

CHOOSING YOUR A LEVEL SUBJECTS

IF YOU ARE ALREADY A ST CATHERINE'S STUDENT

Study this booklet carefully to find out what St Catherine's can offer you in the next stage of your education.

Read through the subject pages and draw up a short list.

Talk to as many people as possible to get more advice, views and guidance especially Heads of Department, subject mentors and your School Housemistress etc.

Come to the Sixth Form Open Evening in September. Look around, ask questions and keep an open mind!

Choose the subjects you would like to explore further over the two day Sixth Form Experience. Use this opportunity to try some new subjects. Why not try taster boarding?

You will be invited for interview with a senior member of staff. Come prepared to talk about YOU. It's your future!

Assess all the information and then submit your final option choices in February after mock exams.

Concentrate on your GCSEs and IGCSEs, enjoy your summer and wait for excellent results!

IF YOU ARE CONSIDERING JOINING ST CATHERINE'S IN THE SIXTH FORM

Study this booklet carefully to find out what St Catherine's can offer you in the next stage of your education.

Read through the subject pages and draw up a short list.

Talk to as many people as possible to get more advice, views and guidance, especially Heads of Department and subject teachers.

Come and visit St Catherine's. Look around, ask questions and keep an open mind! Register as an applicant.

You are invited to sit the Entrance Examination. There will be an interview with the Director of Studies or the Head of Sixth Form and a Head of Department of a subject you intend to study.

Overseas applicants will have a Skype interview. We can arrange for the Entrance Examination papers to be sent to your current school or an approved centre.

Assess all the information and then submit your final option choices promptly as advised by the Registrar.

Concentrate on your GCSEs and IGCSEs, enjoy your summer and wait for excellent results!
