

## Shawnee Mission North 1959 Class Reunion

Friday, October 4 - Sunday, October 6, 2019

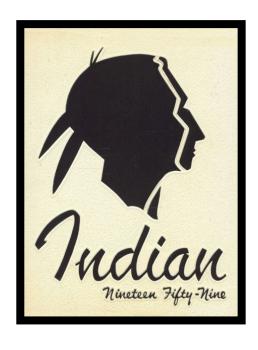

## What do you mean, 60th Reunion?????? We're Not that Old!!!!

Yes - believe it! 2019 will be 60 years since we left the hallowed halls of Shawnee Mission North.

Remembering some of the hassles in planing for the 50th and 55th reunion due to a somewhat late start in planning, the remnants of the 55th planning committee believe it's not too early to start thinking about the 60th reunion.

At this point, we are planning a two night reunion on Friday, October 4th and Saturday October 5th. Initial plans include a casual gathering Friday night at Lucky Brewgrille in Mission, a tour of Shawnee Mission North High School on Saturday and a Saturday night dinner gathering at Milburn Country Club. These are the overall concepts and the detailed planning has started

We will be sending out additional information within the next month and hope you will plan on attending! Your 60th Class Reunion Committee.
