

Sydenham Year 10 into 11 Interventions Strategy

Summer Project - Forming Good Habits

Revision Guidance for Maths

When using www.vle.mathswatch.co.uk make sure that you:

- Copy the teacher's examples
- Attempt the question when she says 'Press pause and have a go'
- Revisit the same topic a few days later using *One Minute Maths* and then again a few days after that with the *Interactive questions*.

This type of study technique is **Spaced and Retrieval Practice**

- Correct your mistakes including working out where you went wrong.
Try the questions you got wrong again a few days later

Short term Goals

Complete the table with the date that you complete each task.

Show this to your maths teacher when you come back in September

Topic	MW Clip	Main Clip watched notes taken, questions answered	OMM watched and questions answered	Corrections and Interactive questions completed
Multiplying decimals	66			
Dividing decimals	67			
Negative Numbers	68
