SPECIAL EDUCATIONAL NEEDS AND DISABILITIES POLICY

1. Context

The Special Educational Needs Policy is written in the light of the Catholic Values of the school. 2. Aims

2.1 All children and young people are entitled to an appropriate education, one that is suitable to their needs, promotes high standards and the fulfilment of potential. This should enable them to:

- Achieve their best

4. Development and Consultation

- 4.1 This policy was written by the SENDCO, in consultation with the school's Leadership Team. The draft policy was shared at meetings involving parents, governors, pupils and staff, to ensure all stakeholders were able to contribute. Throughout this process the policy has been gradually refined and improved to ensure a whole school approach and is currently awaiting final approval from the governors.
- 4.2 Some of the objectives form part of The Oratory School development plans and may be reviewed and changed annually.
