

580 RESTRICTIVE PROCEDURES FOR SPECIAL EDUCATION STUDENTS

- I.** The School District adheres to the use of positive behavioral supports. School environments that are positive, predictable, relevant, and effective are safer, healthier and more caring, have enhanced learning and teaching outcomes and provide a continuum of support for all students.

II. GENERAL STATEMENT OF POLICY

The School District promotes the use of positive approaches for behavioral interventions for all students. When restrictive procedures are employed in an emergency situation with students on an **Individualized Education Plan (IEP)** the School District will adhere to the standards and requirements of Minnesota Statutes 125A.0942 Restrictive Procedures for Children with Disabilities

III. DEFINITIONS

- A.** The following terms have the meanings given them.
1. “Emergency” means a situation where immediate intervention is needed to protect a child or other individual from physical injury or to prevent serious property damage.
 2. “Physical holding” means physical intervention intended to hold a child immobile or limit a child’s movement and where body contact is the only source of physical restraint. The term physical holding does not mean physical contact that:
 - (a) helps a child respond or complete a task;
 - (b) assists a child without restricting the child’s movement;
 - (c) is needed to administer an authorized health-related service or procedure; or
 - (d) is needed to physically escort a child when the child does not resist or the child’s resistance is minimal.
 3. “Positive behavioral interventions and supports” means interventions and strategies to improve the school environment and teach children the skills to behave appropriately.
 4. “Restrictive procedures” means the use of physical holding or seclusion in an emergency.
 5. “Seclusion” means confining a child in a room from which egress is barred. Removing a child from an activity to a location where the child cannot participate in or observe the activity is not seclusion.

IV. PERSONNEL DEVELOPMENT ACTIVITIES

- A. Personnel development activities will be provided to District staff and contracted personnel who have routine contact with **Special Education** students and may use restrictive procedures in the following areas:
1. Positive behavioral interventions;
 2. Communicative intent of behaviors;
 3. Relationship building;
 4. Alternatives to restrictive procedures, including techniques to identify events and environmental factors that may escalate behavior;
 5. De-escalation methods;
 6. Standards for using restrictive procedures;
 7. Obtaining emergency medical assistance;
 8. Physiological and psychological impact of physical holding and seclusion;
 9. Monitoring and responding to a child's physical signs of distress when physical holding is being used; and
 10. Recognizing the symptoms of interventions that may cause positional asphyxia when physical holding is used.

V. STAFF TRAINING REQUIREMENTS

Staff who design and use behavioral interventions will complete training in the use of positive approaches as well as restrictive procedures. Training records will identify the content of training, attendees, and training dates.

VI. RESTRICTIVE PROCEDURES AND PROHIBITED PROCEDURES

- A. Restrictive procedures that may be used in emergency situations include seclusion and physical holding.

Prohibited procedures include the following:

1. Corporal Punishment which includes conduct involving;
 - (a) hitting or spanking a person with or without an object; or
 - (b) unreasonable physical force that causes bodily harm or substantial emotional harm;
2. Requiring the student to assume and maintain a specified physical position, or posture that induces physical pain;
3. Presenting an intense sound, light or other sensory stimuli using smell, taste, substance, or spray as punishment;
4. Denying or restricting the student's access to equipment and devices such as wheelchairs, hearing aids or communication boards that facilitate the student's functioning except when temporarily removing the equipment or device is needed to prevent injury to the student or others or serious

- damage to the equipment or device, in which case the equipment or device shall be returned to the student as soon as possible;
5. interacting with a student in a manner that constitutes sexual abuse, neglect, or physical abuse
 6. Totally or partially restricting a student's senses as punishment;
 7. Withholding regularly scheduled meals or water;
 8. Denying the students access to bathroom facilities, and/or;
 9. Physical holding that restricts or impairs a student's ability to breathe.
 10. Use of tasers or threatened use of tasers.

VII. DOCUMENTATION PROCEDURES

- A. The use of restrictive procedures in emergency situations will be documented in the restrictive procedure log. The district will monitor and review the use of restrictive procedures, including conducting post-use debriefings and convening an over sight committee.

The use of restrictive procedures in behavioral intervention plans will be documented. Reviews will be conducted in accordance with the plan. A student with a disability/**IEP**, due process and documentation requirements will be followed.

Record retention will be in accordance with administrative policies on student records.

VII. EMERGENCY SITUATIONS – USE OF RESTRICTIVE PROCEDURES

- A. The School District shall make reasonable efforts to notify the parent on the same day by phone when restrictive procedures are used in an emergency. If the school is unable to provide same-day notice, notice will be sent by written or electronic means or as otherwise indicated by parent.

District Administration will receive written notification when restrictive procedures are used in emergency situations. Records will be reviewed annually.
