

...Serving up tennis & golf through kids' play!

MyServe programs introduce the fundamentals of Golf to young children through playful, enjoyable drills and games, assuring engagement and fun. We focus on learning the basics: proper grip, stance, swing and good sportsmanship. All equipment is supplied: golf clubs that are specifically designed for children, golf balls and special targets. We ease your child into learning a new sport with lots of room and opportunity for growth and improvement. All of our MyServe Coaches are kid-friendly and professionally trained. They understand how to work with young players and have years of experience developing and nurturing a love for this life long sport.

Fun is our aim! Results are our goal! Golf is our passion!
