Resurrection College Prep High School

Summer/Fall 2013

A Message from Interim President Sister Donna Marie

Dear Friends and Alumnae of Resurrection,

This fall Resurrection begins its 92nd school year. And it promises to be an exciting year. Recently, the Board of Resurrection College Prep High School approved a Three Year Strategic Plan which is both bold in new approaches and stalwart in commitment to the value and vision of educating young women who will make a difference in the world of tomorrow.

The plan has five areas of focus:

- Catholic Identity: with an emphasis on empowering students to become leaders within the Catholic Church and society.
- Development and Marketing: with the goal to enhance the positive public perception and visibility of Resurrection College Prep.
- Enrollment Management: with the challenge to increase enrollment by clearly articulating and demonstrating the value of a Resurrection education.
- Human Resources: emphasizing and strengthening Resurrection's ability to recruit and retain qualified faculty and staff.
- Financial: stretching the vision of leadership to invest in tomorrow's tools that will enhance educational excellence and at the same time stewarding resources for future stability.

The timeline, action items and performance measures for each of these five areas are robust and reflect the commitment of the Board and Sponsors to position Resurrection as the educator of choice for young women.

Thank you for all the ways you support Resurrection and the young women who entrust their education to us. May God's blessings be with you as you live and serve with Charity and Truth.

Sister Donna Marie Wolowicki, C.R. '66

Hailee Higgins, Rebecca Niewinski and Gabrielle Carsello were the Resurrection Class of 2013 speakers for the senior assembly and the graduation ceremony.

One hundred and forty-five young women celebrated their graduation as the Resurrection College Prep High School Class of 2013. The graduates included young women who have distinguished themselves in academics, service, athletics and artistic achievements. A Baccalaureate Mass was held on Tuesday, May 21, 2013, at St. John Brebeuf in Niles and the graduation ceremony was held on Wednesday, May 29, 2013, at the Copernicus Center in Chicago.

The Resurrection Class of 2013 motto was *“Hope and Truth”* and the awards and recognitions members of the class received reflect the hopeful future that they have ahead of them. Two high achieving students, **Hailee Higgins** and **Gabrielle Carsello**, presented “Student Reflections” at the senior assembly and the graduation ceremony. The student chosen from the Class of 2013 as the student speaker was **Rebecca Niewinski**.

Rebecca Niewinski was a member of the Resurrection swim team and water polo team, a member of the Resurrection Liturgical Choir and is a Sea Scout. Rebecca, speaking to and for her classmates, spoke about what the Class of 2013 learned from the faculty and staff at Resurrection. *“Not only did they teach us about school related subjects, but about life, about faith, and about ourselves,”* she said. *“They taught us to question what others tell us, to find the truth, to be ourselves, to challenge our abilities, and to broaden our horizons.”*

Gabrielle Carsello presented the first senior reflection. Gabrielle was distinguished as a Finalist in the 2013 National Merit Scholarship Program, placing her among the highest achieving seniors in the nation. Gabrielle is a writer, a scientist and a leader and she urged her fellow students to continue to be involved in their communities and *“take action against injustice.”* She quoted a favorite song that is often sung at Resurrection College Prep High School liturgies by saying, *“As the song we’ve all sung so many times at school masses says, ‘Go make a difference in the world.’”*

Gabrielle Carsello was also a Res Scholar, an Illinois State Scholar, a Student Ambassador and a member of the National Honor Society (NHS), Quill and Scroll International Honor Society, LaSociedad Honoraria Hispanica and the Diakonia (Service) Honor Society. Gabrielle was President of the Worldwide Youth in Science and Engineering (WYSE) team, Vice President of the Creative Writing Club, and a managing editor of the *Res Banner*, the Resurrection student news magazine.

Hailee Higgins presented the second student reflection. Hailee has been an active member of the Resurrection/Notre Dame Band in which she played saxophone and bassoon, and was honored to be selected as drum major. She was also an Illinois State Scholar, Res Scholar and member of the National Honor Society and Diakonia (Service) Honor Society. She was a high achieving member of the Worldwide Youth in Science and Engineering (WYSE) team and volunteered throughout high school at Resurrection Medical Center (RMC). During her junior year she was placed in the RMC Emergency Room, the youngest volunteer ever to be placed in that department.

At the senior assembly Hailee Higgins said to her classmates, *“We’ve struggled together, danced together, fought together, and played together. In four years, strangers have turned into best friends, into sisters. Together, we changed each other and by being a part of this community, we will never be the same.”*

Rebecca Niewinski and Hailee Higgins will be attending Loyola University, where they both plan to study Nursing, and Gabrielle Carsello will be attending Northwestern University where she plans to study Human Communications Sciences.

Members of the Class of 2013 showcase apparel representing some of colleges and universities they will be attending in the fall.

The 1940's and 50's - Life at Resurrection Academy

by Joan Lech Bertram '54 and Donna Smietana Joy '54

In the Summer/Fall 2012 issue of the *Resonance*, there was an article about the history and development of the Resurrection convent and schools. We are graduates of the Resurrection Class of 1954 who lived as boarders at Resurrection Academy in the 1940's and 50's and we would like to expand on that article and tell about our experiences. Resurrection Academy was located on the original school/convent property developed to the east of the current high school. We were part of the Resurrection Academy that was a boarding and day school for students in grades 1 through 12. Though not in high school yet, we were truly Resites.

Marilyn Huber Walker '54, Jean Gornowicz Kurrasch '54 and we (**Donna Smietana Joy '54** and **Joan Lech Bertram '54**) were very fortunate to have the care, love, guidance and religious education that was given to us by the dedicated Sisters of the Resurrection in grades 2 through 8. An outstanding Sister by the name of Sister Roberta will always be remembered and treasured in our hearts as a second mother taking care of her children.

We had a daily schedule, which included getting up in the early morning, dressing, making our beds, washing, having breakfast in the refectory, and going to classes. After school we changed from our uniforms into our play skirts and smocks, had a piece of fruit, and played outdoors. In winter, we ice skated in the flooded portion of the huge playground. In the warm weather, we tired ourselves out on plank swings, high flyer maypole twisters, and tall slides. Though largely unsupervised and free of contemporary "safety restrictions," during all our years at Resurrection Academy, to our knowledge, there were no accidents from indoor or outdoor activities. After playtime, we ate dinner, did our homework, and were in bed about 8:30 pm.

Boarders learned to set their hair in pin curls or rollers from the older girls they lived with in the dormitories.

Students who boarded at Resurrection Academy lived in dormitories and developed life long friendships.

When we were in 2nd and 3rd grades, we walked around the garden with Sister and sang songs, such as "*Today is Monday, Monday bread and butter, everybody happy, well, I should say...*" In 7th and 8th grades, with permission, we were able to take a walk to the Norwood Park Library and dime store, which was about a two mile walk, for about an hour and a half. Sometimes the Sisters accompanied us to a soda shop in Park Ridge, about a mile down Talcott Road. We had plenty of fresh air since there were no planes and hardly any cars on Talcott Road. The convent-owned farm with orchards, vegetable gardens, and cows was across the street from where the hospital stands today. We had the benefit of the fresh food and milk from the farm in the great meals and desserts the Sisters made. Some of us may not have been crazy about how many ways rhubarb appeared on the menu, but we also were treated to hot dogs, potato salad, and Kool Aid every Thursday for lunch. Another treat was "movie night" that was held three of the Wednesday nights each month. Sister Marie Claire was the projectionist and we might see a Shirley Temple film, or something like *Anne of Green Gables*, plus a Superman or Flash Gordon serial, and Movietone News. Those of us who only went home one weekend a month really looked forward to these evenings.

The other Wednesday night was Mothers' Club night. Mothers could tour the classrooms. We had two grades in a classroom and we decorated the rooms. Colored crepe and tissue paper went a long way as window drapes, and colored chalk transformed the blackboards into a maze of curlicues and flower designs. Whatever our level of expertise, the Sisters let our creativity be exhibited. Of course, our homework papers were strung around the walls.

There were about 9 girls in each of the four dormitories. The bathrooms had 2 bathtubs and about 6 sinks. Thursday was

bath and shampoo night. Sisters did the hands-on work for the 6 to 9 year old girls. In time we learned from the "older" girls how to set our hair in pin curls or rollers. The toilets were flushed with a chain, probably designed in the early 1900's. Before going home for Christmas vacation, we would have a Santa Claus distributing gifts and a turkey dinner with all the trimmings.

Being secluded from the outside world of infections, we rarely had colds or flu. A few of us, at one time, did pretend we had a headache or stomach ache, so we were given a pink placebo pill by Sister Roberta who, of course, knew of our pretend ailment. Sister was a trained nurse, after all. She knew that all we wanted was to skip school once in a while. We did,

however, have an epidemic of chicken pox. Donna caught it first and was confined to the infirmary. We were told not to go in to see her, but we did, and as a result, 6 other girls got the chicken pox. Sister had her hands full! She was very religious and prayed the rosary every day, even while she was working. No wonder we never had problems or accidents.

We have many good memories that will never be forgotten. The four of us are still the best of friends and are much more like sisters who grew up all those years under the same roof. We were taught, guided, cared for, and allowed to have fun. The Sisters gave us a good education and a good life as we moved onto the high school phase of being a *Resite*.

Danielle Marie Pisterzi Scholarship Fund

The Danielle Marie Pisterzi Scholarship Fund was started in Danielle's honor in late February after her tragic death on February 9, 2013 due to an automobile accident. The scholarship fund was created at Resurrection College Prep and will be awarded to two Resurrection students who demonstrate the qualities that Danielle so beautifully exhibited.

Danielle was completing a degree in Accounting from Northern Illinois University and is remembered by classmates as a hard-working, determined student and by family and friends for her infectious smile that led her to make friends with anyone she met.

The family and friends of Danielle Pisterzi hosted a golf outing on Saturday, July 13, 2013, at Tam O'Shanter Golf Course to benefit the scholarship fund in her memory. The events was a great success and was attended by family and friends. Pictured above are the Danielle Marie Pisterzi Scholarship Fund Committee members.

Additional donations may be made to the Danielle Marie Pisterzi Scholarship Fund by sending contributions to Resurrection College Prep, c/o Danielle Marie Pisterzi Scholarship Fund, 7500 W. Talcott Ave, Chicago, IL 60631 or visit the Supporting Res tab on the Resurrection website at www.reshs.org.
