

The NHSLP is a program designed to nurture, develop, and guide the leadership potential of students starting in middle school continuing throughout their high school years. Thus, applicants acknowledge this is a long-term commitment that begins with the Student Leadership Summit July 28 – Aug 2, 2019. Use the space below to reflect upon how you feel your student will benefit and be a contributing member to the NH Student Leadership Program team, her/his school community, and broader home community.

Share any concerns or insights you may have regarding this student's emotional ability to handle being away from home, living in a dormitory for a week this summer.

Is there anything you wish to tell us about your child that you have not yet had the opportunity to share? Feel free to use the space below to offer your thoughts.

The information provided in this application is complete, accurate, and true to the best of my knowledge. I support the participation of my daughter/son in her/his participation in the New Hampshire Student Leadership Program starting with the Student Leadership Summit.
