ROUND UP!

## Kindness Week is Coming! There will be 'Random Activities of Kindness' each day...

**MONDAY: Kindness Week Begins** - The student council will launch a new program called "Student Shout-Outs" which are similar to Blue Slips / Wrangler Awards except STUDENTS give them out! Children will be able to complete a Shout-Out form for any other person in the school - either another student, a teacher or staff member, or a volunteer. The students will have their first opportunity to nominate someone for a Shout-Out on Monday during lunch. Afterwards, a stack of shout-outs will be available outside the office on top of the Box Tops drawers alongside the Shout-Out Mailbox. When students have completed their Shout-Out form they should place it in the mailbox for special delivery. Student Council members will collect the forms and put one copy in the teacher's mailbox while the other copy will be stapled to the Shout-Out Board located outside the lunchroom. **TUESDAY: Wear Yellow! Be a star and radiate kindness** - Student Council will be helping the student body make a Kindness Chain. There will be slips of paper where students can either write an act of kindness done for them or by them for another person. We will link the slips together to make a chain and see how long we can make it during the week. Extra links in be made available in teacher's mailboxes. When the slips have been filled out, students can put them in the shout-out mailbox to be added to the chain. **WEDNESDAY: Wear Something Sporty! Cheer on your favorite team AND include everyone in kindness** - We have invited the Impact Team from Viewmont to play some cooperative outdoor games during lunch recess. Student Council will help by inviting all students to participate and being a good example of sportsmanship. **THURSDAY: Wear Wrangler Gear! Wear your school shirt and round up a new friend** - Student Council members will be handing out a treat to students as they leave the lunchroom. Many students have asked if free items are available in the School Store, so we thought it would be a kind thing to give every student something this week - just because! **FRIDAY: Wear Funky Socks! Be crazy for kindness** - Students will have the opportunity to create a bookmark for a friend during lunch recess.

## Did you know...

one of our sixth grade students, Caroline Beckstrom, won a first place award in the Energy and Transportation Division of the Davis District Junior STEM Fair? Her amazing project, "What's Hot, What's Not" beat out hundreds of other projects from across the district. Great job Caroline!

**students are invited to enter the Yearbook Cover Contest between now and March 11?** The artwork should be done on a regular sheet of 8.5x11" paper and incorporate the theme "Reach for the Stars". The name of the school and the school year (2018-19) should also be part of the design. We encourage you to make your art bright and colorful, and PLEASE proofread your work to make sure all words are spelled correctly. We're excited to see your creative ideas!

**the final day to order a yearbook is March 31st?** All orders must be placed online through the guardian myDSD account. If you have any questions please contact Mrs. Hunter in the office or PTA volunteer Hillary Boulter.
