Empowering students to be independent critical thinkers and responsible global citizens

American School Hong Kong

Thursday, March 28 2019

Internationally Minded Assembly @ 11:30 pm

International Taste-Fest @ 12:15 pm

International Activities for Students and Parents @ 1:00 pm

ASHK increases participation in International School Sports

In 2018/19, ASHK has expanded their sports programs and entered more teams in ISSFHK competitions. Pictured below is the track and field team. We have also entered a team in the badminton league and additional teams in basketball and soccer. Go Lightning Go!

Successful Food Drive

Thanks to our elementary school student council for organising the school's successful food drive and to parents for your support. Did you know over a million people in Hong Kong live in poverty and have \$30 a day or less to spend on food? **Feeding Hong Kong** is a food bank dedicated to collecting, sorting and redistributing high quality surplus food.

2:45 pm

Upcoming Coffee Morning

Helping Children with Social Anxiety

It is normal for children to be a little anxious in new situations, including a new school, or a new classroom. Some children, however, remain overly anxious and fearful, and have difficulty with routines, social situations, and fitting in with their peers. In this presentation, we will discuss the roots of anxiety, how it can progress if left untreated, and how to help your child develop the skills necessary to be "school ready".

Tuesday, March 12 (8:00 - 9:00 am)

3/F Meeting Room

Presenter:

Katrina Rozga CCC MC (Psych)
 Jadis Blurton
