Input Feedback form

Please share your input about the following Title I family engagement documents. Your feedback is essential in helping us to build parent capacity and family engagement. We welcome all of your comments and suggestions.

**School Family Engagement Plan:** (e.g. How can the school effectively communicate with parents? What type of workshops would you like for the school to provide?, etc.)

**District Family Engagement Plan:** (e.g. How can the district effectively communicate with parents? etc.)

**School-Parent Compact:** (e.g. How can the school support you in assisting your child at home achieve the school and district goals? In what core content area does your child need the most help?, etc.)

**Parental Involvement Budget 1% set-aside:** (e.g. If available, how would like to see these funds spent? What resources do you need available in the parent resource center to help your child at home?)

**Building Staff Capacity** (what do you think teachers and staff need to know or be trained on?)
