

SIMPLY SCIENCE-GETS SLIMY!

(Grades 2nd – 4th)

Monday, April 1st

3:00-5:00 p.m.

Elementary Art Room

Instructor: Cheryl Newman

\$9 Registration Fee

Register by March 25th ! (Online registration preferred)

Glue, glitter and activator – Oh My! Learn the science behind what makes this ooze irresistible. Students will mix and create 2-3 slimes personalizing it with glitter, color and more. All slimes will complete the kid approved slime test and the results will be charted. Snack provided.

Parents: Be sure to send a message to your child’s teacher granting permission to stay after school for the class.

Register Online – www.chatfieldschools.com > Community Education > Youth Enrichment
Or

Submit form below to the elementary office, Attn: Community Education
