  - Bear Creek sports (0.5 per season)
  - Outside workout program (25+ hours) approved by P.E. and Health Department Chair (.25). Talk with Ms. Miller.
  - Strength Training (0.5 per semester)

# So what should you take?

- BC graduation requirements vs. meeting your college admission goals.
- Colleges may make an initial admission decision that does not include your senior year GPA
- BUT, they will see what classes you chose to take
- Remember that applying to colleges during the fall may be quite time consuming.
- If you have doubts, talk with Mrs. Carhart about your senior schedule during your junior meeting.
