## ANNUAL REPORT & ANNUAL DONOR REPORT

July 1, 2014  
through  
June 30, 2015

The Sisters of the Resurrection, a religious order founded in Rome by Blessed Celine Borzecka and her daughter Mother Hedwig Borzecka in 1891, began its educational ministry in the United States in 1900. Sister Anne Strzelecka, C.R. opened Resurrection College Prep High School in 1922. Central to the Sisters' mission is the transformation of society by uplifting women through education.

Resurrection has educated over 14,000 alumnae to reach their full potential and to become leaders of charity and truth who make a difference in society.

### MISSION STATEMENT

Resurrection College Prep High School is a Catholic Christian community dedicated to the education of young women, and to the development of their God-given talents. Convinced of God's unconditional love and nourished by the Risen Lord, Jesus Christ, we are committed to the spiritual, ethical, intellectual, physical, and social growth of our students.

# A LETTER FROM OUR PRESIDENT SPRING 2016

DEAR FRIENDS,

We are all familiar with the saying: "One picture is worth a thousand words." As you read this year's Annual Report, the photos displayed on the pages will give you a glimpse of all the progress that has been made on many levels.

Academically, our administrative team and faculty are very pleased with the development of a new honors program, the *Mother Celine Scholars*, the expansion of engineering opportunities for students, and with the completion of the *Innovation Lab* where young women can explore new ideas and apply their creativity.

Our physical facility was enhanced with the completion of new parking lots, a new front roadway, and refreshed landscape work in the front of the school. Work on a brand new track was started in the fall and will be completed this spring. A new space, called the *Think Tank*, was created to provide a space for individual and group tutoring.

As women of faith, our students continue to make a difference in the local community by individual service at their parish, hospitals, nursing homes, local libraries and many other volunteer programs. Our young women also participate in group services such as the *Northwest Side Hunger Walk*, *Feed My Starving Children*, *ResPunzel Hair Donation Day*, the *Greater Chicago Food Depository* and the *Rice Bowl Project*.

All of this would never be possible without your generous support. So as you read about all that is happening at Resurrection and view the pictures, remember the important role you play. You are helping us keep our commitment to provide young women with opportunities for developing their skills and commitment to life-long learning. You are helping us give them opportunities to grow in self-confidence and leadership skills. You are helping us provide them forums for deepening and sharing their faith and for reaching out to others in Christ-like service.

Just like our young women, our sponsor, board, staff and faculty have dreams. Over the next few years these dreams include the re-visioning of our science program. This will involve redesigning the laboratories and creating a space design that allows for and encourages collaborative learning and research, as well as outfitting them with modern technology.

Our dreams always include the growth of scholarship opportunities for young women who without financial assistance might not afford a Resurrection Education.

For whatever support you give Resurrection College Prep High School, thank you.

We pray God will bless you always!

In Charity and Truth,  
SISTER DONNA MARIE WOLOWICKI, C.R.  
PRESIDENT

You are helping us keep our commitment to provide young women with opportunities for development, learning, growth, leadership and a deepening of faith.

Resurrection College Prep High School is the largest all-girls Catholic high school on the northwest side of Chicago and has graduated over 14,000 young women since its founding in 1922. Students are drawn from over 120 public and private elementary schools from the Chicago area and surrounding suburbs, and Resurrection accepts students without regard to their race, color, religion, national or ethnic origins.

## OUTSTANDING FACULTY

Resurrection faculty are committed and passionate educators who understand the needs of our students. Recently eleven Resurrection faculty members were nominated for the prestigious Golden Apple Award. Resurrection is totally focused on young women and their needs. The faculty and staff are fully committed to developing young women of faith to be confident, articulate, dynamic, inspiring and service-oriented leaders who will help build stronger families, communities, parishes and places of work for tomorrow.

# RESURRECTION DEVELOPS PROGRAM ENHANCEMENTS

The curriculum at Resurrection is designed to challenge the college-bound student, encourage students to explore new areas of interest and move beyond their comfort zone. Honors and Advanced Placement courses are offered, as well as courses for college credit.

## MOTHER CELINE SCHOLARS PROGRAM

High-achieving students may be invited to participate in the Mother Celine Scholars Program, named after the foundress of the Congregation of the Sisters of the Resurrection and champion for the education of women. Students in the program follow a rigorous course of study and the school's most gifted and motivated students are provided advanced academic experiences in combination with cultural enrichment and service opportunities.

## RANKIN ACADEMIC SUPPORT PROGRAM

The Rankin Academic Support Program is a college preparatory course of studies for students who require support with Resurrection's rigorous college preparatory curriculum.

The program, named in honor of former Resurrection educator Sister Joyce Marie Rankin, C.R., provides one-on-one tutoring and small group classroom instruction. Students enrolled in the program have a class period built into their schedules where they are taught learning strategies, build academic skills and receive individual assistance from qualified resource teachers who collaborate with students' classroom teachers.

## EXPANDED CURRICULAR OFFERINGS

To complement our strong academic focus, we strive to provide extensive enrichment experiences. We recognize and appreciate individual diversity and, therefore, provide a positive environment where we foster creativity, higher level thinking, problem solving, and open mindedness - all within the context of a spiritual and value-centered atmosphere. Resurrection continues to build and strengthen our STEM initiative. Resurrection is committed to the science, technology, engineering and math vital to providing students with the 21st century foundation necessary to pursue degrees in fields traditionally dominated by men.

### New curricular offerings:

- AP World History
- Digital Literacy
- Digital Photography
- Engineering Principles
- Graphic Design
- Improvisation
- Intro to Computer Science
- Robotics
- Stage Makeup and Costume Design
- Technical Theatre
- Technology Leadership
- Online course offerings in World Languages and other areas of study

# RESURRECTION CHAMPIONS

## ACTIVE LEARNING

Resurrection students are active participants in their own learning. Students are taught to be critical thinkers, intellectual risk takers and problem solvers in a rapidly changing world.

*High Voltage Bandits* took 3rd place with their alliance in the Chicago league robotics championship. In their inaugural year, they finished the season in 5th place out of 18 teams.

Resurrection faculty and staff focus on developing strong, capable women by offering a rigorous and challenging education for all students in a supportive environment. Resurrection offers students in-depth learning opportunities through block schedules, Advanced Placement courses, travel, clubs, and honor societies. Students are encouraged to explore future careers through the Practicum Job Shadowing Program.

Resurrection encourages girls to explore new academic interests, participate in athletics, demonstrate leadership, and

develop healthy life-long habits. Resurrection creates opportunities for students to stretch beyond their comfort zone and ensures that students have access to a variety of sports, clubs, fine arts and other activities.

In Resurrection's all-girl environment, students are safe to be themselves, to celebrate their unique traits, ethnicity and religious backgrounds and to explore and to take risks in an environment that champions the leadership and potential of each girl as she prepares for her future.

## creating the future

### HELEN DIEP '16

MEMBER OF THE *HIGH VOLTAGE BANDITS* ROBOTICS TEAM

"Resurrection has transformed me into a strong and confident woman that leads other students. Resurrection helped me discover my best self and my leadership abilities. I am always extending my hand to anyone in need and it brings me immense joy and satisfaction knowing that I have helped someone.

At Res I found my passion in technology and plan to double major in Computer Programming and Cinematography in college. Through these two fields, I hope to change the world and help the people around me."

# RESURRECTION UTILIZES INTEGRATED TECHNOLOGY

Technology is integrated into learning experiences throughout the curriculum, and Resurrection students utilize Chromebooks to enhance collaborative learning and access cloudbased apps and data storage. Resurrection College Prep High School has a firm commitment to providing a 21st century education that prepares students for college and beyond through our one-to-one Chromebook initiative.

The Google Chromebook supplements teacher instruction, facilitates collaborative learning, and prepares students for a future with technology.

“As we continue to help our students evolve into 21st century learners, we have worked towards cultivating an environment and curriculum that promotes moving students from consumers of information to creative producers and owners of knowledge.”

JOE LASCON,  
RESURRECTION EDUCATIONAL  
TECHNOLOGIST

## INNOVATION LAB

Resurrection recently opened a new makerspace, the *Innovation Lab*, where students can explore and utilize emerging technology, including 3D printing, coding, CAD design, robotics, web design and multimedia creation.

Students learn and retain information at higher rates when they are actively participating in the learning experience. The *Innovation Lab* promotes active learning while also allowing students to develop their creativity and problem solving skills.

---

**technology  
integration =  
greater  
engagement**

During classroom observations, Resurrection administrators have recorded increased levels of critical thinking, problem solving and student engagement when technology is thoughtfully integrated.

---

**+8.5%**

functional improvement in classroom tasks when new technology was used to augment instruction

---

**+13.6%**

significant task redesign and student engagement when new technology was used to modify how a lesson plan was presented

---

**+7.2%**

increase in the creation of new tasks that would have been previously inconceivable without using technology in the classroom

# RESURRECTION PROMOTES FAITH & SERVICE

**15,000**

hours of service by Resurrection students were recorded for the 2014-15 school year

“Res students touch the lives of others by supporting dozens of local, national and international charities. They embrace the call to make a difference in the lives of the homeless and the hungry, women, teens, children, veterans, and other at-risk populations.”

TAMARA BERNARDIN  
RESURRECTION DEAN OF STUDENTS

A Resurrection education is founded on the belief that high quality, holistic, well-integrated education is the best path for a meaningful and faith-filled life, a lifetime commitment to service, and becoming a leader who will transform society.

Resurrection education integrates the mind and heart, the intellect and intuition, and the perspectives of individuals and community. As part of their faith-filled education, students participate as leaders at Kairos retreats, plan liturgies, and coordinate service projects.

## CHARITY & TRUTH

Celebrating the words “Charity and Truth,” we acknowledge that God’s love for us is merciful and unending. With this knowledge of God’s unconditional love for us, we express love and charity through our own actions. As the Resurrection community, we believe that God calls us to work together for the transformation of society, bringing his life and love to

all and in this manner we represent the resurrection. We express this in our service to others, which is central to the mission and vision of Resurrection.

Service and social justice issues are integrated into classes to support the relationship between God, students and the community.

### Service Opportunities:

- Book drives
- Christmas giving
- “Feed My Starving Children” food packaging project
- Food drives
- Misericordia Tag Days
- Northwest Side Hunger Walk
- ResPunzel hair donation program
- St. Mary of Providence volunteers
- Warm clothing drives

# RESURRECTION DEVELOPS CONFIDENT LEADERS

## ATHLETICS

Resurrection College Prep athletes learn to excel athletically and academically with integrity, respect, hard work and leadership, while setting personal goals in a collaborative team environment. The reflective process, combined with the celebration of successes and growth, leads student athletes to develop the confidence necessary to become strong Christian leaders who are resilient, optimistic young women with bright futures, understanding that hard work and dedication lead to positive outcomes.

Students recently awarded GCAC Athlete of the Year included Olivia Canova '16 (Bowling) and Jessica Pawula '16 (Basketball).

## PRACTICUM JOB SHADOWING PROGRAM

Our unique Practicum Job Shadowing Program helps students explore the careers that may be of interest to them.

Some placements have included:

- Business
- Medicine
- Education
- Marketing
- Veterinary Medicine
- Law
- Engineering
- Banking

## CO-CURRICULARS

Students also have numerous extra-curricular opportunities that are available through athletics, the arts, clubs, and service, to learn and demonstrate leadership skills, teamwork, and self-confidence. Resurrection offers over 27 competitive athletic teams and over 50 clubs and organizations.

## Resurrection students are leaders

### MAUREEN GILLESPIE '16

THOMASETTA SOLAK SCHOLARSHIP RECIPIENT

"At Res I have been encouraged to explore outside my comfort zone because I have been given opportunities to try new things in a place where everyone is so supportive. My future plans include building on what I have learned at Res, including incorporating the Resurrection motto "Charity & Truth" by acknowledging issues in the world and working to help others through service. I hope to one day go on mission trips to help less fortunate people.

At Res I was involved in the art program, athletics and I loved taking technology classes. I was fortunate to receive so much support and encouragement. In college I plan to continue running cross country and track, taking art and technology classes and exploring my career options."

# RESURRECTION LOOKS BACK AT RECENT SUCCESSES

## PROJECTS & INITIATIVES

Construction and capital improvements that enhance the educational environment for our students is ongoing. During the spring and summer of 2015, the main entrance of the school received updates with new landscaping, parking lot and roadway improvements. New semi-permeable pavers on the internal roadways were added in order to comply with current stormwater requirements. The back parking lot was totally replaced and major stormwater improvements were made on campus.

The over 20-year-old track is undergoing updates to modernize and meet industry standards.

In September 2015 Resurrection opened the *Think Tank*, a new tutoring and resource lab where teachers and peer tutors are available in one central location for students. Resurrection also proudly opened its new makerspace, the *Innovation Lab*. Students can use this space to explore and utilize technology, including 3D printing, coding, CAD design, robotics, web design and

multimedia creation. The curriculum also continues to expand to include additional technology courses. Our students demonstrate their interest in Science, Technology, Engineering and Math (STEM) fields by participating in the school's Worldwide Youth in Science and Engineering (WYSE) team and the new Technology Club and Robotics team. At Resurrection we are proud to be preparing young women to be leaders in all fields.

## INAUGURAL CHARITY & TRUTH GALA

# RESURRECTION LOOKS AHEAD WITH A VISION FOR THE FUTURE

At Resurrection we work to create faith-filled leaders who are prepared to thrive in a 21st Century environment. This vision is supported by our community, as we work to offer our students the tools they need to achieve their full potential.

While we continue to expand our academic offerings, we also work to enhance our classrooms, labs and facilities. Through our *Re-Visioning Science Project*, we strive to offer the tools that will allow the young women of Resurrection to flourish in developing fields such as science, technology, math, engineering, information systems, medicine and other growing fields.

We invite all members of our community to support our commitment to funding the needs of our students and their families. We work to expand scholarship and tuition assistance opportunities to keep tuition affordable so that a Resurrection education is accessible to families who value a faith-based, single-gender education. We invite you to support us in our vision!

## VISION STATEMENT

The young women of Resurrection College Prep High School are prepared for the future. They are given the opportunities, support, and resources to continue to:

### discover

- their identity as strong, capable women
- their voice and their calling
- their passion and their potential
- their gifts and their strengths

### participate

- in Catholic Christian studies
- in academic pursuits
- in athletics and the arts
- in healthy lifestyles

### succeed

- in attaining personal and professional goals
- in promoting a hopeful future
- in celebrating the differences among us

### serve

- one another in Charity and Truth
- the needs of the larger community
- as women of faith

# RESURRECTION FINANCIAL STATEMENTS

JULY 2014 - JUNE 2015

## cost of a Resurrection education

Tuition does not cover the full cost of a Resurrection education. The generous support of our alumnae, donors and sponsors allows us to subsidize the actual cost of a Resurrection education by approximately \$3,390 during the 2014-15 school year.

**100%** of students receive this subsidy in order to keep a Resurrection education accessible for families.

Approximately **35%** of Resurrection students receive additional financial assistance.

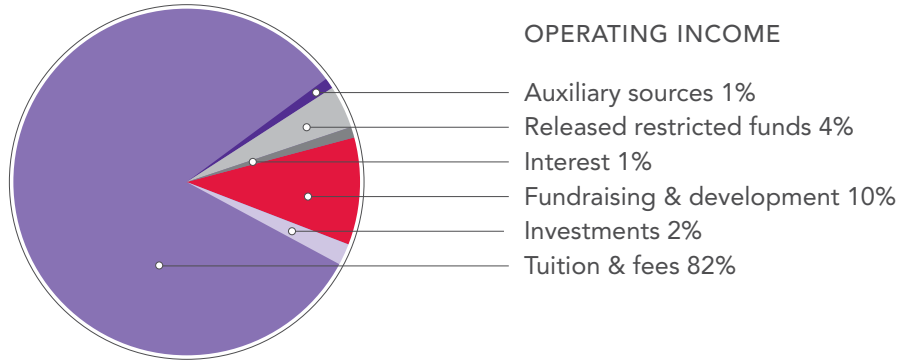

For the fiscal year 2014-15, the assessed financial needs of Resurrection families was

**\$1,444,560**

but only 68% of that need was able to be fulfilled based on our available funds.

We rely on the generosity of our donors to help bridge these gaps so that we can offer a Resurrection education to our students and their families.

# RESURRECTION'S COMMUNITY OF SUPPORT

We rely on the generosity of our alumnae, donors and the larger community so that we can continue to offer academic, spiritual formation, fine art, athletic and technology opportunities to our students.

Resurrection remains committed to its all-girl Catholic Christian traditions and ideals upon which it was founded. Under the sponsorship of the Sisters of the Resurrection and with the guidance of a dedicated staff and administration, students leave Resurrection as confident young women who are prepared for success in college, career, and life. Thanks to the generous support of many benefactors in the past, Resurrection has been able to fulfill its mission and maintain its level of academic excellence.

### GRACE TORRES '16

SISTER MARY MONICA HOPE SCHOLARSHIP RECIPIENT

"Resurrection builds empowered women and I have developed into my best self by exploring all of the opportunities Res has to offer, from theatre to sports to my education.

I have found my passion in biology and plan to become a Physician's Assistant. Res helped me discover this through the Practicum Job Shadow Program and career days. Those opportunities to explore my future were critical to my plans to pursue a medical career. Resurrection builds empowered women and I am proud to be part of this legacy!"

# RESURRECTION DEVELOPMENT MAKE A DIFFERENCE

## WAYS TO SUPPORT RESURRECTION

### Annual Fund

The Resurrection College Prep High School Annual Fund is made up of gifts from loyal alumnae, parents, faculty, staff and friends. These gifts, which can be designated for specific programs, scholarships or general enhancements, have a direct impact. The Annual Fund is a vital part of Resurrection's fundraising efforts and every gift, no matter the size, helps make a difference.

### Planned Gifts & Bequests

Making a bequest or any other type of planned gift can give tax benefits to the donor while providing long-term support for the school and entitles the donor to membership in Resurrection's New Life Society.

Class of 2015 Class Officers:  
Oluwaferanmi Adeyemo, Meagan McCarthy,  
Mary Pat Hastings, Erin Behland and  
Giahanna Martorano

### Gifts-in-kind

Resurrection accepts selected non-cash gifts-in-kind donations.

### Gifts of Stock

Making a gift of securities is simple and offers several tax advantages. Please advise us of the transfer by contacting Senior Director of Development & Major Gifts, Alisa Kollar Martorano at [amartorano@reshs.org](mailto:amartorano@reshs.org) or 773.467.4642.

### Scholarships

Scholarship funds may be established in the form of a non-endowed gift, which will be used to fund the scholarship immediately, or an endowed gift. Endowed gifts are invested and earn annual interest.

### Athletic and Event Sponsorships

Different sponsorship opportunities are available at Resurrection throughout the year. Sponsorships are a wonderful way for a business or an organization to show their support of Resurrection while receiving visibility on the Resurrection campus and within promotional materials.

### Patron of the Arts Program

Resurrection College Prep High School is immensely proud of its Fine Arts programs. The Patron of the Arts Program provides vital support and encouragement for all the fine arts activities at Resurrection. Additionally, the Patron of the Arts participants will receive many special opportunities and experiences throughout the year at Resurrection.

For more information about these opportunities or other ways of supporting Resurrection, please visit the Supporting Res tab on our website or contact Senior Director of Development & Major Gifts, Alisa Kollar Martorano at [amartorano@reshs.org](mailto:amartorano@reshs.org) or 773.467.4642.

## **THE GIFT OF HOPE** **The Sr. Mary Monica Hope Scholarship**

The Sr. Mary Monica Hope Scholarship is in memory of former Resurrection teacher and Principal (1968-1979), Sr. Mary Monica Widelski, C.R. The scholarship was established to provide assistance to Resurrection families so that our bright, talented, young women have the opportunity to thrive in a nurturing, faith-based environment.

The Hope Scholarship is funded solely through the generosity of Resurrection families and friends. Our goal each year is to increase the number of scholarship opportunities for current and prospective students. Thanks to the generosity of our family and friends, we continue to meet that goal.

## **SCHOLARSHIP FUNDING**

Scholarships help Resurrection students and their families manage the cost of a single-gender, Catholic education. Without scholarship support, many students would not be able to attend Resurrection College Prep High School. Creating a named scholarship is one way donors can assist students and leave a legacy to Resurrection. It is also a very meaningful way to honor a friend, family member, or a respected teacher.

Annual scholarships can be established with an outright gift of \$1,000 or more. An annual commitment of \$1,000 or more a year for five years is recommended. The gift is awarded to recipients over the five year period. If you would like more information about funding an annual scholarship, please contact Alisa Martorano at [amartorano@reshs.org](mailto:amartorano@reshs.org) or 773.775.6616 Ext 142.

You may also contribute to an existing scholarship as a means of supporting scholarships at Resurrection. Simply earmark your contribution for the Sr. Mary Monica Hope Scholarship fund or select an existing scholarship from among the current list of scholarships.

## The New Life Society

Members of the New Life Society are friends of Resurrection College Prep High School who choose to remember Resurrection in their estate plans and have notified the school of their intentions. For some, this means leaving Resurrection a specified amount or percentage of their estate in their wills. For others, it means leaving real estate or naming Resurrection as a beneficiary of a life insurance policy, annuity or retirement fund.

### MATCHING GIFTS

An employer may match, double or even triple a gift of one of its employees to create a matching gift for Resurrection.

Talk with your employer and/or your spouse's employer human resource or community relations department to determine if they have a matching gift program and to obtain the matching gift forms.

### UNITED WAY GIVING

You can give to Resurrection College Prep High School through your United Way Workplace Campaign.

Ask your employer for details.

# MEMORIAL AND HONORARIAM PROGRAM

## MEMORIAL AND HONORARIUM PROGRAM

Any gift made to Resurrection College Prep High School may be made in memory of a deceased relative or friend or in honor of a living person who has been influential in your life. Honorariums are a wonderful way to say "thank you" or to give recognition to a special person. For example, many alumnae choose to honor their parents through this program for their parent's gift of their own Catholic, single-gender education at Resurrection.

Upon receipt of a memorial or honorarium donation, the designated name is entered into the Resurrection College Prep High School Chapel Book of Intentions. Persons listed in this book are remembered at all school Liturgies and prayer services. The Memorial and Honorarium Program also provides an acknowledgment card that is sent to the person being honored or the family of the deceased. Request cards are available by calling 773.775.6616 Ext 142 or amartorano@reshs.org.

## YOUR SUPPORT

The support of our alumnae, parents, friends and other donors helps to ensure that young women and their families can achieve an exceptional Catholic Christian education. We are grateful to all of our donors whose support makes a difference in the lives of our students.

Tuition covers about 78% of the cost of an education at Resurrection. In addition, many families rely on tuition assistance in order for a Resurrection education to be possible. The support that we receive helps to fill that gap and provides us with the resources to serve our students.

Every effort is made to list all donations correctly. If we have omitted your name or made a mistake, please accept our sincere apology and notify Kathleen Heneghan at 773.775.6616 Ext 125 or e-mail [kheneghan@reshs.org](mailto:kheneghan@reshs.org). To obtain a copy of our 2014-15 Annual Report, including financial data and accomplishments, please visit [www.reshs.org](http://www.reshs.org) or call 773.775.6616.

## MISSION STATEMENT

Resurrection College Prep High School is a Catholic Christian Community dedicated to the education of young women and to the development of their God-given talents. Convinced of God's unconditional love and nourished by the Risen Lord Jesus Christ, we are committed to the spiritual, ethical, intellectual, physical and social growth of our students.

## SPONSORSHIP

Resurrection College Prep High School is sponsored by the Sisters of the Resurrection, an order founded in Rome by Blessed Celine Borzecka and her daughter Mother Hedwig. Resurrection College Prep High School was established by the Sisters in 1922 and is built on the Sisters' mission of transforming society by uplifting women through education and preparing them for leadership. Resurrection is focused on young women and their needs. The faculty and staff are fully committed to developing young women of faith to be confident, articulate, dynamic, inspiring and service oriented leaders who will help build stronger families, communities, parishes and places of work for tomorrow.

## MOTTO

"Caritate et Veritate" has and continues to be core to the values and philosophy of Resurrection College Prep and is part of the Resurrection approach to education. The motto has been etched into all logos and documents of the school from the very beginning of the school's founding in 1922. By expressing and celebrating the words "Charity and Truth," we acknowledge that God's love for us is merciful and unfailing. The truth is that God's love for us is unconditional and from that love we express God's love and charity through our own actions. As the Resurrection community, we believe that God calls us to work together for the resurrection of society, bringing his life and love to all and we represent the Resurrection in this banner.
