Bid 9495

Athletic Ambulance Cart

The Troy School District is seeking qualified bids for the purchase of two (2) electric carts to be used for trainer/ambulance services at outdoor athletic events at the District's high schools. The following pertains to this bid:

The individual cart indicated on bid was developed from Club Car specifications. Please note that carts featuring substantially equivalent options and performance manufactured by EZ-Go, Yamaha or other qualified companies will also be considered. Prospective bidders are asked to provide full cut sheets on product quoted especially batteries and warranty.

Bidders are requested to provide at least 3 references where a product of similar configuration has been installed/operated.

One unit each is to be delivered to each high school. Awarded vendor is to provide training and initial set-up to the District's athletic staff. For purposes of quoting shipping, the respective schools addresses are indicated on the bid response sheet (next page).

As a minimum, carts must have:

- * 48 volt Heavy Duty battery
- * All aluminum frame and chassis
- * Head lights, tail lights and horn
- * On board battery charger with 12' cord
- * 6-ply (or better) Premium tread tires
- * Minimum 2 year warranty on vehicle
- * Minimum 4 year warranty on batteries and charging system

All pricing must include shipping to each location. Special note: the schools do not have loading docks or machinery to offload trucks. All unloading is to be done by awarded vendor.
