

NEW LEBANON ELEMENTARY SCHOOL BUILDING COMMITTEE

Community Update – March 2019

About the School Building Project

This intra-district elementary International Baccalaureate magnet school serves students in preschool – grade 5. The centrally located learning commons, equipped with flexible furnishings & adaptable technological infrastructure, allows for multiple zones of simultaneous learning. The building is designed to meet the sustainability goals established by the Educational Specifications and to achieve a gold-level LEED rating from US Green Building Council.

- The building successfully opened for students on Wednesday, February 20, 2019.
- There was a public open house held on Saturday, February 23, 2019
 - Special Thank You to all involved.

Work anticipated for the coming weeks:

- Punchlist work will be scheduled after school hours or on Saturdays.
- Fencing will begin in late March around the old building in preparation for the Demolition.

The project has received its 4th reimbursement from the state, \$3,495,815, totaling \$15,738,167 to date.

If you have a concern, please contact the Gilbane Project Manager, Daniel Phillips at (914) 246-4862.
