21<sup>st</sup> March 2019

Dear Parents,

Earlier this academic year, we registered to join the PiXL partnership. PiXL (Partners in Excellence) is a not-for-profit partnership of schools across the UK who together share best practice in order to raise standards for pupils.

Being a PiXL school has enabled us to access a great deal of focused resources to support learning in the classrooms in KS1 and KS2 and, having been a part of this partnership for a few months now, this is something we definitely want to explore further in future years. PiXL have recognised that many children need to extend their understanding of vocabulary in order to progress as readers and writers and, to further succeed in maths, they must obviously secure their knowledge of multiplication tables. Therefore, as well as supporting teachers in their quest to ensure the best outcomes for pupils, PiXL have created Apps to support pupils at home.

Your child has been given a log-in and password which can be used to access both the times table and vocabulary Apps on mobile phones, tablets and desktop computers. They will need the **school id**, which is **LH6107** and then their own unique username and password. There are a number of games and activities, at different levels, that can be accessed and will help to improve their learning in these areas.

- X table App: <https://timestable.pixl.org.uk/>
- Vocabulary App: <https://vocab.pixl.org.uk/>

If your child does not have their username and password, please speak to the class teacher who will be able to re-issue this. We hope you will enjoy exploring the Apps with your child.

Yours sincerely

Mrs G Coffey OBE  
Executive Headteacher
