Tier 3 Newsletter Update

Hello everyone, I just wanted to send out this newsletter as an update into what we have done this year and what we will be doing going forward!

On behalf of myself Mr. Reid, and Mr. Nick it has been a great year working with our students! Our classroom has four brand new students this year as well as two veterans. We have enjoyed working in the PAES lab, Community Based Outings, Cooking, Grocery Shopping at Krogers, and all the other Life Skills and Vocational activities with our students. We look forward to the Winter Ball, and end of the year trip to Splash Village!!
