

## PE and Sports Grant

The government has been providing additional funding of £450 million commencing September 2013 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers.

This funding is ring-fenced and therefore, can only be spent on provision of PE, sport and promoting physical activity in schools.

### Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

#### Lynch Hill School has decided to use the money to:

- Enter into Partnership with Slough Schools Sports Network and the Slough Active Movement programme, to enable staff and pupils to have access to an extensive sports and physical activity programme. This package includes staff training and allows children to enter a range of tiered competitions.
- Pay for additional professional development opportunities for Sports coaches and teachers, in PE and sport so that they feel confident to deliver high quality lessons and clubs
- To ensure that PE lessons are adequately resourced to enable good & better teaching (with resources that are differentiated)
- To support and engage the least active children in physical activities beyond PE lessons
- To enable reluctant pupils to readily participate in PE lessons and increase participation in physical activities at breaks and in clubs
- To use sport as a means of providing mentorship and for developing leadership
- To introduce new sports for pupils across the school to participate in

**The impact of the use of the grant will be reviewed at the end of this year.**

#### HOW THE IMPACT WILL BE MEASURED:-

Objective	Measure
High quality PE lessons	Observations show over 90% of lessons are good or better Resources are used effectively to support learning Additional sports TAs are used in all lessons
Pupils make progress in PE lessons and that participation and enjoyment in PE is a	Assessment details show pupils make good or better progress and attainment is in-line with National Expectations. Higher % of pupils are exceeding LHS sports targets in a growing ranges of sports across KS1

contributing factor in raised attainment in core subjects across the school	and KS2
Increased participation in sports clubs by reluctant participators	Club registers will be analysed to monitor the attendance of: New participants, girls, boys, Pupil Premium, EAL & SEN. Young Leaders will have been used to support clubs and children, encouraging and supporting the more reluctant.
Increased levels of daily activity by pupils through the introduction of class exercises and active movement schedule	Observations and teacher feedback will show that all children are participating in ten minute daily exercises as prescribed by the school PE team Lunchtime staff will report on the additional exercise undertaken and confirm that the more reluctant are becoming more active Exercise logs will be introduced to record additional activities and create greater links between home/school
More able pupils are given greater challenge in lessons and clubs	More-able pupils in sport are given the coaching and mentoring to develop further and achieve greater success in their chosen sporting activities. Continued success in Slough and Berkshire competitions Greater links between LHSPA and outside clubs
A greater % of pupils will leave KS2 as water confident	Opportunities at the start of KS2 to attend a series of swimming lessons and further opportunities later in KS2 for children to develop skills further so that they are able to swim 25 metres, perform a range of strokes and perform water safety
To make considerable progress towards achieving the Sainsbury's Platinum Quality Mark	Continue all criteria for Gold award so as to retain this award for four consecutive years in order to be eligible for platinum in either summer/Autumn 2020. Addressing key platinum targets including updating parents and advertising sporting success more frequently and increasing partnership and club links so as to widen opportunities for pupils.
