rooms and locker rooms the cafeteria and kitchen areas require special attention to ensure they are properly cleaned:
 - Dust all horizontal and vertical surfaces. Vacuum and wash all vent covers, light lens, and brush clean around all intakes and exhaust vents.
 - Clean and disinfect all counter tops, sinks, table tops and food prep areas. **Use Spitfire to remove the grime and use Crew Restroom Floor & Surface SC.**
 - Remove gum from the underside of the tables and wash down the support legs and/or pedestals. **Use Spitfire to remove the grime and use Crew Restroom Floor & Surface SC.**

- Clean and disinfect chairs or bench sits and dry wipe the support legs and/or pedestals. **Use Spitfire to remove the grime and use Crew Restroom Floor & Surface SC.**
- Spot clean walls, doors and frame work.
- Vacuum and/or sweep all floor surfaces. Make sure all corners and edges are cleaned properly.
- Hard surface floors should be lightly scrubbed and re-finished with two coats of the approved floor product. If you are planning on stripping an area, you must first have approval from the Director of Operations or one of the Department Coordinators. **Stride and a Blue pad for scrubbing. Freedom and a Black pad for stripping. If you have an area that requires a more aggressive stripper, Pro Strip and a Black pad are recommended.**
- Clean 100% of the glass inside and outside; Showcases, doors and windows. **Glance and a clean towel or rolled paper product on small areas and your window kit tools on larger areas. Do not use abrasive cleaning pads. Make sure to wipe down the frame work around windows, doors, showcases, etc.**

Gymnasiums, Auditoriums, Pools and LGI's

7. The following routine cleaning of the spaces must be completed before August 24, 2009.
 - Dust all horizontal and vertical surfaces.
 - Spot clean the walls, doors and frame work. Do not spend a great deal of time trying to wash down a 100% the areas. **Same guidelines as listed above.**
 - Clean 100% of the glass inside and outside; Showcases, doors and windows. **Glance and a clean towel or rolled paper product on small areas and your window kit tools on larger areas. Do not use abrasive cleaning pads. Make sure to wipe down the frame work around windows, doors, showcases, etc.**
 - High Speed burnish gymnasium floors if time permits. **White Pad**
 - Pool deck should be scrubbed and disinfected. **Crew Restroom Floor & Surface SC.**
 - Vacuum and/or sweep all floor surfaces. Make sure all corners and edges are cleaned properly. Clean under bleachers and mop down all levels.
 - Hard surface (NOT WOOD) floors should be lightly scrubbed and re-finished with two coats of the approved floor product. **Stride and a Blue pad for scrubbing. Freedom and a Blue pad for light stripping. If you have an area that requires a more aggressive stripper, Pro Strip and a Black pad are recommended.**
 - Spot clean and extract open carpet areas. Make sure the area is dry before putting the furniture back in its assisted location. **Same guidelines as listed above.**

Preventative Maintenance

8. Preventative Maintenance tasks should be performed throughout the school year and during all the recess periods. Make sure the following tasks are up to date prior to August 24, 2009:
 - Make sure all lights are in good working condition and lens has been washed, dry wiped down and de-bugged inside and outside.
 - Filters should be changed as required and uni-vents, ceiling vents and diffusers should be vacuumed out and the surface area around them should be brushed or vacuumed off.
 - Make sure all preventative maintenance schedules are up to date for all mechanical systems (i.e. grease, belts, etc).

General Maintenance

9. General Maintenance of your facility requires that the following items are also kept up during the summer as well. In many cases this is the only time you have available to complete these tasks:
 - General Landscaping around your facility. Trimming of trees and brushes, edging, weed control, etc.
 - General repairs of furniture, plumbing and electrical.

Note: This list is not intended to be all-inclusive but rather to provide the general guidelines for cleaning the sites this summer. You should first focus on cleaning the classrooms and main office, unless these areas are under construction. [If you need assistance with laying out your summer cleaning program or do not understand the information enclosed in this document, please do not hesitate in contacting me.](#)

Gymnasium and Swimming Pool Cleaning**

The Troy School District maintains twenty (21) gymnasiums and six (6) swimming pools distributed among its respective facilities. To properly maintain and care for these facilities, the District has developed a program to rotate the comprehensive stripping/refinishing (gyms) and draining/cleaning (pools) of each unit.

Subject to annual review by the District, the following schedule is intended to be utilized for these procedures:

Pools

Summer 2009 - Smith Middle School and Troy High School

Summer 2010 – Boulan Park and Larson Middle Schools

Summer 2011 – Baker Middle School and Athens High School

Gymnasiums

Troy School District Custodial Services RFP Recycling Procedures

The Troy School District is attempting to maximize its recycling efforts within each facility. Current recycling programs include paper, cardboard, plastic, and metal. The District is working with the South Oakland County Resource Recovery Authority (SOCRRA) to enhance the three R's of Reducing, Reusing and Recycling. The District is also working to achieve "green" status in each of its instructional buildings. Awarded vendor under this RFP will be responsible for working along with District personnel to maximize the potential recycling efforts of each building. The current recycling efforts include:

Paper – Currently all buildings have the ability to recycle all types of paper including, newspaper, white & colored copier paper, phone books, magazines, junk mail, window envelopes, sticky notes, index cards, construction paper, manila folders and shredded paper. Custodial personnel, working with established ecology or other school service clubs, are to maintain separation of recyclable paper for proper placement in designated recycle containers. The District utilizes 90 gallon bins and/or separate dumpsters to store recyclable paper prior to pick-up by SOCRRA or other District personnel. Custodians are to maximize paper recycling so as to minimize garbage volume generated with each building.

Cardboard – Each district building has its own separately designated dumpster for placement of used cardboard. Custodial personnel are to flatten or otherwise breakdown used boxes prior to placement in these dumpsters. At no time should (non-food contaminated) cardboard be placed into a trash dumpster.

Plastic – Several buildings have separate containers for the recycling of plastic. SOCRRA has the ability to accept all kinds of plastic including #3, #5 & #7 in addition to traditionally recycled #1 & #2 plastics. Custodial personnel are to appropriately place all plastic containers into designated recycling bins for pickup by SOCRRA.

Metal – SOCRRA will accept virtually all kinds of metal including tin cans (from kitchens), aluminum (non-refundable) beverage cans and small pieces of scrap metal. Custodial personnel are to place recyclable metal into designated recycling bins for pickup by SOCRRA. Large pieces of scrap metal including pipes, poles, beams and appliances will be picked up by the District's maintenance Department for disposal in a centrally located metal recycling dumpster.

The District reserves the right to modify the recyclable program as needed. All custodial personnel are to work to maximize district wide recycling efforts.

Break Period Guidelines

Custodial Operations

Definition: Break periods consist of Summer, Winter, Mid-Winter and Spring Recess periods that are outlined on the Annual School Calendar. This also encompasses days slated as “No School” for students and staff.

Assignment: **Deep Cleaning** and **Preventative Maintenance Programs**

<p>Classroom Areas Conference / Office Areas Media Centers / LGI's</p>	<p>Deep cleaning of these areas consists of washing and/or scrubbing all (washable) surfaces with the proper chemicals before moving to the restoration of all floor surfaces. Walls, vents, light fixtures, furniture, countertops, cabinets, large play equipment, door and framework, etc must be properly cleaned annually. Bright work, wooden furniture and casework must be polished from top to bottom after cleaning with a natural cleaner (Stride). Be careful not to damage books, binders, educational materials, etc during the cleaning process. Remove all debris (gum, tape, paste, stickers, etc) from all chairs, student desks and tables as part of the annual deep cleaning. During break periods all student desktops and tabletops must be cleaned and disinfected along with contact points like door knobs, counters, sinks and fixtures, etc to help promote a clean and sanitary environment. Before beginning the process of washing down these areas, first dust and/or vacuum down the washable surfaces to prevent the smearing of loose dirt and debris, this will allow the area to be cleaned more efficiently. During break periods, areas that are difficult (require ladders or lifts) to dust or vacuum during the normal daily assignment must be serviced. Once this process is completed, you will be required to remove or set to one side all chairs, desks, tables and casework not secured to the floors or walls and/or casework (cabinets, shelving units, showcases, etc) that can not be safely moved without endangering personnel or damaging the unit or its contents before restoring all floor surfaces. All windows are to be cleaned from top to bottom, inside and out annually. Throughout the entire year spot cleaning must be performed to keep up the proper appearance of glass surfaces. When working off of scaffolding or man-lifts you must work as a team (Safety First). Follow all safety precautions and application instructions for each product utilized.</p>
<p>Gymnasiums / Stages Cafeterias / Kitchens Auditoriums / Shop Areas Corridors / Stairwells Entranceways Fine Art Rooms / Etc</p>	<p>Deep cleaning of these areas consists of washing and/or scrubbing all (washable) surfaces with the proper chemicals before moving to the restoration of all floor surfaces. Walls that extend above the normal elevations found in classrooms for example will only be washed 8' to 10' above the floor. These areas are normally cleaned with brushes on extension poles. Make sure wet/dry vacuums or extractors are ready to absorb all run-offs to ensure the flooring is not damaged. Walls, vents, light fixtures, furniture, showcases, doors and framework, etc must be properly cleaned annually. Wooden furniture, showcases and bright work (stainless steel) surfaces must be polished from top to bottom after cleaning with a natural cleaner (Stride). Before beginning the process of washing down these areas, first blow down, dust, dry brush and/or vacuum down washable surfaces to prevent the smearing of loose dirt and debris, this will allow the area to be cleaned more proficiently. During break periods areas in corridors, entranceways, stairwells and cafeterias that are difficult (require ladders or lifts) to dust or vacuum during the normal daily assignment must be serviced. Each summer student lockers are to be cleaned inside and out (do not use abrasive pads or cleaners on outside panels). It is also required that the combinations of each of the lockers be changed, as specified by building administration. All windows are to be cleaned from top to bottom, inside and out annually. Throughout the entire year spot cleaning must be performed to keep up the proper appearance of glass surfaces. When working off of scaffolding or man-lifts you must work as a team (Safety First). Follow all safety precautions and application instructions for each product utilized.</p>
<p>Restrooms / Pool Areas Locker Rooms</p>	<p>Deep cleaning and disinfecting of these areas must be performed bi-annually. All washable surfaces must be properly cleaned and disinfected (i.e. lockers, stalls, showers, walls, doors and frames, floors, etc) from top to bottom and corner to corner. Slip or walk-off matting must be steam cleaned bi-annually. Light fixtures, vents and furniture should be cleaned annually. Inside of lockers must be cleaned annually and combinations changed if requested by building administration. Pools should be emptied every three years and cleaned and disinfected as specified by the Director of Operations. At the High Schools make sure the cleaning program does not interfere with the athletic activities, work closely with the building AD. These areas require the highest level of service not only during breaks but throughout the entire year. There are not short cuts to cleaning and disinfecting these areas. Make sure proper safety gear is worn and that chemicals are used properly.</p>
<p>Storage Areas Mechanical / Boiler Rooms Custodial Closets</p>	<p>These areas are to be maintained throughout the entire year and deep cleaned each summer. Blow down ductwork, pipes and beams. Clean doors and frames from top to bottom. Scrub and wash down floors by hand so there is no interference with valves, electrical or mechanical systems (Safety First) etc. Custodial closets should be cleaned and well organized throughout the entire year; it's a reflection of the level of service we provide and our abilities.</p>

Assignment: **Floor Restoration and Preventative Maintenance Programs**

Corridors / Entranceways Hard Surfaces	During all break periods restoration work must be performed. Once a year all corridors and entranceways must be deep scrubbed and refinished. During the remaining three break periods the floors are cleaned and high speed burnished. If the condition of the floor requires a coating of restorer (Snapback), make sure the floor is properly cleaned before applying the restorer and high speed burnishing. This process will extend the life of the finish. Deep stripping of corridors and entranceways will be performed every fourth year on average, special consideration will be made for high traffic areas based on approval from the Director of Operations. Keep an up-to-date chart (building map) that shows the stripping management plan and schedule. Follow all safety precautions and application instructions for each product utilized. No finish is to be applied to quarry or ceramic tile surfaces.
Corridors / Entranceways Carpet Surfaces	During all break periods restoration work must be performed. Twice a year all carpeted corridors and entranceways (mats, entrance carpet, etc.) will be deep cleaned. During the remaining break periods the carpet is to be spot cleaned and hot water extracted. Follow all safety precautions and application instructions for each product utilized.
Gymnasiums / Stages Wood Surfaces	<p>The wood flooring restoration program has different timelines based on usage load for refinishing. As for general upkeep all wooden floors are to be automatic scrubbed a minimum of twice weekly and burnished bi-annually. Additional burnishing will be performed for major events (i.e. State Finals, Tournaments, safety concerns, etc). Listed below are the schedules that you are required to sustain:</p> <ul style="list-style-type: none"> ➤ High Schools are to be refinished annually. ➤ Middle Schools are to be refinished every other year. ➤ Elementary Schools are to be refinished every third year (with the exception of Wattles cafeteria). ➤ Stages are to be completed every third year. <p>The floor must be properly cleaned prior (i.e. remove gym, lose tape, etc) to burnishing. To refinish the floor follow all guidelines under the Jon-Wood Waterborne Wood Finish Application and guidelines issued by the Director of Operations. Prior to starting the project and applying finish all floors are to be inspected by the Director of Operations or the Operation Coordinators. Follow all safety precautions and application instructions for each product utilized.</p>
Gymnasiums / Stages Rubberized - Synthetic	All rubberized surface floors are to be deep scrubbed with a natural cleaner and refinished annually with Syntha Seal finish. All synthetic floors are to be cleaned throughout the entire school year with FaST or Stride. Do not use heavy-duty cleaners or strippers on these surfaces. Follow all safety precautions and application instructions for each product utilized.
Cafeterias / LGI's Hard Surfaces	Once a year all cafeterias and LGI's (hard surfaces only) must be deep scrubbed and refinished. Cafeteria floors receive a great deal of high traffic and should be deep stripped every third year, LGI's every fourth year. Burnishing of these areas should be performed twice per year on average.
Classroom Areas Conference / Office Areas Hard Surfaces	These areas are to be restored annually (summer is the key time). Deep stripping of these areas will be performed every fourth year on average, special consideration will be made for high traffic areas, science and art rooms, based on approval from the Director of Operations. Keep an up-to-date chart (building map) that shows the stripping management plan and schedule. Follow all safety precautions and application instructions for each product utilized. No finish is to be applied to quarry or ceramic tile surfaces.
Classroom Areas Conference / Office Areas Media Centers / LGI's Auditoriums Carpet Surfaces	These areas are to be restored annually. Summer is the key time for classrooms, office spaces and conference rooms. As for the Media Centers, Auditoriums and LGI's, it is recommended that these areas be cleaned during Mid-Winter or Spring Break to help minimize the summer workload. During the remaining break periods the carpet in these areas are to be spot cleaned and high traffic areas hot water extracted. Auditorium floor areas not covered with carpeting require annual deep cleaning. Because these areas have restricted pathways and are painted or stained surfaces you will be required to scrub and mop by hand. Follow all safety precautions and application instructions for each product utilized.

Note: All areas must be properly cleaned from top to bottom before scrubbing, stripping, extracting or applying finishes.

Gymnasiums, stages, auditoriums and media centers with open rafters systems (beams, fixtures, ductwork, etc) must be completely blown down before any cleaning is performed. Cover and protect all furniture and equipment with tarps or plastic sheeting.

Assignment: **Other Duties** and **Preventative Maintenance Programs**

- ✦ **Grease and Clay Traps** – must be cleaned annually and maintained throughout the year.
- ✦ **HVAC Systems** – break periods and no school days are perfect days to change filters, grease bearing, adjust or replace belts. Once a year all uni-vents should be vacuumed or blown out. Coils and condenser, air intakes and exhaust fans screens should be cleaned on a regular basis. Once there is visible debris (cottonwood seeds, etc) or dirt build up, brush or wash down immediately. Boilers, cooling towers, pumps, hot water heaters, etc must also be maintained.
- ✦ **Moves and Pack-outs** – Breaks are key periods of time for relocations, renovations and/or major construction projects that take place throughout the entire facility. These tasks are a major part of the custodial duties and responsibilities', especially during these periods. Interior moves of classrooms (teachers, educational materials, furniture) normally will be performed during the summer. Renovation and construction projects (replacement of flooring, painting, ceiling, lighting, etc) will be performed during all breaks in many cases. It will not be uncommon to be required to remove furniture, educational materials and boxes to allow projects to be performed, and in addition to the moves the custodial crew may be required to clean all areas affected by renovations or construction numerous times. You are not limited to moving or packing out materials we will also be called upon to make minor structural repairs (painting, tile replacements, installing cove base, hanging of boards, etc) to ensure that the space or spaces are ready prior to the students and staff return. Throughout the year you will also be required to move furniture that will be slated for auction, be refurbished and/or transferred to another location. You are expected to help unload trucks (district, UPS, Fed-Ex, Roadway, etc) and insure that interior deliveries are made in a timely fashion. Deliveries like paper supplies, chemicals and custodial supplies, warehouse orders, etc are not limited to break periods and will need to be performed on a daily basis throughout the entire year. Large orders of furniture and educational materials will normally be scheduled during break periods.
- ✦ **Installations** – during break periods and/or no school days you will be required to put-together new furniture, adjust tables and desks, install whiteboards and bulletin boards, etc. This task is not limited to the classroom, you will be required to install new dispensers, stalls and mirrors for example in restrooms or locker rooms. You may be hanging banners in the gym or over the front entranceway of the facility.
- ✦ **Customer Service** – During breaks it is not unusual for educational and athletic (district and Parks & Rec) activities to be held. During the summer, for example, the cleaning program must be adjusted to work in conjunction with sport camps, summer school, Care and Tot programs, teachers trying to prep classrooms, etc. In the midst of making sure that the facility is cleaned properly, safety issues are addressed, HVAC systems are maintained and working correctly, moving classrooms, trying to block people from walking on freshly finished floors, you are also required to meet the needs of our customers. Communications with the building administration, Maintenance & Operations, Community Ed and Central Office is vital. Make sure that permits (internal and external) are up-to-date, building schedules are reviewed by the principal on a regular basis, and Maintenance & Operations is aware of any discrepancies or changes that pertain to your facility.

Note: We are a full service operation and our duties are not limited to cleaning. If it requires cleaning, preventative maintenance, repairs and/or replacement; the custodial department will be called upon to fulfill these obligations to the best of our abilities and without delay. This is not intended to be all inclusive but rather to provide the general guidelines and duties expected from each member of the custodial operations. **A Safe, Clean, Secure and Comfortable learning environment is the standard that must be maintained for our students, staff and community.**

Board of Education Policies

C-1404 DRUG-FREE WORKPLACE

The Board of Education and its employees will comply with the Drug-Free Workplace Act of 1988. The administration shall develop and implement a drug-free awareness program, and, at a minimum, take whatever actions are necessary and appropriate in order to comply with the Act.

The unlawful manufacture, distribution, possession, sale, or use of a controlled or illegal substance or alcoholic beverage is prohibited on or at all school district buildings and properties, work areas, school-owned or school-approved vehicles, including those used to transport students to or from school or school activities, and at school-sponsored or school-approved activities, events or functions, such as field trips or athletic events, which occur off school property.

Any employee who violates this policy shall be subject to disciplinary action, up to and including termination of employment, and/or shall be required to satisfactorily participate in a drug assistance or rehabilitation program approved by the District.

Adopted: April 1989
Revised: February 7, 1995
June 19, 2007

C-1405 DRUG AND ALCOHOL TESTING FOR SAFETY SENSITIVE POSITIONS

The Board of Education and its employees will comply with the Omnibus Transportation Employee Testing Act of 1991 and its implementing regulations. The Administration shall develop and implement a drug and alcohol testing program and, at a minimum, take whatever actions are necessary and appropriate in order to comply with the Act and implementing regulations.

The unlawful manufacture, distribution, possession, sale or use of a controlled or illegal substance or alcoholic beverage is prohibited on or at all school district buildings and properties, work areas, school-owned or school-approved vehicles, including those used to transport students to or from school or school activities, and at school-sponsored or school-approved activities, events or functions, such as field trips or athletic events, which occur off school property. Violation of this policy shall result in disciplinary action, up to and including discharge.

Adopted: February 7, 1995

C-1406 SEXUAL HARASSMENT

Sexual harassment of students, employees, or other persons involved in district programs or on district premises is strictly prohibited.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, or other conduct or communication of any kind of a sexual nature. In particular, such actions are prohibited when:

1. Submission to such conduct is made a specific or implied condition of obtaining a benefit;
2. Submission to or rejection of such conduct is used as a basis for decisions affecting the individual who submits to or rejects such conduct; or
3. Such conduct has the purpose or effect of substantially interfering with an individual's education or employment or of creating an intimidating, hostile or offensive learning or working environment. Examples of such conduct include unwelcome sexual flirtations, advances or propositions, improper sexual comments, verbal abuse of a sexual nature, unnecessary touching of an individual, graphic or verbal commentaries about an individual's body, display of sexually suggestive objects or pictures, sexually explicit or offensive jokes, unwanted social invitations, and suggestive or insulting sounds.

All suspected incidents of sexual harassment must be reported to the District immediately.

Anyone found to have engaged in sexual harassment or retaliation shall be subject to appropriate disciplinary action. For students, such discipline could range from verbal or written warnings to suspension or expulsion. For employees, such discipline could range from verbal or written warnings and suspensions without pay to more severe discipline, including the possibility of immediate discharge.

Adopted: February 7, 1995
July 10, 2007

SCHOOL DISTRICT PROPERTY E-1000

E-1001 MAINTENANCE OF SCHOOL PROPERTY

It is the duty of each school employee to safeguard and protect the properties of the School District. Care must be taken to see that windows and doors are properly secured before leaving the school building at the close of a day.

Adopted: January 16, 1979
April 21, 1998

E-1102 USE OF SCHOOL BUILDINGS AND FACILITIES

The superintendent may approve the use of school facilities according to the schedule of fees approved by the Board. The superintendent, or designee, establishes such rules and regulations needed to implement this policy as well as assure the preservation of school district property.

Adopted: February 16, 1976
Revised: January 16, 1979
 September 19, 1989
 April 21, 1998

F-1101 FACILITY AND GROUNDS STANDARDS

The superintendent shall establish a program of review and approval to determine that all projects meet district standards. Facility and grounds improvements, alterations or decorating activities shall conform to the materials, colors, installation methods, and safety requirements needed to maintain district wide standards.

Adopted: January 20, 1987

Revised: April 21, 1998

Custodial Services Contract

ATTACHMENT H

CUSTODIAL SERVICES CONTRACT

THIS CUSTODIAL SERVICES CONTRACT, (the “Contract”) entered into this ____ day of _____, 2009 (the “Effective Date”) by and between **TROY SCHOOL DISTRICT**, a Michigan general powers School District, whose address is 4400 Livernois, Troy, Michigan 48098 (hereinafter the “School District”) and _____, a _____, whose address is _____ (hereafter the “Contractor”) (collectively the “Parties”).

RECITALS

- A. The School District issued a Request For Proposals for Custodial Services dated March 2, 2009, as amended by the Addendum dated _____ (collectively the “RFP”), the purpose of which was to solicit proposals from qualified contractors with the ability to deliver a Turnkey Solution for cleaning services, minor maintenance services, minor grounds services, _____ and other services requested by the School District (the “Custodial Services”) at a more cost effective price.
- B. The Contractor submitted to the School District a Proposal to the RFP dated _____, 2009 (the “Proposal”) to provide all Custodial Services contemplated by the RFP.
- C. Pursuant to the terms of the RFP, the Contractor shall be required to enter into a written contract with the School District following written acceptance of the Proposal by the School District.
- D. The Parties agree that certain terms and provisions of the RFP and the Proposal must be further clarified and that certain additional terms and conditions need to be expressly set forth by way of this Contract.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants set forth herein, the Parties agree as follows:

1. RESTATEMENT CONSTITUTES THE CONTRACT

(a) Incorporation By Reference.

The object of this Contract is to formalize in one document the complete agreement between the Parties, and to do so by specifically incorporating by reference into this Contract, the RFP, the Attachments to the RFP, the Proposal and other related documents, and by including certain additional necessary or appropriate Contract terms, particularly where the Contract terms agreed to by the Parties during the RFP negotiation process do not correspond with the RFP.

(b) **Order Of Precedence.**

The Contract Documents, which all are incorporated herein by reference, include the following:

- i. This Contract;
- ii. **Exhibit A** to this Contract – the RFP and Attachments;
- iii. **Exhibit B** to this Contract – Contractor’s Proposal Cost Sheet;
- iv. **Exhibit C** to this Contract - Inventory of Equipment and Hand Tools (the “Inventory”); and
- v. **Exhibit D** to this Contract - Contractor’s Proposal.

To the extent that the terms and conditions of the Contract Documents are in conflict, the terms and conditions shall be interpreted in the above-referenced order from (i) to (v). However, the Parties also agree that where there is not a conflict between any of the terms and conditions contained in the above-referenced Contract Documents, all of the Contract Documents shall be binding upon both parties.

2. TERM AND TERMINATION

The term of this Contract shall be for a period of three (3) years, commencing July 1, 2009 (the “Initial Term”). The School District shall have the option to extend this Contract by up to three (3) additional years on a year-to-year basis, subject to the written approval of the School District’s Board of Education, in its sole discretion (each a “Renewal Term”). Nothing in this Contract requires the School District to exercise its option for a Renewal Term and Contractor has no expectation of a contract beyond the Initial Term, or a Renewal Term if any are exercised. One Hundred and Twenty (120) days prior to the end of the Initial Term, or any Renewal Term, Contractor shall provide the School District in writing with a detailed fee schedule for the next fiscal year and the School District shall notify the Contractor within sixty (60) days of its receipt of Contractor’s detailed fee schedule for the next fiscal year as to whether the School District will exercise any option for a Renewal Term. This Contract may be terminated in accordance with the provisions of the RFP.

3. INVOICING AND PAYMENT TERMS

(a) **Invoices.**

Contractor shall invoice the School District in equal installments on a once-per-month basis for all Custodial Services rendered under the Contract Documents. Invoices shall itemize charges for labor, equipment and supplies for each Facility. Invoices shall be submitted to Troy School District, Accounts payable, 4400 Livernois, Troy, Michigan, 48098.

(b) Additional Charges.

Any services outside the scope of the Custodial Services (“Additional Services”) must receive prior written approval from the School District’s designee before rendering or invoicing for such Additional Services. Invoices for approved Additional Services shall include the date and times the Additional Services were completed, the name of the Facility, the type of Additional Services performed and the number of hours worked. Invoices for Additional Services shall be separate from the regular monthly invoice but shall be sent to the School District together with the regular monthly invoice. Charges for these Additional Services shall be in accordance with **Exhibit B**.

(c) Payments.

Payment of undisputed amounts in each invoice shall be made within thirty (30) days of receipt of the invoice. The School District will issue one payment per month. Disputes regarding amounts contained in any invoice will be communicated to Contractor by the School District, in writing, within ten (10) business days of the receipt of the disputed invoice. Payments of disputed amounts will be delayed unless Contractor is able to resolve the matter to the School District’s satisfaction within ten (10) business days prior to payment due date. The School District will not be assessed any late payment penalties, fines or charges for disputed amounts not timely paid due to Contractor’s failure to timely resolve the matter as set forth above.

4. SUPPLIES AND EQUIPMENT

(a) Supplies.

The School District will be responsible for the procurement of all chemicals, custodial paper, trash liners, mops and other supplies used for the Custodial Services. Contractor personnel are to manage these items efficiently and professionally. All supplied items are for exclusive usage in/on School District Facilities. Contractor is required to document usage, by School District location, when requested by the School District’s designee. Contractor’s employees shall requisition necessary supplies in accordance with procedures established by the School District.

(b) Equipment.

The School District will allow the Contractor to utilize School District-owned custodial equipment and tools currently in service and identified by the School District in Attachment E section 3 to provide the Custodial Services contemplated herein. Title to School District-owned equipment and tools shall remain with the School District. The Contractor shall use School District-owned equipment and tools only to provide the Custodial Services for the School District, unless otherwise provided for by law. The School District shall, prior to the commencement of the Initial Term of the Contract, provide a re-inventory of District-owned custodial equipment and tools, similar to Attachment E, that will be made available for use by the Contractor for the Custodial Services. The School District and Contractor will work to develop a schedule/plan to retire/remove School District-owned equipment and tools from service. Any new

equipment or tools which are necessary for the provision of the Custodial Services for the School District shall be purchased by, and title shall remain with, the Contractor. The School District shall have approval rights on the specifications for all equipment and tools purchased. All costs associated with the new equipment and/or tools, including purchase and maintenance/repair, shall be borne by the Contractor. All equipment and tools, whether provided by the School District or purchased by the Contractor, used to service the School District shall be maintained and inspected in strict accordance with the terms and conditions of the Contract.

All equipment and tools must be used exclusively in/on District Facilities. Movement of equipment or tools between School District locations may only occur with prior approval of School District's designee. The Contractor will be required to replace any such equipment or tools due to loss or theft by Contractor employees or by misuse at Contractor's expense.

5. FINGERPRINTING AND CRIMINAL BACKGROUND CHECKS

The Contractor acknowledges and agrees that unless the School District notifies the Contractor that it is not subject to the provisions of Michigan Public Act 84 of 2006, as amended, the Contractor will have it, and any and all of its agents, employees or representatives who will be on any School District premises to carry out the Custodial Services contemplated by the Contract Documents, fingerprinted and subjected to criminal history and background checks through the Michigan State Police and Federal Bureau of Investigation, as detailed in Public Act 84 of 2006, as amended, prior to commencing any work under this Contract by presenting themselves, or any of its agents, employees or representatives, for proper fingerprinting and criminal backgrounds checks, as directed by the School District, or provide written notification to the School District that Contractor or its employee(s) has previously completed fingerprinting and a criminal history and background check in connection with contracting or working for another School District, intermediate School District, public school academy or nonpublic school (each an "Agency") and consents to the sharing or transferring of the appropriate fingerprinting and criminal history background report from the other Agency. If Contractor wishes to receive a copy of any report, it shall have the employee provide written consent to the School District acknowledging its consent to provide Contractor with a copy of the report. Additionally, unless notified it is not subject to Michigan Public Act 84 of 2006, as amended, the Contractor represents and warrants to the School District that it will at all times during the Initial Term or any Renewal Term of this Contract be in compliance with the provisions of Michigan Public Act 84 of 2006, as amended, including, but limited to, reporting to the School District within 3 business days of when it, or any of its agents, employees or representatives who will be on School District premises to carry out the Custodial Services contemplated by the Contract Documents, is/are charged with a crime listed in Section 1535a(1) or 1539b(1) of the Revised School Code, being MCL 380.1535a(1) and 380.1539b(1), or a substantially similar law, and to immediately report to the School District if that person is subsequently convicted, plead guilty or plead no contest to that crime. The Contractor shall indemnify, defend and hold the School District, its employees, Board of Education, and each member thereof, agents and consultants, harmless from and against any and all claims, counter-claims, suits, debts, demands, actions, judgments, liens, liabilities, costs, expenses, including actual attorneys fees and actual expert witness fees, arising out of or

in connection with any violation of, or the Contractor's failure to comply with, the requirements of Michigan Public Act 84 of 2006, as amended, or this paragraph. The Contractor shall be responsible for all costs and expenses associated with the above-required fingerprinting and background checks. The Contractor shall supply all necessary data and information, as requested by the School District, to enable the School District to properly submit Contractor and its employees and agents for inclusion in the State of Michigan Department of Education's list of "registered educational personnel."

6. INDEMNIFICATION

(a) General Indemnification.

Contractor agrees to indemnify, defend and hold harmless the School District, its Board of Education, in their official and individual capacities, administrators, employees, agents, contractors, successors and assignees, from and against any and all costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of the: (i) negligent act or willful misconduct of the Contractor, its officers, directors, employees, successors, assignees, contractors and agents; (ii) any breach of the terms of this Contract by Contractor; (iii) any breach of any applicable Federal, State or local law, rule, regulation or ordinance; or (iv) any breach of any representation or warranty by Contractor under this Contract. The Contractor agrees to notify the School District by certified mail, return receipt requested, immediately upon actual knowledge of any claim, suit, action, or proceeding for which the School District may be entitled to indemnification under this Contract. This paragraph shall survive the expiration or earlier termination of this Contract.

(b) Environmental Indemnification.

Throughout the Initial Term, or any Renewal Term of this Contract, Contractor shall not permit itself or any third party to use, generate, handle, store or dispose of any Hazardous Substances in, on, under, upon or affecting any School District property in violation of any applicable law or regulation. Without limiting any other provisions of the Contract Documents, Contractor shall indemnify, defend and hold harmless the School District, its Board of Education, in their official and individual capacities, administrators, employees, agents, contractors, successors and assignees, from and against all liabilities, claims, losses, costs and expenses (specifically including, without limitation, attorneys', engineers', consultants' and experts' fees, costs and expenses) arising from (i) any breach of any representation or warranty made in this paragraph and/or (ii) environmental conditions or noncompliance with any applicable law or regulation that result, in the case of Contractor, from operations or Custodial Services in or about any School District property by Contractor or its agents or employees. As used herein, the term "Hazardous Substances" shall mean (i) any hazardous or regulated substance as defined by all federal, state and local environmental laws, including, but not limited to, Federal Water Pollution Control Act (33 U.S.C. §§ 1251 et seq.) ("Clean Water Act"), the Resource Conservation & Recovery Act (42 U.S.C. §§ 6901 et seq.) ("RCRA"), Safe Drinking Water Act (42 U.S.C. §§ 300f-j-26), Toxic Substances Control Act (15 U.S.C. §§ 2601 et seq.), Clean Air

Act (42 U.S.C. §§ 7401 et seq.), the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. §§ 9601 et seq.) (“CERCLA”), the Emergency Planning and Community Right to Know Act, 42 U.S.C. §§ 11001 et seq. (“EPCRA”), the Michigan Natural Resources and Environmental Protection Act (MCL § 324.101 et seq.) the administrative rules and regulations promulgated under such statutes, or any other similar federal, state or local law or administrative rule or regulation of similar effect, each as amended and as in effect and as adopted as of the date of execution of this Lease, (ii) any other pollutant, contaminant, hazardous substance, solid waste, hazardous material, radioactive substance, toxic substance, noxious substance, hazardous waste, particulate matter, airborne or otherwise, chemical waste, medical waste, crude oil or any fraction thereof, radioactive waste, petroleum or petroleum-derived substance or waste, asbestos, PCBs, radon gas, all forms of natural gas, or any hazardous or toxic constituent of any of the foregoing, whether such substance is in liquid, solid or gaseous form, or (iii) any such substance the release, discharge or spill of which requires activity to achieve compliance with applicable law. This paragraph shall survive the expiration or earlier termination of this Contract.

7. NOTICES

Unless otherwise provided in this Contract, all notices, requests, demands and other communications shall be in writing and are effective three (3) days after deposit in the U.S. mail, certified and postage paid, or upon receipt if personally delivered or sent by next-business-day delivery via a nationally recognized overnight courier to the addresses set forth below. The School District or the Contractor may from time to time designate any other address for this purpose by providing written notice to the other Party.

(A) To the School District. All required notices to the School District shall be delivered to the Superintendent, Troy School District, 4400 Livernois Road, Troy, Michigan, 48098, with a copy to Dana L. Abrahams, Esq, Clark Hill PLC, 151 S. Old Woodward Ave., Suite 200, Birmingham, MI 48009.

(B) To the Contractor. All required notices to the Contractor shall be delivered to _____, Attn: _____, [ADDRESS].

8. SEVERABILITY

In the event any provision(s) of this Contract shall be illegal or invalid for any reason, said provision(s) shall be deemed to be fully severable without affecting the remaining provisions of this Contract and this Contract shall be construed and enforced as if said illegal or invalid provision(s) had never been inserted herein.

9. NO WAIVER

No waiver of any term or condition of this Contract shall be valid or binding on either Party unless the same shall have been mutually assented to in writing by both Parties. The failure of either Party to enforce at any time any of the provisions of this Contract, or the failure to require at any time performance by the other Party of any of the provisions of this Contract, shall in no way be construed to be a present or future waiver of such provisions, nor in any way affect the validity of either Party to enforce each and every such provision thereafter.

10. COUNTERPARTS

This Contract may be executed in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument.

11. ENTIRE CONTRACT

This instrument contains the entire Contract entered into between the Parties hereto; its terms may not be modified except in writing signed by the Contractor and the School District. This Contract supersedes and takes the place of all prior contracts, and/or understandings, whether written or oral between the School District and the Contractor.

12. INSOLVENCY

In the event, the Contractor becomes insolvent or seeks the protection of the U.S. Bankruptcy Court, then at the School District's option; this Contract may be immediately terminated by the School District.

13. NON APPROPRIATION OF FUNDS

The School District represents (1) that it has adequate funds to meet its obligations under this Contract during the 2009-10 fiscal year, (2) that it intends to maintain this Contract from the full period set forth herein and has no reason to believe that it will not have sufficient funds to enable it to make all payments due hereunder during such period, and (3) that it will use its best effort to obtain the appropriations and that the availability of funds is contingent upon varied sources. If the School District determines, in its discretion, that it lacks adequate funds to pay part or all of the payments for the Custodial Services described in this Contract, the District's obligation under this Contract will terminate as of the date that the funding expires without further obligation to the Contractor.

14. DISPUTE RESOLUTION

Except for the pursuit of injunctive relief, any claim, dispute, difference or disagreement (a "Dispute") arising under or relating to this Contract shall be settled in accordance with the following:

- (a) Any and all Disputes must be submitted in writing by the aggrieved party to the other party describing the Dispute in detail within a reasonable time after the occurrence of events giving rise to the Dispute or within a reasonable time after the claimant first recognizes the condition(s) giving rise to the Dispute, whichever is later, and a Dispute does not arise until such written notice is given;
- (b) Within thirty (30) days following the submission of the written Dispute, the party to whom the Dispute is submitted shall respond in writing. If no written response is provided within thirty (30) days, the Dispute shall be deemed denied;
- (c) As a pre-condition to litigation, if the Dispute is denied, either party may, within thirty (30) days of such denial, refer the Dispute to non-binding arbitration in Oakland County, Michigan. The arbitrator shall be chosen in accordance with the rules of the American Arbitration Association then in effect, and the expense of the arbitration shall be shared equally by the District and the Contractor.

Nothing in this Section shall circumvent, effect or limit the District's right to terminate the Contractor in accordance with Section 9 of this Contract.

15. MEETINGS

The Supervisor/Project Manager for the Custodial Services, as designated by the Contractor pursuant to the Contract Documents, shall schedule monthly meetings with the Director of Operations of the School District to discuss the provision of the Custodial Services, or more frequent as requested by the School District.

IN WITNESS WHEREOF: the Parties hereto on this day execute this Contract as of the Effective Date.

Frank E. Lams, Purchasing Supervisor, opened the meeting with brief personnel introductions. Mr. Lams reiterated that outside of this pre-bid meeting, any communications regarding the RFP must be made in writing (fax, email, US mail) to his attention. No reply would be made to verbal questions. Deadline for all written questions is March 19, 2009. Mr. Lams reminded those in attendance that responses to this RFP are due by 3:00 pm on April 14 at the Purchasing Department, 1140 Rankin, Troy, Michigan 48083 and NOT the location of the pre-bid meeting.

At the close of the pre-bid meeting, all interested contractors are welcome to tour Troy High School, Larson Middle School and Barnard Elementary School.

Mr. Lams addressed some questions that were already submitted in writing to him:

Q. Is the Troy School District Board of Education really going to award Custodial Services to an outside contractor?

A. Yes, if the Board sees an overall benefit to the School District. Of course, the financial response is important but other determining factors will be reviewed as well. The first and foremost concern of the Board of Education is the safety of the schools, students and facilities.

Q. Would it be possible to obtain pricing forms in Excel or Word format to complete bid costing?

A. Changeable formats are not something we generally provide on any bid. However, an exception will be made for this particular RFP and the pricing forms will be released in Word.

Q. Will a Performance Bond be mandatory?

A. Yes, for at least the first year. The second and third years are dependent upon the Contractor's performance in Year 1.

Q. Should the cost of the Performance Bond be included in the bidder's annual base price?

A. No. The cost should be quoted as an independent "added alternate".

Q. What are the Contractor's responsibilities regarding high window cleaning?

A. There are three buildings with "high windows": Baker Middle School, Athens and Troy High Schools. The inside cleaning is the entire responsibility of the Contractor. The outside cleaning of second and third floor windows will be contracted to an outside vendor and bid separately.

Q. Is bidder required to match exact number of current custodial staffing levels?

A. Exact number of personnel is not required. However, the contractor must meet all standards of cleaning in addition to meeting the obligation of operating hours required.

Q. Are name tags sufficient or must they be sewn into uniform?

A. All uniforms must have individual name and company logo sewn directly into uniform, as currently required by School District's standard.

Q. Is the "Pool Operator" separate from a custodian?

A. No, it is a combined position. Pool Operators are custodians. Pools are tested three times per day. A Pool Operator must be onsite if pool is opened. The Health Department has determined that a 15-minute window for response time is required at all sites with a swimming pool.

Q. What certification is required for Pool Operator?

A. The Certified Pool Operator certification is currently used.

Q. Should weekend custodial coverage be included in base bid?

A. The pricing should be bid for straight time, Monday through Friday. Alternate pricing should be used for weekends.

Q. What is the Contractor's access to School District computers for work orders?

A. Contractor would have access to Express Work Order System which is designed for projects that need to be managed by the Maintenance Department. Email is also utilized for internal communication and activities. The School District will provide a dedicated computer at each site for custodial usage (work related only). All persons must sign the School District's Acceptable Usage Agreement prior to being given a password/access to these computers.

Q. Are the required duties referenced in Attachment D the School District's recommendations or expectations?

A. All duties listed are expectations and requirements.

Q. Who is responsible for cost of supplies?

A. Troy School District uses specific products and will supply to Contractor. However, the School District is willing to consider the Contractor providing all supplies as an alternate to this RFP. Any such alternates must be clearly indicated.

Q. Whose responsibility is it to repair or replace the equipment listed in Attachment E?

- A. *It will be the responsibility of the Contractor to maintain all existing equipment and replacements when necessary.*

<p>Mr. Lams then opened the floor to additional questions.</p>

Q. Does the Contractor need to match day staffing?

- A. *The day custodians clean **all** day even though they do not have access to classrooms. Current custodians employed by the School District have an average of 18 years experience. The Contractor must determine what staffing they will need. The School District requires that the duties in Attachment D are completed and that the buildings are open for the hours indicated within the RFP.*

Q. How do we obtain detailed maps of the buildings?

- A. *The School District does not put building layouts on the internet. However, layouts are available on CD. The School District has CD's with all RFP documentation available (free). We ask that companies only acquire one copy each.*

Q. Ride on mowers?

- A. *Athletic fields and playgrounds maintenance is currently handled as part of the Grounds Department. Building custodians are responsible for grass areas adjacent to the building and any areas with restricted access by large equipment (i.e. ditches, fence lines, around playstructures, etc). Refer to Attachment E for a schedule of grounds equipment available at each location. Light grounds duties, including mowing, weeding, shrub trimming and snow removal will be required by Contractor during day shift hours.*

Q. Since the Grounds Department currently maintains the two high schools, will that change with the Grounds Maintenance Services bid?

- A. *No. Currently one person is assigned to one site for three seasons. Troy High has approximately 72 acres, Athens has approximately 50 acres.*

Q. Have there been recent staff reductions within the custodial group?

- A. *Yes, two years ago there were nineteen (19) total positions eliminated [one half (.5) FTE at each Elementary School and one full FTE at middle each school, four (4) at each high school and one (1) day floating custodian]. Cleanliness of the buildings was not affected by staff reductions.*

Q. Will additional inspections be available other than the three buildings today?

- A. *Yes. For coordinating purposes, please send an email to Mr. Lams with your request.*

Q. Is the square footage listed "cleanable" or "gross"?

- A. *It is gross square footage. The high schools have approximately 10% less which is "cleanable" due to boiler rooms, etc. and the elementaries have approximately 5%-7% less.*

Q. Who is responsible for the maintenance/replacing of chemical dispensing systems?

- A. *The School District currently uses Johnson Diversity products. If the system is damaged due to negligence, the Contractor will be responsible for replacing. If it is damaged through normal wear and tear, the School District will replace.*

Q. Please describe your Burnishing program.

A. All units are battery operated except those at the elementary schools which are corded. A pliable gym floor finish is applied every six months; hallways are done every chance possible. School breaks are key times for dusting, restoration of gym floors, etc. The elementaries currently have 20" auto scrubbers and T-3's. The middle schools and high schools have riders (T-7's) & walk behinds (T-3's).

Q. Is the School District open to propane?

A. It must meet OSHA regulations and storage of propane tanks is also a safety concern.

Q. Who is responsible for snow removal?

A. All custodians are responsible. They are currently required to come in two hours early. Troy School District has 461 total acres which results in MANY walkways. Standard rule of thumb is if you can push it, push it. The high school walkways alone are between 4' and 10' wide.

Q. What equipment does the School District currently have for snow removal?

A. All buildings have Honda snow throwers (refer to Attachment E) and each high school also has a Load-All. Please note that the Load-All's are \$60,000 each which **mandates that any person operating them must be fully trained for those machines.**

Q. Is salt provided?

A. Yes. At this point, the School District plans to continue providing salt for custodial usage on walkways and building entrances.

Q. Who is responsible for snow in the parking lots?

A. The Grounds Department currently does snow removal from the parking lots.

Q. What are the hours for snow removal?

A. Currently it is done on overtime and throughout the day (weather dependent). The child care program (CARE Company & TOTS) operates at all twelve elementary schools beginning at 6:45am. The high schools open at 6:00am. Snow removal may be required during the day depending on weather conditions. The School District requires that all entrance ways be kept safe.

Q, What time are the buildings closed?

A. Exclusive of events, the elementary buildings are locked down between 6:00-7:00pm. Later hours for secondary buildings extend until 10:00pm. The School District currently requires staff to stay within the building until those times to accommodate the school community (i.e. parents picking up forgotten homework, teachers staying late, facility rentals, etc.).

Q. Is there a designated preschool building?

A. No. All twelve elementary buildings have before and after school child care.

Q. What is summer building usage?

A. With the exception of the high schools, programming is consolidated for child care and summer school and rotates to different buildings every year. The high schools are in operation almost 365 days per year.

Q. Do most programs require set-ups?

A. Yes, most require set-up.

Q. Are there any areas that are deep cleaned?

A. Yes. All areas are deep cleaned at least once per year. Locker rooms are deep cleaned at the conclusion of each sporting season. Restrooms and corridors are also deep cleaned at least twice per year.

Q. What are the required duties in the kitchens?

A. Custodians are responsible for floors, walls, hoods and grease traps.

Q. Is there any intention to change who does hoods, etc?

A. No.

Q. What is considered an "early" kitchen delivery? Does custodian assist in delivery?

A. Deliveries are as early as 6:00am. Currently, deliveries are a 50/50 effort between custodial and kitchen staff.

Q. When is snow removal done if property is adjacent to city property and it snows over weekend?

A. Staff currently does this on weekends.

Q. Is custodian responsible for furniture deliveries?

A. No. The vendor is responsible.

Q. Who is responsible for furniture assembly?

A. Generally, the vendor is responsible for assembly. Custodians mostly do height adjustments. There are times when building custodians are responsible to assemble furniture, supplies, displays, etc.

Q. What is procedure for large (bulk) orders?

A. None of the buildings have loading docks. With the exception of the high schools, all large orders go to the warehouse and are re-delivered to buildings. Custodians must assist in unloading.

Q. Do the custodians belong to a union?

A. Yes, the local bargaining unit is an affiliate of MEA.

Q. Do the lunch aides help in cleaning tables?

A. If available, Lunch Aides will assist with wiping down the tables, however, custodians do final clean up of cafeteria and all lunch tables.

Q. What communication devices are currently in place?

A. Radios and pagers.

Q. Is there a Nextel program for all custodians?

A. No. The contractor can budget for that if desired.

Q. Could you provide a list of employees that are within three (3) years of retirement eligibility?

A. The School District cannot provide specific names of employees; however, to the best of our knowledge, nine (9) employees would be retirement eligible (including reduced benefits) during the first year of the contract. Another sixteen (16) would be eligible to retire (including reduced benefits) within the next three years.

Q. Is there a preventative maintenance program on custodial equipment?

A. Yes. The preventative maintenance program is as recommended by Tennant or other manufacturers as applicable.

The following questions were received subsequent to the facility tour and are also included below:
--

Q. A few of the School District buildings are not included in the floor plans (i.e. Troy High School, Niles Center). Could bidders receive floor plans of these sites?

A. Yes. These plans are attached at the end of this set of questions and responses.

Q. One floor plan is labeled as “New Middle School and there is also a “Baker Middle School” floor plan. However, there is no International Academy floor plan. Is the International Academy the “new Middle School”?

A. The plan labeled “New Middle School” is actually our new Baker Middle School (the label was generated by our architects). The floor plan labeled “Baker Middle School” is actually the International Academy (IAE). The old Baker Middle School was renovated and converted for use as the IAE.

Q. Are the additional CD’s containing floor plans available for pickup?

A. Yes. Additional copies are now available. Several CD’s were mailed out 3-12-09 to Bidders requesting them. We ask that each company only obtain one copy.

Q. Is it within the guidelines to interview current staff for positions regarding this transition at some point during this process?

A. The School District would encourage the awarded Contractor to interview all employees being displaced subsequent to this RFP for potential employment with the Contractor. These interviews should not be conducted until after the School District has entered into formal negotiations with the awarded Contractor.

Q. My company would appreciate the opportunity to survey additional School District buildings. Sites we would like to visit are:

**International Academy
Niles Center
Athens High School
Baker Middle School**

A. In order to allow adequate opportunity for all interested parties to participate and to minimize the disruption to the instructional program, the School District has scheduled Wednesday, March 18 3:00pm Athens High School (meet outside Main Office; enter via John R north entryway). The tour will then move to the International Academy, Baker Middle School and conclude at Niles.

Troy School District
Custodial Services RFP # 9594
Additional Clarification Questions
March 20, 2009

The following questions were submitted for additional clarification relating to the above referenced RFP. This will be the last set of responses as indicated within the RFP specifications.

- Q. The requirement for a Performance Bond seems restrictive to smaller BSC's such as us who may actually be able to provide better services based on a number of factors. Is there a precedent for this language being written into any other RFP's at any other Oakland County Public School Districts?**
- A. The Troy School District cannot comment on RFP's issued by other school districts. Each district is a separate legal entity.*
- Q. Is this RFP in any way influenced by the organization Public School Districts of Oakland County which I have been told has an existing agreement with a large BSC?**
- A. The Oakland Intermediate School District, also known as Oakland Schools, is a separate legal entity. Agreements between Oakland Schools and Contractors do not dictate the operations of the Troy School District. The wording within RFP #9594 is based on recommendations from the Troy School District's legal counsel.*
- Q. Will a Performance Bond be mandatory?**
- A. Yes, for at least the first year. The second and third years are dependent upon the Contractors performance in Year 1. This question has already been answered in the response to questions received during the pre-bid meeting.*
- Q. Do we have an alternative to a Performance Bond to secure an opportunity to bid?**
- A. As per the RFP specifications, a Performance bond will be required.*
- Q. We would like to tour through the rest of the school buildings. Is there a time we can do this?**
- A. An opportunity to tour additional School District facilities was scheduled for Wednesday, March 18. This opportunity was addressed within the responses to questions from the pre-bid meeting. This information was sent via email on Friday, March 13, 2009 to all Proposers who attended the pre-bid meeting. Based on the lack of attendance at the March 18 tour, no additional Facility tours will be scheduled.*
- Q. The reason for my email is to find out if vendors are allowed to schedule a more detailed tour of the district. This was brought up during the pre-bid meeting and tour, but we were told to email in order to get an answer. Could you please let me know if this is possible?**
- A. NO. Please refer to the response to the immediately preceding question.*
- Q. Could you provide the current ratio of male & female custodians on staff?**
- A. There are currently 42 males and 22 females on the custodial staff.*

- Q. **I thought I had sent in my Intent to Respond earlier. I realize this notice is late, will my company still be able to respond to this RFP?**
- A. *The Intent to Respond Notice is intended to permit the School District to maintain accurate lists of interested Proposers and assist with the distribution of responses to questions and addendums. Although the School District will not disqualify a response based solely on a non-timely submission of the Intent to Respond Notice, the School District will note the Proposers failure to meet a timeline when evaluating the related response.*

Attached below (except on website posting) are the PDF files for Troy High School and Niles Center as requested at the pre-bid meeting.
