Boston University Summer Term | *Boston University - Boston, MA*

<http://www.bu.edu/summer/high-school-programs/>

- Boston University's summer programs provide a preview of college life, combining academic challenge and a strong social community. Programs offered: High School Honors Program, High School Honors Online, Academic Immersion, Research Internship in Science and Engineering, Summer Challenge, and Summer Preview.

Brown University Summer Pre-College Program | *Brown University - Providence, RI*

<http://www.brown.edu/academics/pre-college/>

- Experience college, prepare for academic success, and make new friends from around the world in Brown Pre-College Programs. Throughout the summer Brown offers multiple sessions 1-7 weeks in length, and more than 300 courses to choose from – on campus, online, and abroad.

Case Western Reserve University Pre-Collegiate Summer Programs | *Case Western Reserve University, Cleveland, OH*

<https://case.edu/summerprograms/>

- Summer programs in social justice, STEM, innovation and Entrepreneurship, and imagine science will allow ambitious high school students to engage in college curriculum, conversations, and activities.

Clemson University Summer Scholars | *Clemson University- Clemson, SC*

<http://www.clemson.edu/summer/summer-science/>

- For almost 40 years, Clemson University has offered an academic summer experience for gifted middle and high school students. In addition to challenging courses, we provide opportunities for fun, friendship and a true Clemson experience.
- Middle and high school students will enjoy this one-week introduction to college subjects while being immersed in the culture of Clemson University.

Cornell University Summer Programs | *Cornell University- Ithaca, NY*

<https://www.sce.cornell.edu/sc/>

- Cornell's summer programs include sessions in architecture, art, design, fashion, business, hospitality, leadership, college success, English immersion, custom programs, debate, literature, engineering, robotics, government, history, international relations, psychology, research, science, sustainability/social change, veterinary medicine, and animal science.

Davidson July Experience | *Davidson College - Davidson, NC*

<http://www.davidson.edu/offices/july-experience>

- A powerful pre-college summer academic experience for rising high school juniors and seniors who are highly motivated, academically oriented, and self-disciplined. Students will take two liberal arts courses, taught by full-time Davidson faculty, live in residence halls, and participate in sessions about the college admission process, while getting prepared for college.

Duke University Summer College for High School Students | *Duke University - Durham, NC*

<http://summersession.duke.edu/high-school-students/summer-college-for-high-school-students>

- Summer College for High School Students. A four-week, credit-bearing program offered by Duke University, attracts current 10th and 11th grade students who represent the next generation of leaders from around the world. Immerse yourself in an international college experience by enrolling in this elite program designed to provide the academic and residential environment conducive for collegiate success.

Emory University Pre-College Program | *Emory University - Atlanta, GA*

<http://precollege.emory.edu/>

- The Emory Pre-College Program is a summer academic program for high school students. It gives college-bound rising juniors and rising seniors an exciting glimpse of academic and residential life.
- High school students may explore topics with professors who are the leading experts in their fields, enroll in classes with college students, and earn transferable college credit. Two-week non-credit courses and six-week credit courses are available.

Furman Summer Scholars Program | *Furman University - Greenville, SC*

<http://www.furman.edu/admission/EngageFurman/Visit/Pages/summer-scholars.aspx>

- Experience the academic life and social scene at Furman. Whether you're interested in graphic design or pre-med, Summer Scholars offers you the opportunity to discover what it's like to study at Furman. Each student has the option to select one of six courses.

Georgetown University Summer Programs | *Georgetown University - Washington, DC*

<http://scs.georgetown.edu/departments/21/summer-programs-for-high-school-students>

- Our one-week Institutes and three-week Immersion Programs will take you on an intensive learning experience. You'll dig into a single subject through an experiential, hands-on course that integrates off-site visits and guest speakers with discussion sections and collaborative work. Students can expect to amass a wealth of knowledge and college experience in a short amount of time.

New York University Pre-College | *New York University- New York, NY*

<http://www.nyu.edu/admissions/high-school-programs.html>

- With NYU Precollege, rising juniors and seniors can apply to take college-level courses for credit and experience life as an NYU student. Credit-bearing courses are available in more than 30 subjects to fit every interest and academic need.
- Precollege hosts social events and activities to create a sense of community and help students get to know one another while exploring the city around them.

NIAHD Pre-College Summer Program in Early American History | *The College of William and Mary, Williamsburg, VA*

<http://www.wm.edu/as/niahd/precollegiatesummer/>

- If you are at least a sophomore in high school, you have an opportunity this summer to travel back in time to discover early America in a unique hands-on way.
- Participants in the W&M Pre-College Program are enrolled as non-degree seeking students at the College of William & Mary. They earn 4 academic credits taking one of two history courses: HIST 217 or HIST 218. They live together in an air-conditioned dormitory on the College of William and Mary campus and take their meals in campus dining facilities. Tuition, dorm room, and meals are all covered in the cost of the program.

Sewanee: The University of the South Pre-College Field Studies Experience | *Sewanee: The University of the South- Sewanee, TN*

<http://summer.sewanee.edu/high-school-students/fieldstudy/>

- Sewanee's Pre-College Field Studies Experience is a summer residential program for students who are passionate about the outdoors and interested in studying the environment. This two-week experience explores the diverse ecosystems of the Cumberland Plateau, ecological exploration with faculty examining the plant and animal species that inhabit these ecosystems.

Stanford Pre-Collegiate Studies | *Stanford University – Stanford, CA*

https://spcs.stanford.edu/collegecounselor?utm_campaign=CACmailing&utm_source=CACmailing&utm_medium=email

- For students in Grades 7-12.
- Stanford Pre-Collegiate Studies produces an array of programs for academically talented young students everywhere. Our programs are available online and in-person, during the summer and year-round, and feature broad exploration or intense study in a single subject.

Stevens Institute of Technology – Pre-College Programs | *Stevens Institute of Technology – Hoboken, NJ*

<https://www.stevens.edu/admissions/pre-college-programs>

- Stevens Pre-College allows students to participate in hands-on, project-based learning, experience campus life, visit leading companies, and make their college applications stand out. Offers opportunities to discover New York City, both in and out of the classroom.

Summer Discovery at Penn State | *Penn State University - University Park, PA*

<http://www.summerdiscovery.com/penn-state>

- 3-week and 2-week sessions are open to students completing grades 9, 10, 11, & 12
- At Summer Discovery Penn State, we help you prepare for your transition from high school to college. Our pre-college program combines academics, athletics, and activities to give high school students a well-rounded introduction to college life. Special classes and institutes include Business, Psychology, Anthropology, and College Skills.

The University of Georgia Terry Accounting Residency Program | *The University of Georgia - Athens, GA*

<http://www.terry.uga.edu/academics/certificates/accounting-residency-program>

- The Terry Accounting Residency Program is open to current sophomores, juniors, and seniors planning to attend UGA. Students will learn about the accounting profession- career options, develop financial literacy and leadership skills, participate in instructional sessions, and learn how to write a résumé.

The University of Georgia Terry Business Academy | *The University of Georgia - Athens, GA*

<http://www.terry.uga.edu/academics/certificates/terry-business-academy>

- The Terry Business Academy is a highly selective, pre-collegiate summer program for rising juniors and seniors planning to attend UGA. Students will explore business majors and potential career paths, learn presentation skills and marketing plans, and visit corporate headquarters and innovate companies in Athens and Atlanta.

Yale Young Global Scholars Program | *Yale University - New Haven, CT*

<http://globalscholars.yale.edu/>

- Participants can expect an amazing summer experience studying in beautiful campus lecture halls and classrooms, living in Yale's historic residential colleges, eating in award-winning dining halls, meeting a talented community of fellow students, engaging with world-renowned professors, and interacting with extraordinary visiting practitioners.

Auburn University Youth Programs | *Auburn University, Auburn, AL*

<http://www.auburn.edu/outreach/opce/auburnyouthprograms/camplist.htm#atoz>

- Week-long campus for every interest from sports science to world affairs, culinary, art, photography, fisheries and beyond!

Birmingham-Southern College Entrepreneurship Camp | *Birmingham-Southern College - Birmingham, AL*

<http://www.bsc.edu/academics/business/camp.cfm>

- Participants will experience real-world business activities through case studies, role-playing, and sessions with local entrepreneurs. Curriculum covers a range of topics including: business plan writing, social responsibility, marketing, competition/collaboration, cash flow/budgeting, and leadership.

CDC Disease Detective Camp | *CDC - Atlanta, GA*

<http://www.cdc.gov/museum/camp/>

- Week-long day camp for rising high school juniors and seniors that teaches attendees the fundamentals of CDC's work: the field of public health and the science of epidemiology.

Envision Experience - National Youth Leadership Forums | *Multiple locations throughout the United States*

<http://www.envisionexperience.com/>

- Absorb cutting-edge insights and knowledge, and participate in simulated exercises that mirror real world challenges.
- Forums available for medicine and healthcare, business, law, digital media, S.T.E.M., national security, diplomacy, engineering, and technology.

Gettysburg College Summer Camps | *Gettysburg College, Gettysburg, PA*

https://www.gettysburg.edu/about/offices/fa/conferences/summer-camps.dot?utm_source=Listrak&utm_medium=Email&utm_term=http%3a%2f%2fwww.gettysburg.edu%2fabout%2foffices%2ffa%2fconferences%2fsummer-camps.dot&utm_campaign=Academic+Summer+Programs&com.dotmarketing.htmlpage.language=1

- Unique summer programs for high school students offered in psychology, creative writing, piano, and information technology.

Global Scholar | *American University - Washington, DC*

<http://www.globalscholar.org/>

- Global Scholar is an international relations summer program that builds the knowledge and skills high school students need to become leaders. Through hands-on learning and meetings with leading policy experts, Global Scholar empowers many young global leaders to become change makers on their college campuses and in their local communities.

Sewanee Young Writer's Conference | *The University of the South - Sewanee, TN*

www.sewanee.edu/ywc

- Workshops in fiction, playwriting, poetry, and creative nonfiction.

SuperCamp: Quantum Academy | *Cal State San Marcos – San Marcos, CA*

<http://www.supercamp.com/college/>

- Immerses high school seniors in activities that open their eyes to what they need to succeed in college and beyond. In building habits for success students participate in team activities, workshops, dialogue, and personal reflection, and gain awareness and strategies on how to successfully navigate their college years and build a solid foundation for their career and life beyond the campus. A prime focus of this program, is the development by students of a personal growth plan and clearly defined action steps.

SuperCamp: Senior Forum | *Stanford University - Palo Alto, CA*

<http://www.supercamp.com/high-school/>

- Grades: Students Entering Grades 9-12
- Covering the threads of communication, collaboration, critical thinking, creativity, and character, participants examine their own limiting beliefs, learn academic and life success strategies, reframe attitudes, and look at replacing old ineffective habits with new successful habits. Students define what is important to them, why they learn the way they do, and how to make use of their new knowledge to learn and live better.

United States Naval Academy Summer STEM Program | *U.S. Naval Academy - Annapolis, MD*

<http://usna.edu/Admissions/STEM/>

- The United States Naval Academy focuses on four areas during the Summer STEM Program: Science, Technology, Engineering, and Mathematics. This program is designed to encourage rising 9th-11th graders to pursue a course of study in engineering and technology throughout high school and college.

Auburn University Summer Camps | *Auburn University - Auburn, AL*

<http://www.auburn.edu/outreach/opce/auburnyouthprograms/>

- Choose from over 100 summer programs designed to educate and inspire youth in a variety of academic, athletic, and extracurricular endeavors. Participants have the opportunity to further their education and skills while making new friends and experiencing life at Auburn University!

Phillips Exeter Academy Summer School | *Phillips Exeter Academy - Exeter, NH*

www.exeter.edu/summer

- During the program's five weeks of academic study, athletics, and personal exploration, students will experience the student-centered learning style Exeter calls Harkness. As a summer student, you will have full access to Exeter's campus and its unparalleled academic buildings, library, physical education facilities and art spaces. Exeter Summer hosts the UPPER SCHOOL program for rising 10-12th-graders and the ACCESS EXETER program for rising eighth- and ninth-graders.

Summer Discovery | *UCLA - Los Angeles, CA, UCLA Business, UC Santa Barbara, U Texas Austin, U Michigan*

<http://www.summerdiscovery.com/>

- Take advantage of the amazing Pac-12 athletic facilities at UCLA, UCSB, UT Austin's Big 12 athletic facilities, or Michigan's Big Ten athletic facilities, through pick-up games, tournaments, and Sports Plus classes.

University of Alabama Summer Programs | *University of Alabama - Tuscaloosa, AL*

<http://k12summer.ua.edu/>

- Athletic Camps and Athletic Training Camps - The camp is designed for junior high and high school students who are interested in gaining athletic training knowledge and skills. The program will address current concepts in athletic training and is taught by certified athletic trainers who work at The University of Alabama. Topics discussed - Basic Anatomy, Mechanisms of Sport Injuries, Gait Analysis, Evaluation Techniques, Taping and Wrapping, Concussion Assessment.

<http://www.gobroadreach.com/>

- 12 to 37-day summer programs, earn community service and/or college credits
- Programs offered include - Scuba and Sailing, Marine Biology, Veterinary Medicine, Biodiversity, French Immersion, Physical Sciences, Spanish and Service, Master Diver, Medical Spanish, Video, Intro to Medicine, Urban Design, Photography, Advanced Scuba, Technology and Development, Sea Turtle Discoveries, Marine Conservation, Advanced Photography, Multimedia Adventure, Marine Mammal Studies, Multimedia, Wilderness Emergency Medicine, French Language and Culture, Global Medicine, Advanced Marine Biology, Shark Studies, Advanced Sailing, Field Biology, Ultimate Predators, Spanish Language and Culture, Marine Engineering, and Spanish Immersion.

Moondance Adventure Programs | *Domestic and International*

<http://www.moondanceadventures.com/>

- Moondance provides adventures where students are challenged to leave their comfort zones, and are delighted with who they reveal themselves to be outside of their day to day lives. We believe that the outdoors is the ideal setting for reminding us of who we are as leaders, team members, friends and human beings. We go places where distractions are limited to night skies, sunsets, new friends, good conversation, mountain passes and fresh air. We show our students that they become better when they are working for something bigger than themselves.

Oxbridge Academic Programs - Summer Study Abroad | *Oxford, England; Paris, France; Barcelona, Spain; UCLA-Los Angeles, CA; New York, NY; Boston, MA; St. Andrews, Scotland*

www.oxbridgeprograms.com

- Oxbridge Academic Programs has been welcoming intellectually adventurous high school and junior high school students to summer study programs in Europe and the United States for over 30 years. Students from over 80 countries are housed and educated in great and historic centers of learning: Oxford and Cambridge in England, St. Andrews in Scotland, Barcelona and Salamanca in Spain, Paris and Montpellier in France, and New York City, Boston, and Los Angeles in the United States.

Sail Caribbean | *Caribbean*

<http://www.sailcaribbean.com/>

- Experiential learning and leadership education is integrated into every session. Students are taught life skills: teamwork, communication, and decision-making resulting in increased independence and self-confidence. Each program has a distinct focus including sailing, scuba, environmental services, leadership, marine science, cultural immersion, and service learning. Student can earn 5-30 hours of community service.

SPI Study Abroad, High School Language Immersion and Global Leadership Programs | *Spain, France, Italy, Costa Rica, China, and Mexico*
<https://www.spiabroad.com/>

- 2 to 6-week programs
- Summer Programs International (SPI) offers college credit high school study abroad programs. SPI's interactive language immersion programs combine inspiring cultural leadership experiences, volunteer service projects, and exciting travel excursions where language and culture come to life!

Wilderness Ventures | *Domestic and International*
<http://www.wildernessventures.com/>

- HIGH TRAILS – For Students Finishing 9th through 12th+ Grades. Our Leadership Adventures, conducted for the past 43 years, are designed for high school students seeking more of a challenge like summiting Mount Rainier or the Grand Teton. These adventures offer an extended wilderness experience and are designed to give the participants a greater role in daily decision making.
- GLOBAL TREKKERS – For Students Finishing 7th through 12th Grades. Our International Adventures, conducted for the past 15 years, are the perfect choice for middle and high school students wanting to gain a global perspective while adventuring in some of the most magnificent destinations on our globe.
