

# **GOOD NEIGHBOR**

SPRING BRANCH ISD  
PARTNER PROGRAM

**#Collective Greatness**

# We are **thankful.**

Dear Friends and SBISD Good Neighbors,

Reflecting on our students' progress in the three years since the launch of our strategic plan, **The Learner's Journey**, we have much for which to be thankful, and much to celebrate. Our highest and deepest gratitude goes to you - our Class of 2018 Good Neighbors - for your commitment to the success of **Every Child** we serve.

In the immediate aftermath and every day since Hurricane Harvey rained devastation and destruction on our city last year, displacing over a thousand SBISD staff members and families of SBISD students, your **Collective Greatness** has been a bright light illuminating the power, the heart, and the generosity of our community. You are truly difference makers.

SBISD continues to be guided by our single-focused **T-2-4 goal** for every SBISD graduate to attain a technical certification, military training, or a 2-year or 4-year degree. To ensure **Every Child** is ready to meet this challenge, we hold ourselves accountable to multiple measures of improvement and success. We also look holistically at our students' educational experience. Is **Every Child** making academic progress? Prepared for post-secondary success? Making connections beyond the classroom? These questions continue to drive our work.

You help us answer, "yes" through your partnership and service in SBISD. As mentors, reading buddies, after school and enrichment providers, you deepen our students' school lives and help them be better prepared for T-2-4 success. You provide weekend food for children who would otherwise go hungry and books for home libraries where otherwise there would be none. You provide teacher appreciation treats, bringing smiles and the message to our educators that our community cares and supports their work. No matter how you help - in ways big and small - you are there, supporting not only the academic needs, but also the social-emotional, physical and mental health needs of our children, families, schools and staff in an ever-more demanding world.

With your support, we have narrowed academic gaps while increasing academic achievement. Our SAT and ACT scores, and college-ready rates continue to lead at region and state levels. Your collaboration helps make these achievements possible. Together, we are shaping our children for the future - a future filled with promise and purpose.

We appreciate your continued support and partnership as we prepare our students and families for tomorrow. **Thank you for joining us on our journey!**

With gratitude,

Scott R. Muri, Ed.D.  
Superintendent of Schools

# Great supports. Great results. Great futures.

These are just a few of the ways we measured the Collective Greatness of SBISD Good Neighbors and partners:

251  
Class of 2018  
Good Neighbors
