

## Requested Donations/Supplies

In alignment with our philosophy of creating an emotionally safe learning environment, Winter Park Elementary purchases all the required school supplies for every student enrolled. The supplies are purchased with funds from our state, local, and federal budgets as well as our PTA's Make It Happen campaign. Parents are asked to provide a book bag for their child. We feel strongly that purchasing these items for our students contributes to our nurturing learning environment, despite that fact that the cost of the items encumbers a significant portion of our annual budget.

To help us meet our mission, we do accept supply donations. Please note that some specific brands and/or colors are mentioned. We have found that these brands work with best and prefer those specified items
