Issue No. 13

March 14, 2019

Juan Melián

Dear Charter Oak Families:

Last week was Conference Week which in our case means student-led conferences. For those who had the opportunity to attend, our sincere gratitude for your presence and for supporting your children and their teachers during this remarkable event.

I often say that the actual conference is only the tip of the iceberg of a much larger process. For days, our students prepare their conferences with their teachers and their peers engaging in deep reflection, set reasonable and appropriate goals, and practice communication and presentational skills. My hope is that you enjoyed seeing your children in action and that you obtained an accurate picture of where your sons and daughters are at this time of the year. Please don't hesitate to contact me with your thoughts about your experience at conference time and about the format. Student-led conferences are a critical part of your children's learning experience as IB learners so we are always looking for ways to improve them.

March is well underway with plenty to pay attention to and engage in. Just to mention a few, during March our Odyssey of the Mind team will be competing at the State Tournament, 5th grade parents will have the opportunity to attend the 5th to 6th grade transition meetings to middle school, our 5th graders will be inspired by community professionals during their visit to the Charter Oak Career Day and we will all enjoy the FRC - sponsored Family Academy.

Finally, I would like to invite all our parents to participate in the Charter Oak Welcoming School Focus Group on the first Friday in April. At this focus group, which will be conducted in the morning as part of the Principal's Coffee, we will receive input from the community on relevant topics such as identifying possible barriers for good communication and access, ways we can improve the way we inform you about your children progress, or ways to receive support for you or your children when you need it. A second Focus Group will be scheduled in the evening in late April. Please stay tuned for more information regarding times and locations.

I look forward to seeing you all around the building!

Thank you,

Juan Melián
Principal

Queridas Familias de Charter Oak:

La semana pasada fue Semana de Conferencias, que en nuestro caso significa conferencias dirigidas por nuestros estudiantes. Para aquellos que tuvieron la oportunidad de acudir les damos nuestras más sinceras gracias por su presencia y por apoyar a sus hijos y sus profesores durante estos días tan importantes.

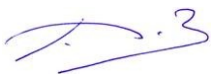

A menudo digo que las conferencias en sí son solo la punta del iceberg de un proceso mucho más grande. Durante días, nuestros estudiantes preparan sus conferencias con sus profesores y con sus compañeros involucrándose en una reflexión profunda, establecen objetivos razonables y practican habilidades comunicativas y de presentación. Mi esperanza es que ustedes hayan disfrutado de ver a sus hijos en acción y que hayan obtenido de las conferencias una idea precisa de dónde están sus chicos en este momento del año. Por favor, no duden en contactar conmigo con sus impresiones y su experiencia durante este periodo y con su opinión sobre este formato. Las conferencias dirigidas por estudiantes son una parte esencial del aprendizaje de sus hijos como estudiantes IB. Por tanto, siempre buscamos formas de mejorar el modelo.

Marzo avanza con fuerza y hay un buen número de actividades y eventos a los que prestar atención. Por mencionar solo algunos, durante este mes disfrutaremos de diferentes actividades y oportunidades para todos, que incluyen la participación de nuestros equipos de Odyssey of the Mind en el Concurso del Estado, los padres de quinto grado tendrán la ocasión de acudir a las reuniones de orientación para la transición a las escuelas intermedias y nuestros estudiantes de quinto recibirán la inspiración de profesionales de la comunidad durante el Día de las Profesiones. También en marzo tendremos la Academia de Familia que como ustedes sabrán es un evento organizado por el Centro de Recursos para la Familia (FRC).

Finalmente, me gustaría invitarles a todos ustedes a que participen en el Grupo de Enfoque de Charter Oak que tratará el tema de Escuelas Acogedoras, parte de nuestra iniciativa a nivel de distrito que en inglés se llama *Welcoming Schools*. *La primera reunión será el primer viernes de abril y usaremos el tiempo habitualmente reservado para el Café con el Director. En esa reunión, que será seguida por otra al final de abril en la tarde-noche hablaremos sobre barreras existentes para buena comunicación entre la escuela y las familias, acceso a información, mejoras en nuestro modo de informarles sobre el progreso de sus hijos y otros temas relacionados.*

Les espero a todos y seguro que les veré en las próximas semanas.

Gracias,

Juan Melián
Principal

March 2nd was **Dr. Seuss's birthday** and **Read Across America Day**.

Here at Charter Oak International Academy we celebrated all week, *Seuss-style!* You can continue the celebration your own special way, at home too, all month!

Read to Your Pets - Becoming a strong reader takes practice. Reading aloud to an animal gives beginning readers a comfortable way to practice reading and an opportunity to spend time with a beloved pet.

Dr. Seuss Dance Party - Put on some music and call out for the dancers to:

- Ooze and wiggle like **Oobleck**
- Swing an arm like **Horton** the elephant's trunk
- Jump up and down to **Hop on Pop**
- Run for fun in the hot, hot sun
- Frisk about like the **Brown Bar-ba-loots**
- Hum and splash like **Humming-Fish**
- Run and fly a kite like **Thing 1 and Thing 2**
- Go bump, bump and jump on the hump of the **Wump of Gump**

Mapping The Places You'll Go - Hang local, regional, national, or world maps and use different colored pins with notes to show your child's favorite places to visit, special vacations, or planned trips. Have other note cards and pins for friends and family to mark their spots on the map.

Seuss Spa Day - Start with a foamy foot bath while reading **The Foot Book**. Then place cooling slices of cucumber on your eyes while listening to **I Can Read with My Eyes Shut!** Last, enjoy a Pink Ink Yink Drink with a reading of **The Tooth Book**. (When you're done reading and drinking, be sure to brush and floss your teeth.) Then, take a photo of your smile and hang it in the bathroom as a memento of your spa day!

Grade 1 Update

First grade has been very busy with their new Science Units. We completed our first unit *Patterns of the Sun and Moon: Light and Shadows* and are about to complete our second unit *Communicating With Light and Sound: Using light and sound to send messages*. In this most recent unit students explored both light and sound and did a variety of experiments within each. For light students created sundials. Some classes have tested their sundials and some of us are waiting for warmer, sunnier weather. For sound we created musical instruments out of recycled materials. For both light and sound we were lucky to have Science Mike come to Charter Oak and share his expertise. He brought with him many cool tools and we completed many hands on activities. First grade is really enjoying the new Science Units. Coming up next...*Learning From Nature Through Our Senses: Structure and Function of Plants and Animals*.
