

Dear Community Council Member,

At our first Community Council meeting on October 25th, one of the agenda items was the proposal from administration to apply to become a designated STEM school. This is an area that will formally recognize what we are already doing in this area, and require us to be accredited in some additional areas. Part of the requirement is to develop a committee with representation from all Stakeholders : staff, parents, community. I have a meeting this week that will provide further details about requirements and important dates and deadlines.

Due to the timing of my meeting and the next CC meeting date, I would like to propose a “Flipped -style” Community Council meeting this month where I send home information on agenda items electronically for you to view rather than meet at the school. Hopefully, the Committee can convene at the next meeting ready with input to move forward.

ALL meeting dates and times are listed on the school web page: www.davis.k12.ut.us/145 > School Information > Community Council > Meeting Schedule.

You can also see the minutes from October’s meeting under **Current Year Agendas and Minutes**.

You are receiving this message because you (or maybe a loved one 😊) signed your name on a form at Back to School Night as a person interested and willing to serve on Eagle Bay’s Community Council. (The number of willing signees did not warrant an election this year). Community Council members play a crucial role in the planning and goal-setting of the annual School Improvement Plan (SIP), and most importantly, how our Trust Lands funding is allocated toward achieving our goals. **We sincerely hope you are still willing to serve with us this year- we’re a pretty fun group! If, for any reason, you have decided that you cannot serve, please let me know as soon as possible so that we can pursue replacement members.*

ALL meeting dates and times are listed on the school web page: www.davis.k12.ut.us/145 > School Information > Community Council > Meeting Schedule.

You can also see the minutes from October’s meeting under **Current Year Agendas and Minutes**.

2018-19 Meeting Schedule:

November 29th: Flipped-style meeting - expect information on STEM designation to be emailed to you for review

January 24th: 6:30 PM

March 21st: 6:30 PM

April 25th: 6:30 PM

There may be one additional meeting to be determined after School Improvement Plan is completed. Council Signatures are required.

We look forward to working with you!

Sincere thanks,
