A Message from President Sister Donna Marie

DEAR FRIENDS AND ALUMNAE,

When we were children we were often told, “Don’t touch the walls” or “Don’t touch the windows,” because we could leave fingerprints. However, as loving, creative and caring human beings, we hope to leave our fingerprints on the hearts and lives of others.

As I walk through the halls of Resurrection College Prep High School, I cannot help but see the fingerprints of Sister Lydia Mary Yokiell, C.R., fingerprints of a loving and visionary Sister of the Congregation of the Resurrection.

Sister Lydia Mary Yokiell, C.R. died on May 7, 2018, at the age of 104, more than 56 years after she played a major role in planning and designing the current building which houses Resurrection College Prep High School. Generations of young women have been, and continue to be, blessed to experience their high school education in this facility which was designed to provide the space, atmosphere and ambiance to enhance and maximize the learning experience.

As a biology teacher and principal, Sister Lydia Mary was deeply committed to providing generations of students with a spacious environment where natural light, courtyards, soft colors, and lots of windows would stimulate creativity, lift enthusiasm, and enhance a sense of safety. Marvelously, the work of her hands accomplished her goal. Here we are today, 56 years later, enjoying and benefiting from her vision and work.

At Sister Lydia Mary’s wake, alumnae shared beautiful stories of the ways in which Sister Lydia Mary at times gently brought them reassurance or comfort, and at other times challenged them to set their goals higher. Sister left her fingerprints on their hearts.

Resurrection College Prep is making sure that students moving forward will recognize and be inspired by the story of this great woman by naming the Welcome Center in her memory. The Welcome Center, on the first floor around the corner from the main entrance, is a space designed for grade school students to gather at the beginning and end of “shadow day” experiences, as well as a space for student leaders to meet.

Those fingerprints of Sister Lydia Mary speak eloquently to all of us alumnae, current students and future students, of what we as women can accomplish, not just for now, not just for ourselves, but for others and for generations. We can make a difference in the lives of people we directly meet as well as have a rippling effect on people we may never meet.

In Charity and Truth,

Sister Donna Marie Wolowicki, CR

New STREAM Courses

Resurrection encourages students to build, create, and explore in the areas of Science, Technology, Religion, Engineering, the Arts, and Math and break beyond gender stereotypes that limit women's participation in STREAM fields.

Resurrection's academic program has always been rooted in an authentic liberal arts tradition infused with a Catholic anthropology. For this reason, the decision was made to design a program with a STREAM curriculum, rather than a more traditional STEM to STEAM Model. Students will make connections across each discipline with an emphasis on scientific observation, technological exploration, artfully engineered design with a focus on solving relevant, real-world problems, all grounded in a Catholic worldview. We believe that a STREAM program is a transformative catalyst for creative problem solving.

Resurrection College Prep is continuously developing new opportunities for students to grow in the STREAM-related fields. The following courses were recently created to provide new learning opportunities that will help students explore their strengths and potential career paths in the future.

Mobile Makers App Development is an elective class offered at Resurrection.

Resurrection alumna Nicolette Apostolos, RN, BSN, CPN '10 from Lurie's Children's Hospital working with students in the Health Science, Integration and Exploration class.

HEALTH SCIENCE, INTEGRATION AND EXPLORATION

Health Science, Integration and Exploration is an elective, interdisciplinary class for seniors at Resurrection introduced in January 2018 to prepare students who are planning to pursue a healthcare career. The course integrates the principles learned in previous science, technology, religion, art and math courses. Students are given the opportunity to explore and approach issues with an interdisciplinary approach. With hands-on skill practice, students learn best practices such as patient interviewing, CPR, and how to take blood pressure from patients.

Working with nearly twenty expert faculty, students will learn from various partners, including **Loyola University Marcella Niehoff School of Nursing**, **Marquette University**, **Presence Resurrection Medical Center**, and other healthcare organizations. This class is led by Resurrection's President, Sr. Donna Marie Wolowicki, C.R., who, prior to becoming the President of Resurrection College Prep High School, served as Executive VP/CEO of Presence Resurrection Medical Center for twenty-two years.

MOBILE MAKERS

Resurrection is partnered with Mobile Makers, an Apple Professional Learning Provider that builds curriculum for learning computer science through the development of mobile applications. The Mobile Makers App Development class provides students an opportunity to build and deploy an iOS application from end to end while they learn the basics of sequential and object-oriented programming, basic data structures, and a solid understanding of iOS app construction. In conjunction with our Innovation Lab, students have access to the courses, tools and instruction needed to pursue the growing field of computer science, currently underrepresented by women.

College Counseling Guides Students to Success

Beginning freshman year, our counselors help students and parents with curriculum choices and college planning by utilizing the Naviance System. Our college counselor, Ms. Meredith Rogers, is on staff to guide students through the college planning and application process. An annual college fair and informational sessions are held for families about scholarships, financial aid and the college selection process. The Class of 2018 worked closely with Ms. Rogers as they celebrated college acceptances and scholarship awards. On National College Decision Day, May 1, 2018, Resurrection seniors enjoyed a special celebration, and students who received over \$100,000 in awards became celebrated members of the \$100,000 club! Members of the Resurrection Class of 2018 were awarded over \$17.6 million in collegiate scholarships and awards.

Kindness Campaign

Resurrection College Prep initiated a year-long series of events and activities to promote kindness in the school community. Kicking off this program was the Kind Assembly on September 7, 2018, a program created by an internationally recognized, nonprofit organization entitled Kind Campaign. Following the film presentation, Resurrection students reflected on and discussed the

issues of bullying, kindness, and the power of empathy, awareness and apologies. Students were given the opportunity to fill out a Kind Pledge card, a Kind Card and a Kind Apology and were then invited to tape their pledge to a Kindness Wall in a main school hallway. Additional activities in classrooms, clubs and organizations have continued throughout the school year.

Resurrection Honor Societies

Resurrection College Prep High School's annual honor society inductions are held at Resurrection each spring. Students were inducted in April 2018, to the following honor societies: **National Honor Society, International Thespian Society, Modern Music Masters (Tri-M) Honor Society, Mu Alpha Theta/Math Honor Society, National Art Honor Society, Science National Honor Society, Societa Onoraria Italica/Italian Honor Society, Sociedad Honoraria Hispanica/Spanish Honor Society.**

The guest speaker at the 2018 Honor Society Inductions was Dr. Josephine Puleo, a Resurrection alumna from the Class of 1997, who shared with the Resurrection Honor Society inductees the advice to persevere through academic and life struggles. Dr. Puleo practices as a dental surgeon. She holds a Bachelor of Science degree in Biology from Loyola University and attended the University of Illinois College of Dentistry, graduating as a Doctor of Dental Surgery.

Following the traditional candle-lighting ceremony at the honor society induction, the young women of Resurrection were recognized for their academic achievements and pledged to maintain and encourage high standards of scholarship, service, leadership and character and to uphold the high purposes of the honor society to which they were inducted.

Candles representing each of the honor societies at Resurrection are lit during the annual induction ceremony.

COST OF A RESURRECTION EDUCATION

We strive to keep a Resurrection education accessible. Tuition does not cover the full cost of a Resurrection education. Tuition for the 2018-2019 school year is \$11,700 and the actual cost to educate a Resurrection student is \$15,600. The generous support of our alumnae, donors and sponsors allow us to subsidize the actual value of a Resurrection education by approximately \$3,900 per student. 100% of students receive this subsidy – the difference between tuition and the actual cost of a Resurrection education. We are deeply grateful for the donors who help us keep a Resurrection education accessible for families.

For the most current audited fiscal year (July 2016 to June 2017), the assessed financial needs of Resurrection families was \$1,119,041. Approximately 35% of Resurrection students received financial assistance in addition to the subsidy provided to all students.

The New Life Society

Members of the New Life Society are friends of Resurrection College Prep High School who choose to remember Resurrection in their estate plans and have notified the school of their intentions. For some, this means leaving Resurrection a specified amount or percentage of their estate in their wills. For others, it means leaving real estate or naming Resurrection as a beneficiary of a life insurance policy, annuity or retirement fund.

Memorial and Honorarium Program

received through June 30, 2018

Any gift made to Resurrection College Prep High School may be made in memory of a deceased relative or friend or in honor of a living person who has been influential in your life. Honorariums are a wonderful way to say "thank you" or to give recognition to a special person. For example, many alumnae choose to honor their parents through this program for their parent's gift of their own Catholic, single-gender education at Resurrection.

Upon receipt of a memorial or honorarium donation, the designated name is entered into the Resurrection College Prep High School Chapel Book of Intentions. Persons listed in this book are remembered at all school Liturgies and prayer services. The Memorial and Honorarium Program also provides an acknowledgment card that is sent to the person being honored or the family of the deceased. Request cards are available by calling 773.775.6616 Ext 142 or amartorano@reshs.org.

Donors by Giving Levels

A complete list of donors by giving levels can be found at www.reshs.org. Every effort is made to list all donations correctly. If we have omitted your name or made a mistake, please accept our sincere apology and notify us at resnews@reshs.org or call 773.775.6616 Ext 142.

Make A Difference

We rely on the generosity of our alumnae, donors and the larger community so that we can continue to offer academic, spiritual formation, fine art, athletic and technology opportunities to our students.

Ways to Support Resurrection

RESURRECTION ANNUAL FUND

The Resurrection College Prep High School Annual Fund is made up of gifts from loyal alumnae, parents, faculty, staff and friends. These gifts, which can be designated for specific programs, scholarships or general enhancements, have a direct impact. The Annual Fund is a vital part of Resurrection's fundraising efforts and every gift, no matter the size, helps make a difference.

PLANNED GIFTS & BEQUESTS

Making a bequest or any other type of planned gift can give tax benefits to the donor while providing long-term support for the school and entitles the donor to membership in Resurrection's New Life Society.

GIFTS-IN-KIND

Resurrection accepts selected non-cash gifts-in-kind donations.

GIFTS OF STOCK

Making a gift of securities is simple and offers several tax advantages. Please advise us of the transfer by contacting Senior Director of Development & Major Gifts, Alisa Kollar Martorano at amartorano@reshs.org or 773.467.4642.

SCHOLARSHIPS

Scholarship funds may be established in the form of an endowed gift. Endowed gifts are invested and earn annual interest and will continue to perpetually support the students.

ATHLETIC AND EVENT SPONSORSHIPS

Different sponsorship opportunities are available at Resurrection throughout the year. Sponsorships are a wonderful way for a business or an organization to show their support of Resurrection while receiving visibility on the Resurrection campus and within promotional materials.

PATRON OF THE ARTS PROGRAM

Resurrection College Prep High School is immensely proud of its Fine Arts programs. The Patron of the Arts Program provides vital support and encouragement for all the fine arts activities at Resurrection. Additionally, the Patron of the Arts participants will receive many special opportunities and experiences throughout the year at Resurrection. For more information about these opportunities or other ways of supporting Resurrection, please visit the Supporting Res tab on our website or contact Senior Director of Development & Major Gifts, Alisa Kollar Martorano at amartorano@reshs.org or 773.467.4642.

HELP FILL THE GAP

Tuition does not cover the full cost of a Resurrection education. During the current school year, each student receives a subsidy of \$3,900 or almost 25% of her educational costs. This is possible because of the generosity of donors like you. May we count on your continued support? Please use the attached envelope or visit www.reshs.org to make a donation. Any amount is appreciated and every donation makes a difference.

Resurrection Pay It Forward Scholarship Celebrates 10 Years

The Pay It Forward Scholarship at Resurrection recognizes students who are daughters of Chicago police, fire or paramedics and has awarded 25 scholarships over the last 10 years. The scholarship founder, **Nancy Slack Stachnik '67**, hosted a lunch on Saturday, January 6, 2018, to bring together the current and past recipients in honor of the scholarship's 10th Anniversary. Special thanks to special guest and keynote speaker **Trish Moll '86** who shared an inspirational message with the group.

THERE IS STILL TIME

MAKE A DONATION TO THE 2018-19 ANNUAL FUND

At Resurrection, we are thankful for every donor and every dollar we receive. These gifts enable us to offer tuition assistance to those young women who might not otherwise benefit from a Resurrection College Prep High School education.

We are grateful for your generosity. Generosity that plays a vital role in making it possible for our students to answer their calling as performers, innovators, scientists, athletes and more. Each of them makes a difference in the school and community as they represent the Resurrection College Prep motto of *Charity and Truth*.

We are blessed to watch these young women live their dreams. In this season of giving, we ask that you add to our blessings by returning the attached card or visit our website at RESHS.ORG and pledging your support today.
