Our Learning

- Religion – We will be continuing our studies of the Sacraments of Healing.
- Reading – We are enjoying *The Lion, the Witch, and the Wardrobe*.
- English – The students will be working on Descriptive writing.
- Social Studies – We will continue our studies about Africa.
- Math (Jones) – The students will work on graphing.
- Science – The students will work on classifying organisms.

An Irish Blessing

*May the road rise up to meet you.
May the wind be always at your back;
May the sun shine warm upon your face;
the rains fall soft upon your fields and until we meet again,
may God hold you in the palm of His hand.*

Little Notes

***We have done some goal setting in the classroom. Each child came up with an academic or behavior goal they would like to work towards this trimester and made a little card that they either placed on top or inside their desk to help remind them. It appears to be helping them as we shift our focus this trimester to preparing them for middle school next year.

***Permission forms for our Newseum field trip were sent home today. Please return by Tuesday March 26 with a check made payable to OLGC School for \$15. This has always proved to be a fun and informative field trip for the 5th graders.

Happy St. Patrick's
Day!
