Resurrection College Prep High School

Summer 2014

# A Message from President Sister Donna Marie

Summer 2014

Dear Alumnae and Friends,

Another school year has come to an end and we are grateful for so much! The students have accomplished amazing things this year. Over 100 of our young women were inducted into honor societies including the National Honor Society, Mu Alpha Theta, Italian Honor Society, La Sociedad Honoraria Hispanica, Modern Music Masters, National Art Honor Society, Quill and Scroll International Honor Society, International Thespian Society, Diakonia Honor Society, National Junior Classical League Latin Honor Society, Science National Honor Society and French Honor Society! Academic achievement is taken *very* seriously by our Resurrection students.

As you may know from our website or e-news, the new logo was approved by the Board and the Sisters in April and was formally blessed and unveiled at the all-school Easter Liturgy on May 2, 2014. We are grateful to **Kathleen Heneghan '86**, who chaired the design committee and to **Maria Gedroc Malo '85** who designed the new logo and pulled all the important elements together. We are grateful to so many alumnae who dedicated many hours to helping with this important project: **Sr. Stephanie Blaszczyński, C.R. '55**, **Sr. Mary Barbara Sniegowski, C.R. '65**, **Nancy Slack Stachnik '67**, **Jill Adams McDonough '80**, **Alisa Kollar Martorano '87**, **Lindsay Fuhs '05**, **Maddie Dineen '14** and **Marya Kanakis '14**. We are also grateful to long time staff members for their assistance on the committee: Mike Longo, Carol Marchetti and Jen Salerno. The new logo is truly a powerful window through which the community can see the values and beliefs held proudly by Resurrection, its founders, its alumnae and all who are affiliated with the school.

We are also very excited to have successfully completed our search for a Principal and Associate Principal. Maria Hawk will be joining the staff and faculty of Resurrection as our Principal at the end of June and our new Associate Principal, alumna Margaret Masterson Kinel '92 will start this summer as well. To read more about Ms. Hawk and Ms. Kinel, please see our website or visit my blog at [resurrectionpresidentblog.blogspot.com](http://resurrectionpresidentblog.blogspot.com).

The committees responsible for implementation of the strategic plan have worked very hard and have completed over 45% of the strategies outlined in the three-year plan. This year the Board expanded its committees to include three new ad hoc committees which are: Academic Excellence, Human Resources, and Catholic Identity. These committees will work with administration and faculty to help us keep focused and challenge ourselves to continuous improvement in our core responsibilities.

Have a wonderful summer!

*In Charity and Truth,*

Sister Donna Marie Wolowicki, C.R. '66  
President

The words *Charity & Truth*, as our school motto, are central to the Resurrection community and our identity. We see that in the updated school logo which was approved in April 2014. The Logo Advisory Committee explored the elements that are essential to the logo and during the 2013-14 school year the school community took time to reflect on the meaning of our motto.

The Mission Effectiveness Team interviewed members of the school community, including students, staff, faculty and Sisters of the Resurrection. In the interviews we heard that the Resurrection motto of *Charity & Truth* is lived out when we serve others, recognize God's unconditional love and bring that love into the world as women of Resurrection.

We were pleased to launch a video in conjunction with our updated logo and we encourage you to view the video on our website under the "About Us" tab. Our motto, our logo and the meaning behind them truly represent and reflect who we are as the Resurrection College Prep High School community.

## The Symbols and their Meanings

### The Resurrection Banner with the Cross

The oldest symbol used by the school is the Resurrection Banner with the Cross. This banner is also a major symbol used by the Sisters of the Resurrection, our school's sponsor, and is central to the charism of Resurrection religious congregations. At Resurrection College Prep High School we see the banner imbedded into both internal and external forms: on the outside wall of our school building, on all previous logo forms, the title of our student newspaper, and referred to in our Alma Mater, the song "Dear Resurrection."

The banner symbolizes Christ's conquest over darkness and death and the Victory of the Resurrection. The banner is uplifted and represents our call through education and reflection to conquer darkness and bring new light into our world – the light of Christ's love and truth.

The logo banner is represented in a flowing manner in order to demonstrate movement and energy: our movement as a school community and the life giving quality of the Cross.

### The Color Red

The color red has been the traditional color for Resurrection and continues to be the central color of our school community. Red represents conquest and the fire of the Holy Spirit, the Spirit of Wisdom, Love and Truth. At Resurrection, we celebrate our school spirit when we wear and display the color red.

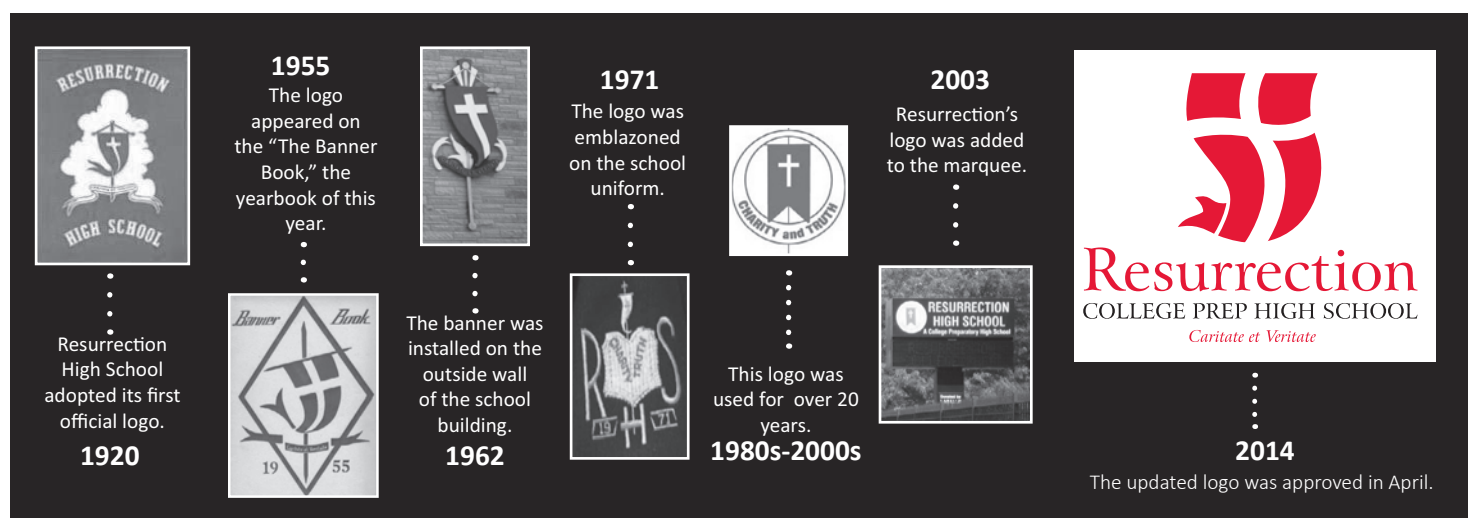

### Charity & Truth

The Resurrection College Prep High School motto *Charity and Truth* is included in the updated logo in the traditional Latin, *Caritate et Veritate*. The motto has and continues to be core to the values and philosophy of Resurrection College Prep and is part of the Resurrection approach to education.

The motto has been etched into all logos and documents of the school from the very beginning of the school's founding in 1922. The decision to return to the Latin version of the motto was recommended by the Logo Advisory Committee, particularly by current Resurrection students and younger alumnae who wanted to acknowledge the tradition and academic excellence of Resurrection College Prep.

By expressing and celebrating the words *Charity and Truth*, we acknowledge that God's love for us is merciful and unending. The truth is that God's love for us is unconditional and from that love we express God's love and charity through our own actions. As the Resurrection community, we believe that God calls us to work together for the resurrection of society, bringing His life and love to all and we represent the resurrection in this banner. Thank you to all who have worked to live out the ideals of *Charity & Truth* represented by our logo and our motto.

Rachel Gotsch '14 and Sarah Ryan '14 received the newly established **Sr. Anne Medal of Distinction in Faith, Leadership and Service** from Sr. Donna Marie at the May 29, 2014 Commencement Ceremony.

The Resurrection College Prep High School Class of 2014 was comprised of one hundred and thirty-nine young women. A Senior Assembly was held at Resurrection on Thursday, May 22, 2014, and the Senior Baccalaureate Mass was held at St. John Brebeuf in Niles on Tuesday, May 27, 2014. The graduates celebrated their Graduation Commencement at the Copernicus Center on Thursday, May 29, 2014.

During the graduation, Resurrection Interim Principal Kathy Rzany presented the newly established **Principal's Award to National Merit Commended Student Gina Partipilo '14** (pictured on the left). The Principal's Award recognizes a student who ranks in the top 10% of her class, uses her academic ability to help others, exemplifies a love of learning, is involved in service to school and in the

community and models the Resurrection motto *Charity and Truth*. While at Resurrection, Gina Partipilo has consistently demonstrated her love of learning and has served as a model of the school's motto. Gina will be attending the University of Illinois at Urbana-Champaign where she plans to study Biomolecular Engineering.

The newly established **Sr. Anne Medal of Distinction in Faith, Leadership and Service** was presented to two graduates. This award recognizes a student who exemplifies the values of Resurrection College Prep and its founder, Sr. Anne Strzelecka, C.R., who founded the school in 1922. The Sr. Anne Medal was presented during the May 29th commencement by Resurrection President Sr. Donna Marie Wolowicki, C.R. to **Sarah Ryan '14** and **Rachel Gotsch '14**.

To qualify for this award, the recipients demonstrated academic excellence, participated in faith-related service and leadership in school and parish, participated in a minimum of 90 volunteer hours that directly affected those in need, served effectively in leadership roles during high school, were nominated by a member of the faculty and received two other letters of support. Each student also met with the review board to share how her beliefs regarding the call to leadership and service will continue to play a role in her life. While at Resurrection, Sarah and Rachel both actively provided service and leadership in the school, in their parish and in the wider community. Sarah will be attending Rhodes College where she plans to study Biology, and Rachel will be attending Arizona State University where she plans to pursue a degree in Finance.

**Erin Radcliffe '14** was the first student speaker at graduation and was selected to give the "Student Address." She spoke to her classmates about the confidence she gained while at Resurrection. Erin said she was taught to be "bold" and "courageous," to work hard and to be proud of herself and her accomplishments. She said *"Res taught us how to be ourselves."* While at Resurrection, Erin was Vice President of the National Art Honor Society, a member of the Diakonia Service Honor Society, National Honor Society and Mu Alpha Theta Math Honor Society. Erin will be attending Marquette University to pursue a degree in Nursing.

**Salutatorian Natalie Chin '14** was the second student speaker and was introduced by Spanish Teacher Mary Jane Kowalski. She introduced Natalie as "amiable, creative, witty and kind" and as a student who exemplifies the Spanish word for desire, *ganas*, because of her strong desire for learning. In her address, Natalie encouraged her classmates to take risks and to "choose the issues or people that matter to you." She reminded the graduates that *"at every juncture, we have been encouraged to develop our own voices, an objective clearly cultivated by the pro-woman atmosphere"* at Resurrection. She credited the "abundance of appreciation and affection" at Resurrection as what makes Res *"the best place for young women to grow into themselves."*

Natalie is a talented actress who performed in eight plays while at Resurrection and served as the Vice President of the Resurrection Broadcasters Club. Natalie was recognized for her academic achievement as an Illinois State Scholar and Res Scholar and member of the National Honor Society, Sociedad Honoraria

In addition to Career Day, Res alumnae also share their knowledge and talents in various ways throughout the school year. This year our alumnae returned to offer workshops, speak to classes, to clubs or at awards ceremonies or act as Practicum Program mentors. With gratitude we are proud to showcase these alumnae who took the time to mentor our current students.

**Maureen Herman Werrbach '02**, Founder and Director of Urban Wellness in Norwood Park, made arrangements to have a Licensed Clinical Social Worker, Allison Brown, present a workshop at Resurrection. On March 31, 2014, Allison spoke to sophomores, juniors and seniors about making good decisions and considering the consequences of risky behaviors. The talk was timed to take place just before prom season. Her advice to students was to talk to their friends and parents about having a plan of action in place should they be faced with a situation in which they felt their safety was compromised. We are grateful to Maureen for her outreach to us as we work together to help our girls make responsible decisions.

Second semester of this year, alumna and Resurrection College Prep President **Sr. Donna Marie Wolowicki, C.R. '66** offered a unique and special enrichment workshop to senior students that focused on interviewing, presentation and resume writing skills. With her long and diverse career in health care, as well as 23 years' experience as the CEO of Resurrection Medical Center, Sr. Donna offered senior students a wonderful perspective as they prepared for college.

Alumna **Michele Catalano '00** was the guest speaker at the 2014 Honor Society inductions.

**Alumna Michele Catalano '00** was the guest speaker at the annual Resurrection Honor Society Inductions on May 1, 2014. Michele is the Management Development Training Manager at West Monroe Partners. She holds a BA in Statistics from the University of Chicago and an MS in Learning and Organizational Change from Northwestern University. She spoke about her education, her career and her thoughts on creating and maintaining a balanced life.

Her advice to the Honor Society Inductees was to ***"work hard and play hard; work hard and maintain relationships; work hard and let go and let God."*** We are grateful to Michele who has been an active alumnae over the years, supporting many Resurrection events and programs.

A key alumnae mentoring opportunity is the Resurrection Practicum Program. This job-shadowing program allows students the chance to work with mentors in a professional setting. Local businesses and Resurrection alumnae participate by having a student shadow them at work, allowing them to explore career possibilities and related skills. During this past school year we had alumnae mentors in a wide variety of fields. On May 17, 2014, alumnae mentors were invited to attend a Practicum Program Mentor Breakfast where they had the opportunity to hear how they have touched the lives of students at Resurrection.

We invite all of our alumnae to share their experiences with our students. ***Please contact Practicum Program Coordinator Amanda Stieber at [astieber@reshs.org](mailto:astieber@reshs.org) to participate as a mentor or presenter.***

Social worker Allison Brown presented information to students prior to prom season on making educated and responsible decisions. Pictured with Junior Class officers **Gianna LaSusa '15, Shannon Even '15, Giahanna Martorano '15 and Kelsie Murphy '15.**

## Students Donate Hair to ResPunzel Project

Jazzlyn Fleming '16, Bella Bottalla '16, Alexis Fontanetta '16 and Natalie Bracamontes '16 were four of the 132 students who donated hair to the ResPunzel Project.

On Monday, May 19, 2014, the Resurrection Science Club hosted the annual ResPunzel Project. A record-breaking number of students donated a minimum of 8 inches of hair which will be used by the Pantene Beautiful Lengths Program. The 132 students who donated this year were from all grade levels and the donations were made just days after the 2014 senior prom.

The program works closely with the American Cancer Society to produce and distribute real-hair wigs, at no cost, for female cancer patients. The hair donations from Resurrection will make approximately 22 wigs for women who are faced with hair loss from cancer treatment. Hair stylists from Ivana DiPiero Hair Studio in Harwood Heights and Salon M in Niles donated their services to the ResPunzel Project.

The goal is to collect enough hair donations to equal the length of two braids which could wrap around the entire academic area at Resurrection. The annual ResPunzel Program began in 2009 and another event is planned for next year.

Fourteen Resurrection students traveled to Costa Rica over spring break for an educational trip that combined service and environmental conservation activities.

Two international trips were offered to Resurrection junior and senior students during spring break. Twelve students traveled to Italy from April 17 to 25, 2014, on a trip coordinated with ACIS Educational Travel and led by Resurrection Social Studies teachers Maria Fumic and Barbara Justmann. The trip allowed students to explore the rich history of Italy, including Venice, Florence, Rome and Assisi and experience many hands-on activities and excursions that immersed them into Italy's culture.

During the same week from April 21 to 27, 2014, fourteen Resurrection students traveled to Costa Rica on a trip led by Resurrection Science teacher Jessica Wojcik and Resurrection Spanish Language teacher Megan Loughran. The trip was also coordinated with ACIS Educational Travel. While in Costa Rica, the students explored the biodiversity of the area and had the opportunity to engage in community development service work at the Sarapiquí Conservation Learning Center.

The next international travel opportunity, open to the Classes of 2016 and 2017, will be led by English teacher Noreen Maluchnik in June 2015 to England and France. Information is available at [www.reshs.org](http://www.reshs.org) or contact [nmaluchnik@reshs.org](mailto:nmaluchnik@reshs.org).

### Fall 2014 Adult Enrichment Course

## *"Journey to the Path Within"*

*An Adult Spirituality Journey to Seek Out the Hero Within Each One of Us*  
Tuesdays from 6:30 - 8:30 pm on September 9 & 23, October 7 & 21

The cost is \$50 - to register for the course, please contact  
Alisa Martorano at 773.775.6616 Ext 142  
or [amartorano@reshs.org](mailto:amartorano@reshs.org).

As we travel through life, we all experience times that the Spanish mystic St. John of the Cross called "the dark night of the soul." In these times of our lives, we need to seek and find the reflection of the Divine (the Hero) within each one of us. All alumnae, parents and community members are welcome to participate in an adult spirituality course.

Course participants will explore the spiritual journey of moving from the dark night of one's own soul to the process of finding the Sacred within oneself. The course will examine the lives of leaders who have experienced their own "dark night of the soul," including St. Francis, Mother Theresa and Robert Kennedy, and will utilize the theology of Franciscan priest Richard Rohr and writings by Joseph Campbell. By reviewing the experiences of others who have struggled, the participants will look at how others have moved beyond the darkness to bring life and light into the world.

The course will be taught by Resurrection faculty member Mike Longo, Religious Studies teacher and Chamber Orchestra director, who holds a Master's degree in Music and Humanities from DePaul University and a Master's degree in Religious Studies from Loyola University.

Readings from the following books will be used in the course:

- Hope Against Darkness, The Transforming Vision of Saint Francis in an Age of Anxiety by Richard Rohr and John Bookser Feister;
- The Hero with a Thousand Faces by Joseph Campbell;
- Robert Kennedy, His Life by Evan Thomas; and
- Come Be My Light: The Private Writings of the Saint of Calcutta written by Mother Theresa and edited by Brian Kolodiejchuk.
