Swimming Club - from Y1 to Y4 (External)

Held at Porchester Hall where the boys have about 55 mins swimming time. There are 2 instructors and 2 assistants for up to 20 boys who are allocated to one of 3-5 differentiated groups according to their level. Style, breathing technique, timed sprints and endurance for the crawl, breast and backstrokes plus racing dives in the deep end are all worked on for the more able. Novices (who can't yet swim 25m without feet down) will be brought on through a range of progressive activities to develop their confidence, buoyancy, breathing technique, body alignment and the use of their legs and arms both independently and together. Beginners will develop their confidence in water and practise a range of breathing, kicking and arm drills using the side of the pool before progressing to other drills using a float. The boys will also have fun time including underwater breathing/jumping/bombing/underwater drawing games and diving for 20p to a depth according to their level for keeps! There will also be an opportunity to gain a distance/stage badge at the end of the term. A coach takes the boys to and from Porchester and it returns to school at approximately 5.45pm. More details on application.

NIMBLE MINDS Reasoning Workshop - Y1 & Y2 only *(External)*
 Nimble Minds workshops focus on improving understanding, confidence and ability in verbal and non-verbal reasoning with formal teaching and practise. The workshops use hands-on games and group problem-solving activities, carefully chosen to boost crucial thinking skills, including: concentration, vocabulary, memory and the ability to think calmly and logically whilst being timed. The group problem solving challenges cultivate the ability to work together, solving problems and having fun with interactive games and collaborative projects. Reasoning is an important component of the 7+ and 8+ exams and is used for academic selection throughout education. Leading London prep-schools use group problem solving activities to identify adaptable learners who can work well with others. The group is limited to no more than 10 boys to ensure that each individual has access to the best possible learning experience. Runs between 4.00 and 5.00pm at EHB.

Karate: 3.45 - 4.30 Beginners; 4.30 - 5.15 With Experience *(External)*

Karate is taught by Rensei Alex Sylvan from Martial Arts Federation International www.mafinternational.com. They teach traditional Shotokan Karate, one of the most widely practised styles and considered the most representative form of traditional Karate-Do. Shotokan consists of three key areas: Kihon (basic), Kumite (sparring) and Kata (forms or pattern of moves). Techniques in traditional Shotokan kihon and kata are characterised by deep, long stances and explosive speed, enabling powerful movements whilst strengthening the body. As a beginner, karate suits are provided through MAFI. Applications are co-ordinated by Miss Clare.
