Resurrection College Prep High School

Fall 2016

A Message from President Sister Donna Marie

DEAR FRIENDS AND ALUMNAE,

As we begin a new school year, we welcome our new Principal, Richard Piwowski. Mr. Piwowski comes to Resurrection with ten years of experience in teaching at Marist High School and with experience as both an assistant principal and principal at Andean High School. He is committed to the mission and goals of Catholic education and has extensive experience and expertise in curriculum development. We are privileged and excited to have “Mr. P” at Resurrection and I invite you to see my blog post from May 23, 2016, for more information.

This year Resurrection welcomes the Class of 2020 with 128 members as our 94th freshman class. That means we are preparing to celebrate our 95th Anniversary in 2017! This will be Resurrection’s Ruby Anniversary. A “Ruby Anniversary” gives us a lot to reflect upon. In scripture a strong comparison is made between the value of wisdom and that of rubies (Proverbs 3:15 and 8:11), and the value of a virtuous woman is described as far above the value of rubies (Proverbs 31:10).

Dedicated to helping young women develop their God-given talents, Resurrection has enabled virtuous women to scatter rubies of wisdom across the United States and the world. Resurrection graduates are gems helping to transform families, parishes, workplaces and the world into a brighter reflection of God’s loving and magnificent plans. For 95 years, Resurrection has been committed to educating and preparing young women to take their rightful place in helping transform society. I want to connect a key Resurrection word found in our mission statement, *Transformation*, with the Scriptural word, *Wisdom*, which is key to our Ruby Anniversary.

As Christians we believe the Risen Jesus calls us to personal and communal transformation, that is to a radical change of heart and ongoing metamorphosis. Wisdom is knowing how and when to listen, open our hearts and respond to God’s invitation. Wisdom is knowing when and what to let go of, as well as how and what to hold on to. The call to transformation and metamorphosis touches every aspect of our spiritual, social and human experience. As a school, Res has embraced the metamorphosis process many times. Resurrection started in the 1920s as an academy, educating girls from 1st through 12th grade. The early high school provided two educational tracks: a two-year commercial program and a general four-year program. In the 1950s and 60s, we offered 3 four-year tracks: college prep, business, and home and commercial economics. By the 1970s and 80s, all students were preparing for college and in the 1990s, the Practicum Program was added to provide students exposure to a variety of career experiences. In 2016 the college prep program continues to expand and now includes opportunities to explore engineering, robotics, STREAM (science, technology, religion, engineering, art and math) and ethics.

When the school first opened, Resurrection Sisters taught in every department. Today at Resurrection, and throughout the United States, there are fewer priests, brothers and sisters teaching and administering. Responding to this new metamorphosis, Resurrection is offering a leadership formation program for lay leaders (see the President’s November 1, 2016 Blog for a special feature on the Leadership Formation Program). Many things have and will continue to change but *Caritate et Veritate* remains at the core.

I invite all of you to join us in celebrating this upcoming special Ruby Anniversary year. Let us thank God for all that has been and with anticipation, faith and great joy, let us journey forward with the Risen Lord.

In Charity and Truth,

Sister Donna Marie Wolowicki, CR

Mr. Mike Longo's Winter 2017 Adult Enrichment Course

The Formation of the Gospels in Relationship to Historical Jesus
An Adult Lenten Spirituality Course

Tuesdays from 6:30 - 8:30 pm
February 21, March 7,
March 28 & April 11, 2017

The cost is \$50.

To register for the course, please contact Alisa Martorano at 773.775.6616 Ext 142 or amartorano@reshs.org.

The following book will be used to help us answer and further investigate these questions:

The Fourfold Gospel: A Theological Reading of the New Testament Portraits of Jesus
 by Sir Francis Watson

This course will explore the construction of the Gospels in relationship to the historical Jesus. How do we explain the words of Jesus passed down from Jesus to the Gospel writers? Participants will study how the Gospel writers came out of the early Christian communities and how they adapted the historical Jesus for the audiences they were addressing. In particular, the letters of St. Paul and the Gospel of Mark will be addressed as formative documents for the rest of the Gospels. This course will assist the adult Christian in their personal journey through the Lenten season to better understand the Gospels as they apply them to their own faith life.

The course will be taught by Resurrection faculty member Mike Longo, Religious Studies teacher and Chamber Orchestra director, who holds a Master's degree in Music and Humanities from DePaul University and a Master's degree in Religious Studies from Loyola University.

Sister Mary Paul Schultz, C.R.

April 4, 1928 - September 13, 2016

Sister Mary Paul Schultz was born in Wells, Minnesota, in 1928 as the third youngest of eleven children and received the name Therese Jean. She joined the Sisters of the Resurrection in 1946 and was given the name Sister Mary Paul. She earned a Bachelor of Science Degree in Nursing and a Master's Degree in Education from Loyola University and a Master's Degree in Hospital Administration from St. Louis University. Sr. Mary Paul worked in the Emergency Room at Resurrection Hospital, where she served as both Director of Nursing and Administrator of Resurrection Hospital. She later served as Associate Administrator at

Resurrection Medical Center and on numerous health care committees and Boards of Directors.

Sr. Mary Paul served her congregation as the local superior at the provincial home and was instrumental in the development of the Resurrection Retirement Community. Her leadership, care, concern and love for the residents were evident during her twenty-one years of ministry as Executive Director at Resurrection Retirement Community. Underlying Sister Mary Paul's ministry was a tremendous love, deep compassion, and loving interest to the sick and injured, to the lonely and forgotten, and to the grieving and discouraged. Sister Mary Paul shared her vocation with her biological sister, Sister Maria, C.R., also a Sister of the Resurrection. The two sisters lived together, worked together and prayed together.

At the age of 88, Sr. Mary Paul was welcomed suddenly and peacefully into the loving embrace of her God and Lord, the Risen Jesus, whom she had served so faithfully for 70 years as a Sister of the Resurrection.

Sister Mary Paul, rest in peace.
