
**THE ANEX BROTHERS: BASIL, GEORGE AND ROBERT
SCIENCE DEPARTMENT SCHOLARSHIP AWARD
(\$4,000)**

The science award will be granted to a student who has demonstrated that he/she has the ability, motivation, and interest in pursuing a career in a science field. The science faculty committee will select the recipient by evaluating the following criteria.

A. An application to include the following:

1. G.P.A. minimum of 3.0 in science classes.
2. Science classes completed - minimum of 4 science credits.
3. A written statement of commitment answering the following question. "How does science apply to my future goals?"
4. Other science activities such as volunteering at the Aquarium or the Science Center.
5. Submit an official transcript.

B. The candidate will complete one of the following:

1. A two - three page report (800 -1000 words, double-spaced with one inch margins) on a current science topic or issue. Sources must be documented in a bibliography using MLA format. Submission must include an electronic copy in addition to a paper copy.
2. A science project which includes original research. The nature of the project must be approved by the science department.

If you are selected for this scholarship, you must: (1) attend the Scholarship Reception, (2) write a thank you card (3) submit your Scholarship Financial Notice on or before your graduation date and (4) Participate in the College Signing Day Assembly. Failure to do these four things will disqualify you from receiving the Scholarship.

DUE: Wednesday, April 17th @ 4:00PM in the College & Career Center

**Highline High School Alumni Foundation
Science Scholarship Award Application**

Please complete neatly in ink or type.
