

The purpose of BSD's Annual Survey is to help the Beaverton School District understand how students feel about their school. To do this, we need your help!

Please complete this survey as honestly as possible. Your opinion is very important.

Your principal and the School Board see a summary of your school's answers. All of your responses are private. There is no one who can identify you.

It is OK to go back and change your answers to a question you have already answered, but you must finish the survey in one sitting.

Thank you for your help!

* 1. Please select the school you attend.

One reason students sometimes don't feel safe is that they get bullied by other students.

Bullying is when someone is being hurt either by words or actions on purpose. It usually happens more than once. The student being hurt feels bad because of it and has a hard time stopping what is happening to them.
