

Let's talk about safety

Safety means keeping you
away from danger.

The person in charge can help you stay safe.

- Who's in charge?
- Whoever is taking care of you:
parents, big brother,
teacher, babysitter,
or grandparents

Car & Bus Safety

- Sit in your seat
- Wear your seat belt
- Use a green voice, no loud noises

School Safety

- Ask a teacher before you leave the room
- Ask a teacher if you want to go to your cubby or the bathroom
- Remember to use your walking feet in the hallways

Parking lots & Crossing the street

- Hold a grown up's hand when you walk in a parking lot
- Wait for a grown up to help you to cross the street
- Stay safe by holding hands

Safety when you're out with your family

- Make sure you stay with your family if you are in a store or a restaurant
- Make sure they can see you and you can see them
- If you get lost say "help" and listen for your name
- Ask another mommy or daddy for help

Safety in your house

- Stay in your house with your family
- Never answer the door without asking the person in charge
- Always ask before you go into someone's house
- Ask the person in charge before you go outside

“Stop”

“Stay inside!”

Strangers

- Ask the person in charge if someone wants to give you something
- Ask the person in charge if someone wants you to go somewhere with them
- Ask the person in charge if a grown up asks you for help

Person in charge

- Who's in charge?
- Whoever is taking care of you:
parents, big brother,
teacher, babysitter,
or grandparents

Touching Safety

There are many types of touches, some are safe and some are unsafe.

Safe touch

- Safe touches make you feel cared for, loved and important

Unsafe touch

- Unsafe touches make you feel bad, scared or hurt
- If someone touches you and you don't want to be touched you can say "stop" and "I don't like that"

Let's talk about the touching rule...

- The touching rule means no person should ever touch your private body parts except to keep you clean and healthy
- Your private parts are anything your bathing suit covers

Touching Rule

- We do not share our private parts with other people. They are a special part of us.
- My body is my body, your body is your body.

Sometimes I need help!

- Sometimes you need help getting clean...your parents or teachers might need to help and that would be a safe touch
- A doctor is also a safe person because they keep you healthy

If someone breaks the touching rule...

1. Say "No" or "Stop"

2. Get away

3. Tell a person in

charge

**Remember to follow these
safety rules to help stay away
from danger.**
