Training opportunities

Multiple opportunities for training.

10/23: State Training in Ogden

10/24: District Training @ NDJH

Everyone must attend training. You can go to one of the sponsored trainings, online training or we can providing a training for our council at one of our meetings.

Principals Topics

Teachers are starting to purchase their Land Trust monies.

Kindergarten are doing STEM kits and activities, will have the students write about their experience and observations, which will relate back to our SIP goals.

1st: No purchases currently.

2nd: No purchases currently.

3rd: Wanted to purchase a mystery science curriculum that had weekly lessons. The district is going to purchase those, so the 3rd grade team will meet again to discuss acquiring items to help students achieve and reflect back to our SIP goals.

4th: Classroom sets of reading books. Purchasing rocks/geodes for their science curriculum.

5th: Looking to acquire Science manipulatives.

6th:

Sp. Ed.: Leveled curriculum reading books.

Other Topics

6th Grade – concerns of backpack weight. Coats and winter attire.

Orchestra & SEM have arranged their times so that 6th graders can participate in both.

Art Class: Just purchased a curriculum called “Meet the Masters”. So Ms. Cooper will be starting that program in the next couple of weeks.

Choir: They will be organizing this in the next couple of weeks and getting ready for a December performance. We will evaluate the success after the new year and decide if we will continue that in the spring. We also have to consider how many students will want to be in the school play and how that will affect choir enrollment.

School Play: The Wizard of Oz. It’s on the calendar for March and will be performed at NDJH.

Fundraising: We did fine on the Wasatch books. Next year we are considering doing a No Fundraiser – Fundraiser.

Future Agenda Items

Review last year’s data to start discussing goals for our February, March & April meetings.
