

*The next generation  
in schools is here*

## **New Lebanon School**

*International Baccalaureate  
Magnet School*

*Preschool\* – 5th grade*

# *What does a next generation school look like?*

## **It looks and feels like the *new* New Lebanon School**

- A state-of-the-art building designed to enhance personalized learning, bolster creativity, respect the environment, and optimize the latest technology.
- Airy, sunlit classrooms with flexible seating, cozy small group collaboration spaces, and a learning commons where students come together.
- A proven and acclaimed learning framework—the International Baccalaureate Program—that encourages inquiry and hands-on learning, fosters character development, and celebrates each child as a citizen of the world.
- A diverse community of students, parents, teachers and administration that knows and supports each child and embraces every family.

# Our new next generation building

*An innovative environment designed to enhance personalized learning*

- Sunlit classrooms with large windows and sound reinforcement
- Open concept learning commons, cozy group collaboration spaces
- Science lab, instrumental practice room, professional performance space
- Gymnasium with climbing wall
- Advanced technology throughout building
- Computer lab, Lego wall, innovative maker space with green screen

# A focus on children, learning and nature

*Optimizes educational enrichment  
and sustainability*

- Open floor plans, curved organic design, flexible furnishings
- Solar panels, skylights, continuous natural daylight throughout
- Transparent Interior panels stimulate creativity and learning
- Noise dampening, state-of-the-art acoustics
- Sustainably sourced materials
- Environmental LEED Gold rating pending

*Commended by the IB  
authorization team for  
collaborative advocacy,  
students' language  
learning, full inclusion.*

## Accredited International Baccalaureate Program

*A rigorous, multidisciplinary inquiry-based  
framework based on the acclaimed  
IB Primary Years Programme*

- A focus on the whole child as an inquirer and citizen of the world
- Personalized, hands-on learning
- Spanish instruction beginning in kindergarten
- Bilingual Spanish instruction for native speakers
- After-school and summer enrichment programs, 5<sup>th</sup> grade exhibition

*“ The kids feel like they are part of a family. They are taught to be a good part of the community, and to care about others and the planet. ”*

*— NLS magnet family*

## **Our welcoming and diverse community**

*New Lebanon School is beloved for its warmth and inclusiveness*

- Nurturing environment
- Diverse community representing more than 10 global cultures
- Family curriculum nights
- Parental/family support and engagement programs
- Rich cultural experiences
- Community partnerships

# New Lebanon School

## A Greenwich Magnet School

Interested families are encouraged to contact the New Lebanon School to arrange a tour. The Greenwich Magnet School K – 5th grade Application is available in the office of each Greenwich magnet school, at the Greenwich Board of Education, and online at [www.greenwichschools.org/magnetschools](http://www.greenwichschools.org/magnetschools).

\*Application to the New Lebanon preschool program is done separately and is available at: [greenwichschools.org/preschool](http://greenwichschools.org/preschool). Pre-school students will receive priority preference for application into the school's K – 5 magnet program.
