### “Flexible Learning Day”

“Flexible Learning Day” refers to a day when school is cancelled due to inclement weather and students participate in curriculum-aligned learning opportunities at home. The plans for each school have been developed by faculty and staff. Below is an outline of what a Flexible Learning Day looks like for the Middle School.

If you have specific questions about your student’s plans or activities during Flexible Learning Days, please do not hesitate to contact us.

#### Saint Peter Middle - Grades 5-8 - Jon Graff, Principal 934-4210

Students at the Middle School use a variety of Shared Virtual Spaces (SVS) in their classes. Teachers choose the best SVS for their course and content area. Students know how to access their teacher’s shared virtual space and will be expected to check in for Flexible Learning Day assignments. Teachers will have assignments posted to their SVS by 10:00 am and are available for questions and discussion via that space or through email and phone throughout the day. For students without internet access, the media centers in both buildings will be open for computer use. There are also several internet “hotspots” for students to check out from the media center. Flexibility on assignment deadlines will be granted for students with limited or no access.

Please note that while all school buildings are open to students during these days, **bus transportation is not available**. Lunch will be served and prepared based on the number of students in the building during the Flexible Learning Day.

Just a reminder that we do have students that go outside before school starts and there is recess after lunch. We have added a new playground and we encourage students to be outside. With the colder and snowy weather, please make sure your children are dressing appropriately and have cold weather clothing. Thank you!

Check out these opportunities for students through South Central Service Cooperative. Please click on the link below:

**Reminder:** If your child is interested and has not yet signed up to work on the set crew, the deadline is Monday, December 3rd. The deadline for actors is Jan 18, 2019 before auditions.

On a blustery Veterans Day students braved the cold and traveled to the new memorial in Minnesota Square park. While at the memorial students explored Veterans from St. Peter and made a local connection to a national holiday. Being the site was new this school year we took all students and in future years we will take 5th grade students.
