Jennifer Daves- Treasure
Kathy Shrock-Vice President
Julie Elder- President
Kallee Twiner- Secretary
Kristi Belew- Butterbraid chair
Myshele Sullivan and Kristy Stott- Career Fair

Administration Update:

Registration update:

Letters are sent home with the course listings that have been chosen. Changes can be made until March 10. The master schedule will be built starting in 2 weeks. Hopefully schedules will be going home with last report card.

Tech Update:

Deployment for next year is currently being planned. All paperwork will be online. Possibly the students will be able to pick up their computer the first day of school. There will also be a new portal for payment. Each school will determine when they deploy computers. We should all stay tuned for further information.

The school is looking into a sound system for teachers to help amplify their speaking voice. It is a wireless system.

PAC needs to file with the IRS and submit and support organization financial report.

Cafeteria renovation: Furniture has been researched and planned. Installation should be able to happen over the summer.

Janice Cates will be retiring at the end of the year after 22 years of service.

The silent auction for the starlight gala was a success. MJHS raised \$2,300.
