**Bid# 9499**  
**Elementary School Window Treatments**

The Troy School District is seeking pricing to replace the existing window treatments at various schools within the District with new vertical blinds. The following terms and conditions will apply to this Request for proposal (RFP):

<b>Name of School:</b>	<b>Location:</b>
Barnard Elementary	3601 Forge Dr., Troy, MI
Bemis Elementary	3571 Northfield Parkway, Troy, MI
Costello Elementary	1333 Hamman, Troy, MI
Hamilton Elementary	5625 Northfield Parkway, Troy, MI
Leonard Elementary	4401 Tallman, Troy, MI
Martell Elementary	5666 Livernois, Troy, MI
Morse Elementary	475 Cherry, Troy, MI
Schroeder Elementary	3541 Jack Dr., Troy, MI
Troy Union Elementary	1340 E. Square Lake Rd., Troy, M
Wass Elementary	2340 Willard, Troy, MII
Wattles Elementary	3555 Ellenboro, Troy, MI

**ADVERTISEMENT TO BID**

The **Troy School District** is seeking bids for the supply and installation of window treatments Bid Package No. 9499. Bid Proposals will be received by the Troy School District, 1140 Rankin, Troy, MI 48083 deliver or mail, to the attention of Frank Lams by 3:00 p.m. local time on Tuesday, March 18, 2008. Proposals must be sealed with Bidder's name on the outside of the envelope and designated as follows:

Sealed Proposal  
Elementary School Window Treatments  
Bid Package No. 9499  
Contractor Name, Address, Phone Number

**BID PACKAGE NO. 9499 Window Treatments**

Each bid shall be accompanied by a certified check, cashier's check, money order or a bid bond made payable to the Troy School District in an amount not less than five percent (5%) of the base bid as a bid guarantee.

The successful bidder shall provide a Labor and Material Payment bond and a Performance Bond, each in the amount of one hundred percent (100%) of the contract amount.

Bid proposals will be publicly opened immediately following receipt of bids by the Troy School District, and evaluated by the District, with awards subsequently made by Troy School District.

**The District shall not open, consider, or accept a Bid Proposal that is received after the date and time specified for bid submission in this Advertisement for Bids.**

Bid specifications will also be available for free download at the District's website:  
[www.Troy.k12.mi.us/Purchasing/Items Out for bid.htm](http://www.Troy.k12.mi.us/Purchasing/Items_Out_for_bid.htm)

Bid proposals shall be on forms furnished by Troy School District. Bidders will be required to submit with their Bid Proposals, a notarized Familial Relationship Disclosure Form included within this bid document, a Bid Security by a qualified surety authorized to do business in the State of Michigan where the Project is located, an OSHA Form 300 for the most recent completed year, their worker's compensation Experience Modification Rate (EMR) factor, and any other information required in the Instructions to Bidders. Bidder shall not withdraw a Bid Proposal for a period of **forty-five (45)** Days after date for receipt of Bid Proposals.

The successful Bidder(s) will be required to enter into an agreement with Troy School District on the Agreement Form identified. The right to accept or reject any or all Bid Proposals, either whole or in part, to waive any information or irregularities therein and to award the contract to other than the low bidder is reserved by Troy School District.

All Bid Proposals shall be accompanied by the sworn and notarized statement included, disclosing any familiar relationship that exists between the District or any employee of the bidder and any member of the School Board or the superintendent of the School District. Bid proposals that do not include this sworn notarized disclosure statement will not be considered accepted.

***Site Review:***

***To avoid disruption to the educational program NO contractors will be allowed on site. Bidders are advised to utilize the measurements provided within the bid documents. Awarded vendor only will be allowed access to buildings to verify final measurements.***

**Proposal Submittal:**

All proposals for the work outlined hereunder are due no later than 3:00 pm on Tuesday, March 18, 2008 at the Troy School District's Purchasing Office, 1140 Rankin, Troy, MI 48083. **NO PROPOSALS WILL BE ACCEPTED AFTER THIS TIME.** All proposals **MUST** be in a sealed envelope clearly marked "ELEMENTARY SCHOOL WINDOW TREATMENTS TSD BID# 9499". Facsimile bids are **NOT** acceptable.

All proposals must include a signed and notarized "Statement of Familial Disclosure". Any proposal which does not include this statement signed and notarized will be considered incomplete and will be rejected.

The successful bidder and its subordinate parties shall comply with the Prevailing Wage requirements for all work as required by the State of Michigan Public Act 166 dated 1965 as amended.

**END OF ADVERTISEMENT**

**TROY SCHOOL DISTRICT  
BID 9499  
ELEMENTARY SCHOOL WINDOW TREATMENTS**

**Delivery:**

Vendor awarded under this RFP will be solely responsible for delivery AND unloading of all materials. Bidders are specifically reminded that none of the schools have a loading dock nor personnel available to assist with unloading. Delivery must be timed so as not to disrupt the instructional programming of the school. Delivery must also be coordinated with installation as District will assume no responsibility for storage of or damage to materials awaiting final installation.

**Installation:**

Vendor awarded under this RFP will be solely responsible for all installation of purchased window treatments. Installation cost must include all necessary materials to properly install as per manufacturers specifications. Installation must take place when students are not present in classrooms. All work under this proposal must **begin after June 20** and be **completed no later than August 29, 2008**. Installation on weekends MAY be possible with prior arrangement. No shift premium or overtime will be allowed to vendor unless specifically itemized within response to this RFP.

**Demolition & Cleanup:**

Vendor awarded under this RFP will be solely responsible for any demolition to existing window treatments deemed necessary. Awarded vendor will also be responsible for removal of all debris, packing materials, and other items directly associated with this project. Usage of District trash dumpsters is NOT ACCEPTABLE. All rooms accessed are to be returned in the same condition as prior to start of project. Awarded vendor will be responsible for any damage caused to District owned furniture or other property.

**Required sizes:**

**The following are only approximate measurements. All bidders should utilize these lists to respond to this RFQ. Awarded vendor(s) is/are responsible for verification of all measurements. District takes no liability for incorrectly sized pieces. Please see the following pages which should be utilized when responding to this RFP to properly identify cost per window.**

**The Troy School District will not be responsible for errors relating to measurements or quantities. NO ADDITIONAL FEES/CHARGES will be allowable as a result of bidders mismeasurements, exclusion or other miscalculations.**

**TROY SCHOOL DISTRICT  
BID 9499  
ELEMENTARY SCHOOL WINDOW TREATMENTS**

**Vertical Louver Blinds**

**Part 1 - General**

1.01 DESCRIPTION

- A. Vertical Louver Blinds

1.02 SUBMITTALS

- A. Manufacturer's complete CSI 3- part specification sheet.
- B. Product Sample: Submit working hand sample or mock up blind as required.
- C. Color Sample: Submit two 6" samples of louvers indicating color.

1.03 DELIVERY, STORAGE AND HANDLING

- A. Product to be delivered in manufacturer's original packaging.
- B. Products to be handled and stored to prevent damage to materials, finishes and operating mechanisms. Store in a clean, dry area, laid flat to prevent sagging and twisting of packaging.

**Part 2 – Products**

2.01 ACCEPTABLE MANUFACTURERS

- A. Springs Window Fashions or approved equivalent.

2.02 VERTICAL BLINDS

- A. Product: Graber G-71 Super-Vue Vertical Blinds
- B. Headrail: Shall measure 1 15/16" wide and 1 3/8" high with an average wall thickness of .050" and made of satin finish anodized aluminum alloy 6063-T5.
- C. Carrier is molded acetal with a detachable stem, molded in clear non-yellowing high-impact resistant nylon. Carriers shall traverse on self-lubricated wheels and stems shall be replaceable without demounting the headrail. Carriers are located in the center channel making the headrail reversible.

- D. Rotation of louvers shall be provided by pulling #10 nickel-plated steel bead chain, which rotates a planetary gear system. This drives an extruded (0.300 dia.) aluminum pinion rod that rotates the carrier stem. The standard E-Z Open feature will open louvers if traverse cord is operated.
- E. Traversing and spacing of louvers shall be achieved with a pantograph system made of hard-tempered 18 gauge (0.046") plated steel, providing uniform spacing. Louvers overlap no less than 3/8". Traverse cord is #3 (0.094") diameter with a minimal tensile strength of 125 pounds and is equipped with a cord weight and a cord clip that is positioned right above the cord weight and anchored to the wall or window jamb.
- F. Louver material and color: 3 1/2" PVC Standard Color TBD by Owner

### 2.03 Fabrication

- A. Prior to fabrication, verify actual opening dimensions by on-site measurement. Calculate blind dimensions to fit within specified tolerances.
- B. Fabricate blinds to fill openings from head to sill and jamb-to-jamb. Locate blind divisions at mullions.
- C. Fabricate blinds to fill all exterior window openings except at doors, door sidelights and transoms unless noted.

## **Part 3 – Execution**

### 3.01 Inspection

- A. Verify that the area in which the blinds are to be installed is free of conditions that interfere with blind installation and operations. Begin blind installation only when unsatisfactory conditions have been corrected.

### 3.02 Installation

- A. Install blinds in accordance with manufacturer's instructions except as otherwise specified herein.
- B. Install blinds with adequate clearance to permit smooth operation of the blinds.
- C. Demonstrate blinds to be in smooth, uniform working order.

### 3.03 Maintenance and Cleaning

- A. Maintain and clean blinds in accordance with manufacturer's instructions.

**End of Section**

## REQUIREMENTS OF THE PREVAILING WAGES ON STATE PROJECTS ACT, PUBLIC ACT 166 OF 1965

The Michigan Department of Labor & Economic Growth determines prevailing rates pursuant to the Prevailing Wages on State Projects Act, Public Act 166 of 1965, as amended. The purpose of establishing prevailing rates is to provide minimum rates of pay that must be paid to workers on construction projects for which the state or a school district is the contracting agent and which is financed or financially supported by the state. By law, prevailing rates are compiled from the rates contained in collectively bargained agreements which cover the locations of the state projects. The attached prevailing rates provide an hourly rate which includes wage and fringe benefit totals for designated construction mechanic classifications. The overtime rates also include wage and fringe benefit totals. Please pay special attention to the overtime and premium pay requirements. Prevailing wage is satisfied when wages plus fringe benefits paid to a worker are equal to or greater than the required rate.

### State of Michigan responsibilities under the law:

- The department establishes the prevailing rate for each classification of construction mechanic **requested by a contracting agent** prior to contracts being let out for bid on a state project.

### Contracting agent responsibilities under the law:

- If a contract is not awarded or construction does not start within 90 days of the date of the issuance of rates, a re-determination of rates must be requested by the contracting agent.
- Rates for classifications needed but not provided on the Prevailing Rate Schedule, **must** be obtained **prior** to contracts being let out for bid on a state project.
- The contracting agent, by written notice to the contractor and the sureties of the contractor known to the contracting agent, may terminate the contractor's right to proceed with that part of the contract, for which less than the prevailing rates have been or will be paid, and may proceed to complete the contract by separate agreement with another contractor or otherwise, and the original contractor and his sureties shall be liable to the contracting agent for any excess costs occasioned thereby.

### Contractor responsibilities under the law:

- Every contractor and subcontractor shall keep posted on the construction site, in a conspicuous place, a copy of all prevailing rates prescribed in a contract.
- Every contractor and subcontractor shall keep an accurate record showing the name and occupation of and the actual wages and benefits paid to each construction mechanic employed by him in connection including certified payroll, as used in the industry, with said contract. This record shall be available for reasonable inspection by the contracting agent or the department.
- Each contractor or subcontractor is separately liable for the payment of the prevailing rate to its employees.
- The prime contractor is responsible for advising all subcontractors of the requirement to pay the prevailing rate prior to commencement of work.
- The prime contractor is secondarily liable for payment of prevailing rates that are not paid by a subcontractor.
- A construction mechanic **shall only** be paid the apprentice rate if registered with the United States Department of Labor, Bureau of Apprenticeship and Training and the rate is included in the contract.

### Enforcement:

A person who has information of an alleged prevailing wage violation on a state project may file a complaint with the Wage & Hour Division. The department will investigate and attempt to resolve the complaint informally. During the course of an investigation, if the requested records and posting certification are not made available in compliance with Section 5 of Act 166, the investigation will be concluded and a referral to the Office of Prosecuting Attorney for criminal action under Section 7 and/or the Office of Attorney General for civil action will be made. The Office of Attorney General will pursue costs and fees associated with a lawsuit if filing is necessary to obtain records.

A violation of Act 166 may result in the contractor's name being added to the Prevailing Wage Act Violators List published on the division's website, updated monthly. This list includes the names and addresses of contractors and subcontractors the division has found in violation of Act 166 based on complaints from individuals and third parties. The Prevailing Wage Act Violators List is intended to inform contracting agents of contractors that have violated Act 166 for use in determining who should receive state-funded projects.

**Michigan Department of Labor & Economic Growth *Wage & Hour Division***  
**OVERTIME PROVISIONS for MICHIGAN PREVAILING WAGE RATE SCHEDULE**

1. Overtime is represented as a nine character code. Each character represents a certain period of time after the first 8 hours Monday thru Friday.

	Monday thru Friday	Saturday	Sunday & Holidays
First 8 Hours		4	8
9th Hour	1	5	
10th Hour	2	6	
Over 10 hours	3	7	

Overtime for Monday thru Friday after 8 hours:

the 1st character is for time worked in the 9th hour (8.1 - 9 hours)  
the 2nd character is for time worked in the 10th hour (9.1 - 10 hours)  
the 3rd character is for time worked beyond the 10th hour (10.1 and beyond)

Overtime on Saturday:

the 4th character is for time worked in the first 8 hours on Saturday (0 - 8 hours)  
the 5th character is for time worked in the 9th hour on Saturday (8.1 - 9 hours)  
the 6th character is for time worked in the 10th hour (9.1 - 10 hours)  
the 7th character is for time worked beyond the 10th hour (10.01 and beyond)

Overtime on Sundays & Holidays

The 8th character is for time worked on Sunday or on a holiday

The last character indicates if an optional 4-day 10-hour per day workweek can be worked without paying overtime after 8 hours worked.

2. Overtime Indicators Used in the Overtime Provision:

H - means TIME AND ONE-HALF due  
X - means TIME AND ONE-HALF due after 40 HOURS worked  
D - means DOUBLE PAY due  
Y - means YES an optional 4-day 10-hour per day workweek can be worked without paying overtime after 8 hours worked  
N - means NO an optional 4-day 10-hour per day workweek *can not* be worked without paying overtime after 8 hours worked

3. EXAMPLES:

HHHHHHHDN - This example shows that the 1½ rate must be used for time worked after 8 hours Monday thru Friday (*characters 1 - 3*); for all hours worked on Saturday, 1½ rate is due (*characters 4 - 7*). Work done on Sundays or holidays must be paid double time (*character 8*). The N (*character 9*) indicates that 4 ten-hour days is not an acceptable workweek at regular pay.

XXXHHHHDY - This example shows that the 1½ rate must be used for time worked after 40 hours are worked Monday thru Friday (*characters 1-3*); for hours worked on Saturday, 1½ rate is due (*characters 4 - 7*). Work done on Sundays or holidays must be paid double time (*character 8*). The Y (*character 9*) indicates that 4 ten-hour days is an acceptable alternative workweek.

**Informational Sheet: Prevailing Wages on State Projects**  
**General Information Regarding Fringe Benefits**

**Certain** fringe benefits **may** be credited toward the payment of the Prevailing Wage Rate:

- If a fringe benefit is paid directly to a construction mechanic
- If a fringe benefit contribution or payment is made on behalf of a construction mechanic
- If a fringe benefit, which may be provided to a construction mechanic, is pursuant to a written contract or policy
- If a fringe benefit is paid into a fund, for a construction mechanic

When a fringe benefit is not paid by an hourly rate, the hourly credit will be calculated based on the annual value of the fringe benefit divided by 2080 hours per year (52 weeks @ 40 hours per week).

The following is an example of the types of fringe benefits allowed and how an hourly credit is calculated:

Vacation	40 hours X \$14.00 per hour = \$560/2080 =	\$ .27
Dental insurance	\$31.07 monthly premium X 12 mos. = \$372.84 /2080 =	\$.18
Vision insurance	\$5.38 monthly premium X 12 mos. = \$64.56/2080 =	\$.03
Health insurance	\$230.00 monthly premium X 12 mos. = \$2,760.00/2080 =	\$1.33
Life insurance	\$27.04 monthly premium X 12 mos. = \$324.48/2080 =	\$.16
Tuition	\$500.00 annual cost/2080 =	\$.24
Bonus	4 quarterly bonus/year x \$250 = \$1000.00/2080 =	\$.48
401k Employer Contribution	\$2000.00 total annual contribution/2080 =	\$.96
<b>Total Hourly Credit</b>		<b>\$3.65</b>

Other examples of the types of fringe benefits allowed:

- Sick pay
- Holiday pay
- Accidental Death & Dismemberment insurance premiums

The following are examples of items that **will not** be credited toward the payment of the Prevailing Wage Rate

- Legally required payments, such as:
  - Unemployment Insurance payments
  - Workers' Compensation Insurance payments
  - FICA (Social Security contributions, Medicare contributions)
- Reimbursable expenses, such as:
  - Clothing allowance or reimbursement
  - Uniform allowance or reimbursement
  - Gas allowance or reimbursement
  - Travel time or payment
  - Meals or lodging allowance or reimbursement
  - Per diem allowance or payment
- Other payments to or on behalf of a construction mechanic that are not wages or fringe benefits, such as:
  - Industry advancement funds
  - Financial or material loans

## Official Rate Schedule

**Every contractor and subcontractor shall keep posted on the construction site, in a conspicuous place, a copy of all prevailing wage and fringe benefit rates prescribed in a contract.**

JENNIFER M. GRANHOLM  
GOVERNOR

KEITH W. COOLEY  
DIRECTOR

**Informational Sheet: Prevailing Wages on State Projects**  
**General Information Regarding Fringe Benefits**

**Certain** fringe benefits **may** be credited toward the payment of the Prevailing Wage Rate:

- If a fringe benefit is paid directly to a construction mechanic
- If a fringe benefit contribution or payment is made on behalf of a construction mechanic
- If a fringe benefit, which may be provided to a construction mechanic, is pursuant to a written contract or policy
- If a fringe benefit is paid into a fund, for a construction mechanic

When a fringe benefit is not paid by an hourly rate, the hourly credit will be calculated based on the annual value of the fringe benefit divided by 2080 hours per year (52 weeks @ 40 hours per week).

The following is an example of the types of fringe benefits allowed and how an hourly credit is calculated:

Vacation	40 hours X \$14.00 per hour = \$560/2080 =	\$ .27
Dental insurance	\$31.07 monthly premium X 12 mos. = \$372.84 /2080 =	\$ .18
Vision insurance	\$5.38 monthly premium X 12 mos. = \$64.56/2080 =	\$ .03
Health insurance	\$230.00 monthly premium X 12 mos. = \$2,760.00/2080 =	\$1.33
Life insurance	\$27.04 monthly premium X 12 mos. = \$324.48/2080 =	\$ .16
Tuition	\$500.00 annual cost/2080 =	\$ .24
Bonus	4 quarterly bonus/year x \$250 = \$1000.00/2080 =	\$ .48
401k Employer Contribution	\$2000.00 total annual contribution/2080 =	\$ .96
<b>Total Hourly Credit</b>		<b>\$3.65</b>

Other examples of the types of fringe benefits allowed:

- Sick pay
- Holiday pay
- Accidental Death & Dismemberment insurance premiums

The following are examples of items that **will not** be credited toward the payment of the Prevailing Wage Rate

- Legally required payments, such as:
  - Unemployment Insurance payments
  - Workers' Compensation Insurance payments
  - FICA (Social Security contributions, Medicare contributions)
- Reimbursable expenses, such as:
  - Clothing allowance or reimbursement
  - Uniform allowance or reimbursement
  - Gas allowance or reimbursement
  - Travel time or payment
  - Meals or lodging allowance or reimbursement
  - Per diem allowance or payment
- Other payments to or on behalf of a construction mechanic that are not wages or fringe benefits, such as:
  - Industry advancement funds
  - Financial or material loans
