Poetry Reading at Barnes and Noble Cafe

SLC hosted our 3rd Annual Poetry Reading event on Friday, February 15th at the Barnes and Noble Café. The event featured original poetry written by middle and high school students. This was a wonderful opportunity for students to read aloud poems and receive positive feedback from their peers.

ESSAY CONTEST WINNERS!

SLC sponsored a winter essay contest that was open to all students. Students were asked to write a short story about an event in your life that taught you something important while giving plenty of details that make the story interesting for the reader. Entries were judged based upon content, organization, vocabulary, language use and mechanics. Criteria for judging included creativity, writing style, and adherence to form, rules and writing conventions.

UPCOMING EVENTS

APPLE STORE CODING CLASS

Middle and high school students have been invited to attend the Apple Store's Coding class. The students will use Swift Playgrounds and iPad to learn coding concepts.

5th Annual Pi Day Celebration! SAVE THE DATE! March 14th, 2019

Math Deserves Its Own Day... Don't You Think?!

SPECIAL POINTS OF INTEREST

Please join us for the SLC Science Fair

Students will be displaying their projects and presenting during our Open House on May 1st from 4-6.

SLC Open House

Location: SLC

Date: May 1st, 2019

Time: 4:00-6:00

5th Annual Oscars at SLC

And the Oscar goes to... SLC put on its 5th Annual Oscars Award Ceremony. The students voted for their own classmates to recognize each of their strengths such as "Hardest Worker, Most Loyal, Most Responsible, Most Trustworthy, etc." The classroom was transposed into a starlit room including a row of Oscar Trophies waiting to be presented to each student. A black envelope with a gold, tied ribbon encased the special certificates. The students walked down the gold carpet to receive their award and gave a short speech after they accepted their award. The students enjoyed posing in the photo booth afterward to celebrate!
