from the
President
Board of Trustees

Dear Stanley Clark Family,

On behalf of the Board of Trustees, thank you for your support of The Stanley Clark School. Your choice to enroll your children, volunteer your time, and support the school philanthropically allows us to fulfill our mission.

As a board, our most important task is to ensure the sustainability of our school both now and in the decades to come. In 2017-2018, we celebrated the 60th year since the Stanley Clark School was founded. With dozens of new families, inspiring curricular enhancements, and a continued commitment to excellence, the Board is confident that the school's future is as bright as its storied history in our community.

We carefully steward the funds we receive, which come exclusively from tuition and philanthropic giving. Small class sizes, outstanding faculty, a commitment to the arts, and unique enrichment opportunities distinguish Stanley Clark. Your contributions of time, talent, and treasure allow us to sustain and enhance these differentiators. Thank you for helping to shape the development of hundreds of children.

I have been honored to serve this wonderful institution as a trustee over the past seven years. I am humbled by your generosity, and I hope you will be as excited as I am about the many accomplishments you'll find in this report.

With gratitude,

Board of Trustees

from the
Head of School

Dear Stanley Clark Family,

Thank you very much for the role you played in making 2017-2018 another wonderful year at The Stanley Clark School.

In the report that follows, you will find information about the generous financial support our families and friends have provided. Your tax-deductible gifts assisted us in holding down tuition costs by making up the difference between the expenses tuition dollars cover and the additional expenses we incur in delivering on our mission. You will see that participation was up, yet again, and that The Stanley Clark School remains on solid financial footing.

In addition to financial gifts, so many of you have given the gift of your time. The countless volunteer hours unselfishly donated to support our mission in so many ways: supporting Parents' Association events, volunteering for classroom activities, spreading the good word about the SCS experience. You have each made an invaluable contribution to our school.

I wish to thank the Board of Trustees for their tireless volunteer efforts on behalf of our school. They are the unsung heroes who ensure our school is strategically on the right path for the future, true to our mission, and fiscally sound. Board members support our school passionately with donation of their time, expertise and gifts. A special thank you to Erin Hoffmann Harding for serving as President. We have an outstanding board, and I thank them for their vision and unwavering belief in our mission.

As you peruse this Annual Report, I hope you feel the deep gratitude we have for each of you and the many ways you have chosen to support The Stanley Clark School.

Warm regards,

A handwritten signature in cursive script that reads "Melissa L. Grubb".

As with most independent schools, tuition is the largest source of revenue and covers approximately **77%** of the school's budget. The school relies on income from its endowment and the support of the greater SCS family through charitable giving for the amount not covered by tuition and other revenues. Every gift is a direct investment in our academic programming, our talented faculty members and our facility at The Stanley Clark School.

The Stanley Clark School is a 501 (c)(3) organization and is therefore exempt from federal and state taxes. A copy of the school's federal tax Form 990 is available upon request. The school has received an unqualified opinion on its financial statements from its independent auditors, Crowe, for the past 30 years.

Revenue from Charitable Giving

Charitable giving at The Stanley Clark School empowers and equips the school to strengthen the operating budget, invest in permanent endowments, and support the people and facilities at the heart of SCS. All gifts play a vital role in Clark's financial success. Last year, donors like you supported the school in the following ways:

KALEIDOSCOPE
56%

Each year the community comes together to celebrate The Stanley Clark School for an evening of friendship and fundraising that supports the operating budget. Through underwriting, sponsorship, attendance, silent auction purchases and paddle raises, school families, friends, and benefactors ensure the success of this event every year.

**In 2017-2018, Kaleidoscope gifts totaled
\$363,554**

CLARK FUND
24%

The Clark Fund is our year-round philanthropic program that helps raise unrestricted dollars to support the school's operating budget. These funds, along with the funds raised from Kaleidoscope, help to offset the variance in the cost of educating a child and the tuition that is collected.

**In 2017-2018, Clark Fund gifts totaled
\$122,030**

RESTRICTED FUNDS
19%

Some benefactors choose to designate their gifts to support specific programs or needs. The school utilizes the funds in accordance with the donor's intent.

**In 2017-2018, Restricted Funds totaled
\$155,185**

ENDOWMENT
1%

Gifts made to the endowment ensure that The Stanley Clark School will be here to serve this community for generations to come. Endowments are investment funds that preserve the corpus of the original gift and allow the interest to be used to support programs, scholarships, people, or the operating budget in perpetuity.

**In 2017-2018, Endowment gifts totaled
\$9,552**

The Stanley Clark School is grateful to accept any of the following:

- Cash gifts
- Pledged gifts

The Parents' Association

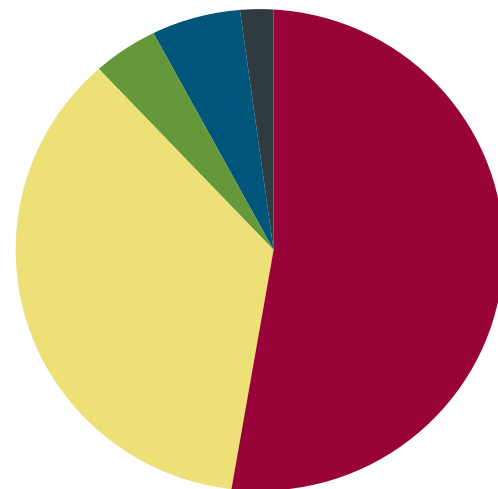

The Parents' Association enriches school life through parental participation and enhances communication among parents, faculty, staff, and administration. Each parent has something valuable to offer The Stanley Clark school community.

In addition to community building, the PA works tirelessly to raise funds to support the immediate classroom and programming needs at Stanley Clark. Through events and give back programs, the Parents' Association underwrites the middle school etiquette class, parent education opportunities, the athletics program, and materials to enhance our students' daily experience.

We are grateful to all who lend their time and talents to this organization. In the page that follows, we recognize those who supported the PA's Clark Run for Enrichment.
