

# NOTABLE NOTES

February 21, 2019

Wesleyan Christian Academy — Elementary

## Why Do We Have Wesleyan Christian Academy?

Because one meaningful way to integrate Truth into each discipline is through teachers who have embraced a genuinely Christian worldview.

## February Character Trait

### Meekness: Patience without anger.

“To slander no one, to be peaceable and considerate, and to show true humility toward all men.” Titus 3:2

## Praising and Praying

- Praise the Lord for His faithfulness and grace.
- Pray for His continued grace and blessing as we will finish our third quarter of school on March 8.
- Pray for the Lord's blessing on upcoming Wesleyan activities, including our ACSI Spelling Bee, Missions Fair, our Elementary musical, Math Olympics, and WCA Science Fair.
- Pray that the Lord will continue to bless enrollment and bring the students of His choosing to join your children at WCA for 2019-2020.

## After School Program

### Good Friday & Easter Break - Amy McNeill

- Because all of our Early Education Child Care will be closed on Good Friday, there will be no After School Program available on April 19th.
- After School will be available during Easter Break, April 22-26, from 6:30 AM - 6:00 PM. Parents may sign up with their child's after school teacher or Amy McNeill at 884.3333 ext.235.

### Missions Fair Notes — Mrs. Moffitt

We need your help! We need many volunteers to help with Missions Fair on Friday, March 15. A form was recently sent home with your child. If you can help us or if you know of a missionary who is home on furlough or recently retired, please return the form to your child's teacher. Thank you!

### Arts Impact Day: Ms. Chaney

On Friday, April 12, Wesleyan will host its 14th annual Arts Impact Day for elementary students. The day is designed to increase students' cultural awareness of various visual and performing arts. We will have 18 artists who will be on our campus throughout the day sharing with K1-4th grade children. The day will be organized much like the Mission Fair and your child can expect an active day. We ask you to keep this day in your prayers. Many parents, artists, and teachers will be helping to make this event a great learning time for our students. However, please remember, God is the master artist who has touched so many with His hands to mold individuals to share their God-given talents. We praise Him! If you would like to volunteer as a hall assistant or a visiting artist please email me at: [kchaney@wcatrojans.org](mailto:kchaney@wcatrojans.org). We cannot do this without you!

### WCA Kids in Business Club

Don't forget the deadline for the Kids in Business Club application is next Thursday, February 28th. Additional applications are available in the main academy office. This club will be a great opportunity to introduce students to the basics of owning your own business including creating a clear idea and business plan, marketing materials, and cluminating with a business fair and the opportunity to sell their products.

## Notable Quotes

The Christian conception of God (is) stated by the early French scientific genius Rene' Descartes (1596-1650), who justified his search for natural "laws" on grounds that such laws must exist because God is perfect and therefore "acts in a manner as constant and immutable as possible," except for the rare occurrence of miracles.

Rodney Stark  
*For the Glory of God*  
p. 155

Because of the Science Fair, there will be no *Notable Notes* next Week.
